1	(COMMENCED	AT 10.09	AM)

- 2 MR. WISTOW: Apparently, we've lost
- 3 track of where we are in the exhibit numbers, and
- 4 so we've agreed to just start at 801 and,
- 5 hopefully, try to figure this thing out. But
- 6 there is a known gap --
- 7 MR. HOLT: Okay. And for the record,
- 8 references to exhibits during Mr. Carcieri's
- 9 deposition today will be beginning with number
- 10 801, and for the record, in this transcript, they
- 11 will be referred to as 801, which will mean
- 12 Carcieri deposition sequence of documents. Do we
- 13 agree to that, Max?
- 14 MR. WISTOW: I would, if I understood
- 15 what you said.
- MR. HOLT: Let's say -- let's say the
- 17 sequence gets up -- we start having overlaps of
- 18 800 series documents with the examinations going
- 19 on today, unlikely, but it could be possible -- I
- 20 see Linda shaking her head no -- we don't know
- 21 where they ended up yesterday. My point is a
- 22 simple one, we'll begin with the sequence of 801
- 23 as the first exhibit. Essentially, we'll go 801
- 24 forward. And for the record, any deposition
- 25 exhibits marked in the Carcieri deposition that

- 1 Q. Now, I'd like to just perhaps go over some rules
- 2 of engagement, if you will, for today's
- 3 examination. If I ask you a question and you
- 4 don't understand the question, will you let me
- 5 know that you don't understand the question?
- 6 A. Uh-huh.
- 7 Q. And could you also give an audible answer, yes,
- 8 not uh-huh.
- 9 A. Yes.

- 10 Q. Now, if you do answer a question that I put to
- 11 you, I will assume that you understood the
- 12 question, and the answer you gave me was the one
- 13 that you intended to give; okay?
- 14 A. Yes.
- 15 Q. Now, also you understand that you are giving
- 16 testimony under oath as if you were in a court of
- 17 law with Judge Silverstein present and a jury
- 18 present; do you understand that?
- **19** A. I do.
- 20 Q. Have you ever had your deposition taken before?
- 21 A. Never.
- 22 Q. Have you ever given any testimony on the record to
- 23 any state or federal agencies or enforcement
- **24** authorities?
- 25 A. Oh, gosh, back in my Old Stone days, I might

Page 6 Page 8

- 1 begin with 8 and into the 9 series, the parties
- 2 agree will be those that are identified as having
- 3 been used in the Carcieri deposition; can we agree
- 4 to that, Max?
- 5 MR. WISTOW: I think so. I'm not
- 6 sure -- I'm just trying to be helpful.
- 7 MR. DeSISTO: I agree.
- 8 MR. HOLT: Thank you.
- 9 THE VIDEOGRAPHER: We're on the
- 10 record.
- 11 DONALD CARCIERI
- 12 Being duly sworn, deposes and testifies as follows:
- 13 THE REPORTER: State your name for
- 14 the record.
- 15 THE WITNESS: Donald Carcieri.
- 16 EXAMINATION BY MR. HOLT
- 17 Q. Governor Carcieri, my name is Tom Holt, and we
- said hello a little earlier today, I represent
- 19 Wells Fargo in a litigation that's been filed by
- 20 the Rhode Island Economic Development Corporation
- 21 against my client, Wells Fargo, against First
- 22 Southwest, Barclays, and a number of other
- 23 defendants. Are you aware of that litigation,
- **24** sir?
- **25** A. Yes, I am.

- 1 have testified before the State Banking Regulator
- 2 because we had issues before them but, you know,
- 3 that's the only thing that comes to mind.
- 4 Q. Have you been contacted by the Securities and
- 5 Exchange Commission in connection with this 38
- 6 Studios matter?
- **7** A. No, I haven't.
- 8 Q. Now, you're aware, I take it, that the EDC
- 9 litigation arises out of a \$75 million loan
- 10 transaction that was approved while you were
- 11 serving as both Governor of the State of Rhode
- 12 Island and as the chairman of the EDC, right?
- 13 A. Yes.
- 14 Q. Now, before coming here today, could you tell us
- 15 what you did to prepare for your deposition
- **16** testimony?
- 17 A. Just a couple of meetings with Marc and Max
- 18 to go over the process and, you know, what would
- 19 likely be asked and refreshing, some documents
- 20 that were shown to me that -- from presentations
- 21 that had been made.
- 22 Q. All right. Let's start with -- from the
- 23 beginning. You said that you had a couple of
- 24 meetings with Max. You're referring to Max Wistow
- 25 who is sitting to your left?

1 A. Yes.

2 Q. And he's the plaintiff's counsel in this case,

3 right?

4 A. Yes.

5 Q. And you referred to Marc, that's Marc DeSisto who

6 is sitting three down from your left?

7 A. Correct.

8 Q. And when did you have your first meeting with --

9 A. Monday with --

MR. HOLT: The other thing, can you

11 let me finish my question.

12 THE WITNESS: Okay.

13 Q. When did you have your first meeting with Mr.

14 Wistow?

15 A. Monday afternoon.

16 Q. That's --

17 A. This past Monday.

18 Q. Is that the first time you ever had any

19 communications with Mr. Wistow?

20 A. No. Mr. Wistow called me before the suit was

21 commenced back when he was doing investigatory

22 work, which was, I guess -- I lose track now, it

had to be '12. I guess the summer -- the summer

24 of 2012.

25 Q. So in the summer of 2012 Mr. Wistow gave you a

1 A. I remember I was at it. I don't remember the

2 whole interview and what was said exactly.

3 Q. But it certainly related to the fact that 38

4 Studios went out of business, right --

5 A. Yes.

Page 9

6 O. -- that interview?

7 A. Yes.

8 Q. And that interview also talked about your role in

9 connection with the decision to approve the 38

10 Studios deal, did it not?

11 A. I believe it did. I'd have to refresh, you

12 know, look at the tape but --

13 Q. And do you recollect in that interview that you

14 took responsibility for the approval of the 38

15 Studios deal?

16 A. Well, I think what I said is I supported the

17 deal. I was, as Governor, you're an ex-officio

18 member of the board. I chaired the board, but I

19 was a supporter of the transaction, yes.

20 Q. Okay. And when was the last time you actually

21 looked at that tape?

22 A. I never looked at the tape.

23 Q. Okay. While we're on the topic of the fact that

24 you supported the 38 Studios deal, how did you go

about getting information relating to the 38

Page 10 Page 12

1 call -- he called you?

2 A. Yes.

3 Q. And was that the first time that you ever had any

4 discussions with Mr. Wistow in connection with the

5 38 Studios matter?

6 A. Yes.

7 Q. And --

8 A. Could I add what he asked, would I meet with

9 him to discuss the 38 Studios matter, and I chose

10 to be represented by counsel and hired my own

11 counsel, Bob Flanders, from Hinckley, Allen to --

12 who then met with Max, and that was the last

13 conversation I think I had had with Max.

14 Q. All right. So you have a very specific memory of

15 those events that you've just described back in

16 2012?

17 A. Yeah, pretty well.

18 Q. Incidentally, do you recall an interview on

19 September 16 of 2012 with Tim White on WPRI

20 concerning the 38 Studios matter?

21 A. Yes.

22 Q. Well, we have that video of that, and I have a

23 transcript of that, we'll come back to that later.

24 But you have a present memory of that -- of that

25 particular --

1 Studios deal that would be sufficient to allow you

as both Governor and ex-officio chair of the EDC

3 board to make an informed decision as to whether

4 to make the loan or not?

5 MR. WISTOW: Objection.

6 MR. HOLT: You may answer.

7 MR. WISTOW: Disregard my objections.

8 MR. HOLT: You may answer.

9 A. Through the board meetings, you know, I sat

10 as chair of the board, and when the 38 Studios

11 transaction was first brought up, and subsequently

12 that was where I participated with all the other

board members in those deliberations.

14 Q. So, is it your testimony under oath here today

15 that the only way that you received information

16 concerning the 38 Studios transaction was at board

17 meetings?

18 MR. DeSISTO: Objection.

19 Q. Is that your testimony?

20 A. Yeah. There might have been a phone call,

21 we're working with 38 Studios, and it's coming up.

22 But in terms of any substantive information

23 relating to the approval of the transaction, it

would have been in the process of the board

25 meetings, yes.

- 1 Q. So is it your testimony under oath here today that
- you never received any information addressed
- either to you or to, let's say, Mr. Hodgkin, your 3
- 4 chief of staff, concerning the 38 Studios
- transaction, other than if it had been presented 5
- at a board meeting; is that your testimony under 6
- 7
- 8 MR. DeSISTO: Objection. Answer. Go
- 9 ahead.
- A. Yeah, you know, I don't remember every 10
- communication and all of the paper that went --11
- 12 what I'm saying to you is there was no independent
- process that I went through outside of the board 13
- 14 to come to my conclusions or review of that
- transaction. All of my review of that transaction 15
- and all the review of the documents and the 16
- 17 participation was in the context of the board
- meetings that I chaired. 18
- I took my -- I took the view that I had some 19
- 20 of the best people in the state, in my judgment,
- 21 that were directors, and I wanted to make sure
- they had all the information, anything that I had, 22
- 23 they had. And that this was a deliberative
- process we went through together. 24
- 25 Q. Okay. That's not precisely my question. I just

- was part of that process.
- 2 Q. So, did you believe that it would be important
- that the whole board have substantive information
- relating to the 38 Studios transaction roughly at
- the same time that you would have received it? 5
- 6 A. Yes.
- **7** Q. And why would that be important?
- 8 A. Well, if the matter was going to be decided
- by the board, which it was, and as I said, I had
- great confidence in the board that we had put 10
- together, they were top-notch people. I think --11
- 12 I had a lot of confidence in those judgments, I
- had a lot of trust. I would want to give them, 13
- 14 and intended to give them all the information that
- 15 was available to me, you know, to make sure they
- were making the best decision possible. 16
- 17 Q. Now, you just said that you would want to make
- sure that you were giving to the board --18
- 19 MR. WISTOW: Are you addressing me or
- 20 the witness?
- 21 Q. -- all the information that you would have
- received. Does that imply that you would have
- received information?
- 24 A. I misspoke. The board -- most of the
- information, and that came from the staff at EDC,

Page 14

Page 16

- want to make sure that we're clear on the record, 1
- and your testimony is likely to be used at trial 2
- or in cross-examination of you at trial, is it 3
- your testimony that the only way that you received
- any substantive information concerning the 38 5
- 6 Studios loan was at board meetings?
- A. That's my recollection, that I would have 7
- received documents as a board member and as 8
- 9 chairman of the board, as did most of the board
- members, ahead of time. That information was --10
- 11 what was used for purposes of deliberation in
- those board meetings, okay. I have no 12
- recollection of any information given to me 13
- separate from the board that was significantly 14
- 15 determinative or different than anything the board
- 16
- 17 Q. So, to be clear, you never saw any information
- relating to the 38 Studios transaction that was 18
- not also simultaneously provided to the other 19
- 20 board members; is that your testimony?
- A. You know, I cannot say -- this was four years 21
- ago, all right. I'm telling you that my mode of 22
- 23 operation was that anything to do with 38 Studios
- of any substance was information that the whole 24
- board should have, not just me and, therefore, it 25

- or the advisors or whatever, and that they would
- have the same information that was provided to me.
- 3 Q. And you thought it was important that the entire
- EDC board have any and all information that was
- provided to you; is that your testimony? 5
- 6 A. Yes.
- **7** Q. And why did you believe that to be important?
- 8 A. Because it was a board decision. This was
- 9 not my decision alone. I mean, this was a
- quasi-independent corporation. We went through 10
- 11 lots of pains to restructure the whole
- 12 corporation, created a whole new board, and as I
- said, I felt very pleased at the quality of the 13
- people we were able to attract, and I wanted to 14
- 15 make sure that they could do their job.
- These are people that sit on other boards and 16
- 17 that they were getting all the information that
- they needed to make an informed decision. 18
- 19 Q. Now, going back to the fact that you believed it
- 20 was important that the board get any information
- that you had, did you consider that you were --21
- had a fiduciary duty to the corporation, the EDC, 23 who was the plaintiff in this case, to make sure
- 24 that any information concerning the 38 Studios
- loan that came into your possession was fully 25

- 1 shared with all of the board, other board members?
- 2 A. No. What I'm saying is, generally, the
- 3 information I received was similar, okay, it came
- 4 from the staff, it came from the advisors or
- 5 whatever. And I, to my knowledge, did not get
- 6 information, you know, separate or different than
- 7 what was presented to the board. I just felt that
- 8 the board should have all the information that was
- 9 available
- 10 Q. A few questions back you testified that the way
- 11 you got your information concerning the 38 Studios
- 12 loan that would allow you to make an informed
- 13 decision was at board meetings. Are you now
- 14 saying there was ways in which you were getting
- 15 information concerning the --
- **16** A. No, I'm not.
- 17 Q. Let me finish -- the 38 Studios transaction other
- 18 than at board meetings?
- 19 A. No, I'm saying that the basis for my
- 20 decisions and my own and -- my own personal
- 21 conclusion on this deal was the information that
- 22 was provided at the board meetings to all of the
- 23 board members. Okay.
- 24 Q. Is it your -- is it your testimony that you never
- 25 received any information, I say you, as Governor

- 1 experience and expertise in matters relating to
- 2 public finance of all your cabinet members?
- 3 A. Yes, I would say that.
- 4 Q. Now, going back to your -- a couple of questions
- 5 ago you said that you would want to make sure that
- 6 if you got any substantive information relating to
- 7 the 38 Studios loan transaction that you would
- 8 want to make sure that the other board members had
- 9 that, correct?
- 10 A. Yes, substantive related to the transaction,
- 11 the due diligence and all of those factors leading
- 12 up to it.
- 13 O. Now --
- MR. HOLT: Max, I want you to know I
- 15 brought you a copy today.
- 16 MR. WISTOW: Bless you.
- 17 Q. Governor, maybe you can take a look at what's been
- marked in an earlier deposition, actually this was
- 19 marked in the deposition of Andrew Hodgkin. You
- 20 know Mr. Hodgkin, do you not?
- 21 A. Yes, I do.
- 22 Q. Why don't you tell the court and jury who
- 23 Mr. Hodgkin is?
- 24 A. He was my chief of staff.
- 25 Q. You appointed Mr. Hodgkin as your chief of staff?

Page 18

Page 20

- and ex-officio chair of the EDC board, at a point
- 2 in time where that same information was not being
- 3 shared with all of the other board members?
- 4 A. No. There were people that had opinions,
- 5 okay. For example, it will probably come up
- 6 somewhere in the conversation today, Rosemary
- 7 Gallogly, who was somebody I had and still have
- 8 a -- great faith and confidence in, and I made her
- 9 director of administration for the state and
- 10 considered her very capable. You know, I asked
- 11 her opinion, frankly, and she gave me some of her
- 12 thoughts, but just as an outsider, somebody who
- was, you know, financially astute but also
- 14 concerned.
- She had no input, she had no advantage (sic)
- 16 of the board meetings, and all the information,
- 17 but I had a conversation and she, I think, you
- 18 know, sent me, you know, a note voicing some
- 19 concerns.
- 20 Q. Well, let's go back to Rosemary Gallogly. You
- 21 said you hold her in high esteem?
- 22 A. I do.
- 23 Q. Would it be fair to say that at least while you
- 24 served as Governor for eight years that Rosemary
- 25 Gallogly was probably the person with the most

- 1 A. Yes, I did.
- 2 Q. What qualifications did you consider that
- 3 Mr. Hodgkin had that would have merited you
- 4 appointing him as your chief of staff?
- 5 A. Known him a long time. He was a legal
- 6 counsel for me in the office and, you know, I had
- 7 a lot of respect and trust in him.
- 8 Q. And do you have any reason to believe that
- 9 Mr. Hodgkin would have ever concealed from you in
- 10 calendar year 2010 any substantive information
- 11 relating to the 38 Studios transaction?
- **12** A. No.
- 13 Q. So can we safely say, then, to the extent that any
- 14 substantive information relating to the 38 Studios
- 15 transaction that came to Mr. Hodgkin's attention,
- 16 that he would have brought it to your attention in
- **17** turn?
- 18 MR. WISTOW: Objection.
- 19 A. You'll have to ask him that, but I don't --
- 20 he makes -- there's lots of information that flows
- 21 into a Governor's office all day long from lots of
- different sources. The chief of staff and deputymake decisions in terms of what they think I
- 24 should review and see. So I can't -- you'll have
- to ask him whether he passed that information --

Page 21

- 1 Q. Let's take a look at what's been marked for
- 2 identification purposes as Exhibit 354. Do you
- 3 have that in front of you, sir?
- 4 A. Yes.
- 5 Q. Okay. And this is a document comprised of the
- 6 pages with Bates stamp numbers APS002403 through
- 7 and including APS002415. Do you have that in
- 8 front of you, sir?
- 9 A. Yes, I do.
- 10 Q. Now, this -- this on its face is an e-mail from
- 11 Rob Stolzman. Can you tell the court and jury who
- 12 Rob Stolzman is?
- 13 A. He was the legal counsel for EDC from the
- 14 firm of Adler, Pollock & Sheehan.
- 15 Q. This is addressed to ahodgkin@gov.state.us, is it
- **16** not?
- **17** A. I'm trying to find that on here.
- MR. WISTOW: Third line.
- MR. HOLT: Third line down, Governor.
- 20 A. Yes, okay.
- **21** Q. This date is April?
- 22 A. The print is small.
- MR. HOLT: I have the same problem.
- **24** Q. Have you found that?
- 25 A. Yes.

- 1 Q. Now, moving down the body of this e-mail, it says,
- 2 "Hi, Andy. Keith asked that I forward to you the
- 3 drafts of the attached documents." Did I read
- 4 that correctly?
- 5 A. Yes.
- 6 Q. And the Andy, I assume is Andy Hodgkin, right?
- **7** A. I assume that.
- 8 Q. And Keith is Keith Stokes, right?
- **9** A. I believe that.
- 10 Q. Now, this then has -- if we go down to the second
- 11 from the last line which begins with the words,
- "Exciting opportunity"; do you see that?
- 13 A. Yes.
- 14 Q. And that refers to the potential for the 38
- 15 Studios moving to Rhode Island, does it not?
- **16** A. I assume so.
- 17 Q. And then the e-mail from Mr. Stolzman to your
- 18 chief of staff, Mr. Hodgkin, goes on to state,
- 19 quote, "I want to thank you and the Governor for
- 20 allowing me the opportunity to participate in it
- 21 on behalf of the RIEDC." Did I read that
- 22 correctly?
- 23 A. Yes.
- 24 Q. Now, as you sit here today, what do you understand
- 25 those words to mean?

Page 22

- 1 Q. Okay. And this is dated Thursday, April 1, 2010,
- 2 is it not?
- 3 A. Yes.
- 4 Q. And this e-mail address is Mr. Hodgkin's at the
- 5 Governor's office, is it not?
- 6 A. Yes.
- 7 Q. Now, this subject matter here, can you read what
- 8 the subject matter is aloud, please?
- 9 THE WITNESS: Where is it?
- MR. WISTOW: Fifth line down.
- 11 A. RIEDC 38 Studios.
- 12 Q. Above that it has Keith Stokes' name, right?
- 13 A. Yes.
- 14 Q. Mr. Stokes was executive director of the EDC
- during 2010, the time when the 38 Studios loan was
- 16 made, right?
- 17 A. Correct.
- 18 Q. And you had nominated Mr. Stokes to be the
- 19 executive director, had you not?
- 20 A. Yes, I did.
- 21 Q. And you had selected him; is that right?
- 22 A. Yes
- 23 Q. Did you consider him to be qualified to have that
- 24 position?
- 25 A. Yes.

- **1** A. I have no idea.
- 2 Q. It would appear he's thanking both Andy and you
- 3 for allowing him to become involved in that 38
- 4 Studios loan transaction, correct?
- 5 A. I have no idea. Sounds gratuitous. He's the
- 6 counsel for EDC, so, you know, why he has to thank
- 7 me, I don't know --
- 8 Q. Let's -- this e-mail also indicates that -- refers
- 9 to attached documents. And it says that the
- 10 documents in this e-mail, Exhibit 354, say, "They
- 11 include a draft memo from Keith to the Governor,
- 12 that is a very brief background and summary of the
- 13 proposed transaction in development of studios in
- 14 RI, a draft letter of intent between 38 Studios
- and the RIEDC further outlining some basic terms
- and a draft, 'Kushner,' authorizing the RIEDC to
- 17 guarantee 38 Studios' debt." Did I read that
- 18 correctly?
- **19** A. Yes
- 20 Q. It then goes on to say, "At the suggestion of
- 21 House Finance Chairman Costantino, the Kushner
- 22 draft reflects a larger authorization for this as
- 23 a Job Creation Guaranty Program." Did I read that
- **24** correctly?
- 25 A. Yes.

Page 25

- 1 Q. Now, let's go to the first attachment.
- Incidentally, I did question Mr. Hodgkin on --
- concerning this Exhibit 354, and Mr. Hodgkin 3
- testified as follows: "In the ordinary course he,"
- referring to you, "would have had a copy of this 5
- e-mail made and given to him." So, in other 6
- words, Mr. Hodgkin felt in the ordinary course he
- would have given you this e-mail and attachments. 8
- 9 Do you have any reason to believe that that's not
- the case? 10
- MR. DeSISTO: Objection. Go ahead. 11
- 12 A. I don't recall, okay. It's very possible,
- but I don't, you know, recall that.
- 14 Q. Mr. Hodgkin indicated that in the ordinary course
- he would have given you this information.
- MR. WISTOW: Is that a question? 16
- 17 Q. Does that accord with your understanding of how it
- would have worked, at least with respect to the 38
- Studios loan transaction? 19
- 20 A. Not necessarily. I don't know. I mean,
- 21 there's lots of information that flows, lots of
- documents. I don't see them all, okay. And I 22
- 23 don't know whether this came to me or not. You
- know, I'm not disputing if he said he sent it to 24
- me. All I'm saying is I don't recall it.

- something else, and I suggested he talk to our
- EDC. But that's the last I heard of it until then 2
- it surfaced that, yes, they had been talking, and
- 4 there may be a possibility here, and that's when
- 5 the process started to unfold and the board
- process followed from that.
- 7 Q. Now, you're referring to a March 6, 2010
- fund-raiser for the Rhode Island PBS Foundation
- that was --
- 10 A. I think that's what it was, at Schilling's
- house. 11
- 12 Q. That was at a private residence in Massachusetts,
- 13 right?
- 14 A. Right.
- 15 Q. And you went to that?
- 16 A. Yes. I contributed to the fund-raiser for
- the PBS. They're doing a documentary on the
- Bandera Brothers follow-on.
- 19 Q. We're going to come back to that in a minute.
- Let's go back to Exhibit 357 (sic) if we might. 20
- 21 Let's go to the --
- 22 THE WITNESS: 357 or 354?
- 23 MR. HOLT: 354, I'm sorry, Governor.
- Thank you.
- 25 Q. Let's go to the second page of 354. Do you have

Page 26

- that in front of you?
- THE WITNESS: 2404? 2
- 3 Q. Yes, sir, that's APS002404. Do you have that in
- front of you?
- 5 A. Yes, I do.
- 6 Q. I'm going to ask you just to take a few moments
- and read that, please.
- 8 (PAUSE)
- 9 THE WITNESS: Is that the end of it,
- 10 245.
- MR. HOLT: Yes, APS 2404 to 05. 11
- 12 Q. Have you had an opportunity to read that document
- 13 to yourself?
- 14 A. Just now, yes.
- 15 Q. And can you tell the court and jury what that is?
- THE WITNESS: I'm sorry? 16
- 17 Q. Can you tell us what is -- this document that
- you've just looked at?
- 19 A. It's a briefing from Keith Stokes that they
- 20 have had discussions with 38 Studios, and in his
- judgment they're in the makings of a potential 21
- deal here that could be beneficial to the state.
- 23 Q. This on its face is in bold capital letters on the
- 24 top, it says Memorandum, does it not?
- 25 A. Yes.

MR. WISTOW: He didn't say he sent it

to you, he said in the ordinary course he expected

3 he would.

1

- 4 Q. You have no reason to disagree with Mr. Hodgkin's
- assessment that in the ordinary course --
- 6 A. No. I would say that that's generally -- if
- he thought it was something important that I
- should see, then he would forward it to me, yes. 8

10 Q. As of April 1, 2010, how many \$75 million loan

- That would be the normal ordinary course.
- transactions were being considered by anybody at
- **12** EDC?

- 13 A. Well, there were none.
- **14** Q. There were none?
- 15 A. No. I mean, when you say EDC, you're talking
- about the board?
- 17 Q. I'm talking about anyone at the EDC, staff?
- 18 A. EDC has constant conversations, okay, with
- potential people that are locating here, et 19
- 20 cetera. They have a number of discussions at any
- time. All right. But I don't consider it, if you 21
- will, ripe until it's gotten to the point where 22
- it's serious enough that it comes to the board. And so there were discussions when I had met --
- been to Schilling's house for a fund-raiser for

- 1 Q. Who -- is that memorandum from Mr. Stokes dated
- 2 April 1, 2010 addressed to you?
- 3 A. It's addressed to me.
- 4 Q. Does it appear that any other board members of the
- 5 EDC have received a copy of that?
- 6 A. No. No. By the way, not necessarily would
- 7 they. There are often discussions -- I talked
- 8 about, you know, United Natural Foods we got to
- 9 locate here from Connecticut. They would have
- 10 discussions, okay, that I would be briefed about
- 11 before, since I'm chairman of the board, and then
- 12 the question is is this substantive enough, with
- 13 enough meat that it should come to the board. And
- 14 I took this to be the same situation.
- So I'm presuming, I don't recollect
- 16 completely, but I'm presuming following from this
- 17 was, you know, the whole process that begun at the
- 18 board level to present this transaction.
- 19 Q. Well, let's confine our attention for the moment
- 20 to this Exhibit 354, Pages 2404 to 2405. This is
- 21 only addressed to you and not to the entire board,
- 22 correct?
- 23 A. Yes.
- 24 Q. And it doesn't show any board members being carbon
- 25 copied, right?

- 1 in to the EDC or even perhaps your office, but
- 2 that they would not be brought to the attention of
- 3 the board until they were, I think you said
- 4 sufficiently substantive, or words to that effect?
- 5 A. Yeah.
- 6 Q. Do you recall --
- 7 A. Either, A, they require board approval or, B,
- 8 would be, in this case, 38 Studios was a
- 9 significant transaction, the largest, would have
- 10 been done by EDC and, therefore, needed a thorough
- 11 board vetting with all of the information. As I
- 12 look at, you know, the information in here, I
- 13 think it looks to me like much of the same
- 14 information that was subsequently presented at
- **15** board meetings.
- 16 Q. Okay. Now, you said when I look at this
- 17 information, you were gesturing towards the
- 18 memorandum that was addressed to you from
- 19 Mr. Stokes dated April 1, 2010, correct?
- 20 A. Yes.
- MR. WISTOW: Part of Exhibit 354.
- 22 Q. Exhibit 354. But at least as of April 1, 2010,
- 23 the information that Mr. Stokes was providing to
- 24 you in this memorandum had not been provided to
- 25 the entire board, had it?

Page 30 Page 32

- 1 A. No.
- 2 Q. Now, this memorandum to you is from Mr. Stokes,
- 3 the individual that you appointed as EDC executive
- 4 director, was part of an e-mail sent to
- 5 Mr. Hodgkin, correct?
- 6 A. Yes
- 7 Q. Now, why would Mr. Stokes send an e-mail addressed
- 8 to you -- I'm sorry, a memo addressed to you as
- 9 part of an e-mail to Mr. Hodgkin?
- 10 MR. WISTOW: Objection.
- 11 A. You'd have to ask him. It's not uncommon for
- 12 chief of staff, you know, to be the conduit, if
- 13 you will, for information coming into the
- 14 Governor's office.
- 15 Q. Okay. And Mr. Hodgkin would have played that
- **16** role?
- 17 A. Yes. In his absence, Jamia McDonald is the
- **18** deputy.
- 19 Q. Either Mr. Hodgkin or Ms. McDonald would be the
- 20 conduit for information coming into the Governor's
- 21 office to be brought to your attention, right?
- 22 A. Yes.
- 23 Q. Now, you indicated that -- you made a reference,
- 24 Governor, and I think I understand, but I want to
- make sure I do, that a lot of proposals would come

- 1 A. No, I don't believe so. But I don't think
- 2 that was uncommon, okay. In other words, I think
- 3 that normally when EDC was working on
- 4 transactions, you know, they would come to me at
- 5 some point with the broad outlines and say is this
- 6 something that looked like I could support.
- 7 And in a transaction of this size and this
- 8 complexity, it wouldn't be unusual at all before
- 9 we go to the full board -- if I said, I thought
- 10 that was hair brain crazy, don't do it, then it
- 11 didn't go to the board. So, you know, I think
- that was, you know, understandable.
- 13 Q. So, then we can agree that at least as of April 1,
- 14 2010, you had in your possession information
- relating to the 38 Studios loan that had not been
- **16** presented at a board meeting, correct?
- 17 A. Yeah. I had information that was an
- 18 assessment done by Keith and the EDC apparently
- 19 that they thought that the 38 Studios transaction,
- 20 or possibility of our being able to get them to
- 21 relocate here, which was consistent with the whole
- 22 strategy we had had for jobs of this type in the
- 23 city and in the state. And that he, apparently,
- he and the team, had had conversations around what
- they were going to require. And so, yeah, that's

7	not	1101101101	
	11()1	unusual	

- 2 Q. But again, this is information concerning the 38
- 3 Studios loan that you -- was sent to you outside
- 4 of a board meeting, right?
- 5 A. There was no proposal. This was not a
- 6 transaction before the board. This was a concept
- 7 in terms of what might be required here and is
- 8 this something I -- I think what Keith was looking
- 9 for from me, is this something I thought merited,
- 10 you know, further discussion and vetting with the
- 11 whole board.
- 12 Q. Going back to your use of the word "substantive,"
- 13 did you have in mind, at least in part when you
- 14 used that term, that there would be sufficient
- 15 financial details laid out to allow for an
- 16 informed and prudent decision regarding the
- **17** opportunity?
- 18 A. Yeah, absolutely. Yeah. It's a process that
- would unfold once the staff, with my concurrence,
- 20 that this is something that's worth pursuing, then
- 21 there's a whole process that unfolds, which is all
- 22 the due diligence process and the series of
- 23 meetings and all the evaluations that were done
- **24** and --
- 25 Q. So once you received this April 1, 2010 memorandum

- 1 then, you know, I probably indicated to him, I'm
- 2 sure, I must have said, yeah, let's go forward,
- 3 let's get it shaped up and presented to the board,
- 4 and let's go through the process.
- 5 Q. But without your concurrence, I take it,
- 6 Mr. Stokes would not have proceeded to take any
- 7 further steps after April 1, 2010; is that fair to
- 8 say?

- 9 MR. WISTOW: Objection.
- 10 Q. If you had said no --
- 11 A. If I said to him, no, look, this is crazy,
- 12 forget it, there's no way I'm even going to bring
- 13 it to the board, because I can't support this.
- 14 Yeah, he wouldn't, I presume. I'm always
- **15** surprised but --
- MR. WISTOW: I guess that's the
- 17 point.
- **18** Q. Now, let's go back to the -- this concept of
- 19 substantive or substantive -- let's go down to the
- 20 second paragraph of Exhibit 354, the -- Stokes
- 21 memorandum addressed specifically to you dated
- **22** April 1, 2010?
- 23 A. Yup.
- MR. DOLAN: Tom, let me interject
- 25 for the record I think this is also Plaintiff's

Page 34 Page 36

- 1 from Mr. Stokes, did you give Mr. Stokes the
- 2 approval to take the next steps?
- 3 A. I don't remember. I don't recall exactly,
- 4 but that would have been -- he wouldn't take it to
- 5 the board or begin the process if I hadn't said I
- 6 think it's something that we should vet before the
- 7 whole board.
- 8 Q. Okay. So would it be fair to say that Mr. Stokes
- 9 would not take any steps in furtherance of the 38
- 10 Studios' loan transaction unless, to use your
- 11 words, he had your concurrence; is that fair to
- **12** say?
- 13 A. Well, I think that's too much of a statement.
- 14 There were conversations, I'm sure, he had. He's
- 15 looking for structuring a deal. I don't get into
- all of that detail. So he's not vetting with me
- **17** beforehand all the elements of the transaction.
- 18 I'm saying in broad outlines, is this consistent
- with what we're trying to accomplish from an
- 20 economic development standpoint. You know, is it21 something that looks like it could be a really
- 22 positive thing for the state in terms of jobs,
- 23 high-paying jobs in an area that seemed to be a
- 24 growing area
- 25 So with that screen on it, all right, and

- 1 Exhibit 40 and has been the subject of prior
- 2 questioning. I just wanted the record to reflect
- 3 that.
- 4 MR. HOLT: Thank you. That's noted,
- 5 and I will continue to refer to this as 354 for
- 6 today's purposes, but recognizing your comment.
- 7 Thank you.
- 8 THE WITNESS: Which paragraph?
- 9 MR. HOLT: The second full paragraph
- **10** on Page 1.
- 11 THE WITNESS: "The company currently
- **12** has"?
- 13 Q. Yes. So, what's the gist of that paragraph?
- MR. WISTOW: Objection.
- **15** A. Well, I -- my interpretation in reading it
- 16 it's what the status is of the company right now,
- 17 the employees they have in Massachusetts and
- 18 Baltimore, what they foresee as the move to Rhode
- 19 Island, how many would come, and as they ramped up
- 20 over time, the additional employees that would be
- 21 hired.
- 22 Q. So this spells out that the company would commit
- 23 to bringing 125 new employees to Rhode Island,
- 24 right --
- MR. WISTOW: By December 31st.

1 O by December 31	20102

- 2 A. Yes.
- 3 Q. It also speaks to an additional 175 by the end of
- **4** 2011, right?
- 5 A. Yes.
- 6 Q. And an additional 150 by the end of 2012, for a
- 7 total of 450 employees, right?
- 8 A. Yes.
- 9 Q. So, this is a discussion of number of employees
- who would ultimately be located in Rhode Island,
- 11 if in fact the 38 Studios got the loan from the
- 12 EDC, right?
- 13 A. Yes. Their plan for development, their plan
- 14 for growth and all of that. And we obviously were
- 15 interested in doing it to relocate all those jobs
- and that business here to Rhode Island.
- 17 Q. It then goes on to talk about, in the third
- 18 paragraph, "The company is a video game and
- 19 digital media content design and production
- 20 company that is developing a game product which
- 21 will be released in two stages." Do you see that?
- 22 A. Yes.
- 23 Q. And that then goes on to discuss specific games,
- 24 does it not, it talks about a first stage which is
- 25 commonly called a role-playing game for single

1 A. Yes.

Page 37

- 2 Q. And it then goes on to say, EA's investment to
- 3 bring the RPG to market is valued at \$50 million";
- 4 do you see that?
- 5 A. Yes.
- 6 Q. It then if we go down to the -- a couple of lines
- 7 down, it says, "38 Studios conservatively
- 8 estimates gross revenues on the first phase of the
- 9 game at approximately \$450 million through 2015";
- 10 do you see that?
- 11 A. Yes.
- 12 Q. It then discusses the MMOG, which is the massively
- 13 multi-player online game phase; do you see that?
- 14 A. Yes.
- 15 Q. And that goes into discussions of estimated
- 16 revenues, right?
- 17 A. Right.
- **18** Q. Where did Mr. Stokes get this information from?
- 19 A. You'd have to -- I have no idea. You'd have
- 20 to ask him.
- 21 Q. Prior to April 1, 2010 did you have any
- 22 discussions with Mr. Stokes whatsoever concerning
- 23 the 38 Studios opportunity?
- 24 A. Well, I think when I came back from that
- 25 meeting, the fund-raiser that was at Schilling's

Page 38 Page 40

- 1 player on multi-platform console; did I read that
- 2 correctly?
- 3 A. Yes.
- 4 Q. And that was then defined as RPG, right?
- 5 A. Yes.
- 6 Q. Then it goes on to talk about software, it being
- 7 sold to customers and played on consoles, right?
- 8 A. Yes.
- 9 Q. It then talks about a second phase or what's been
- used in this litigation as a second game of a
- 11 product called a, quote, "massively multi-player
- online game, MMOG"; do you see that?
- 13 A. Yes.
- 14 Q. So that is spelling out what, at least a
- 15 description of what the company's, at that point,
- 16 two products were?
- 17 A. The strategies were -- what the projects
- were, what they were trying to do, yes.
- 19 Q. The fourth paragraph then goes into a discussion
- of the RPG phase of the game, does it not, it
- 21 begins with, "The RPG." Do you have that in front
- **22** of you?
- 23 A. Yes.
- 24 Q. Now, it then talks about EA, being Electronic
- 25 Arts, right?

- 1 house for PBS, and the sequel to the Bandera
- 2 Brothers, as part of when I was talking with
- 3 Schilling, I said, what are you doing? And he
- 4 described this business, and that he had a game
- 5 company that he had I guess acquired or started in
- 6 Baltimore and he had -- and what he was doing in
- 7 Massachusetts, and said that he was very excited,
- 8 thought that there were terrific prospects. Had
- 9 been talking with Massachusetts, but frankly, you
- 10 know, wasn't that thrilled with the response he
- 11 got. I guess this was the end of the evening, and
- 12 I said, well, why don't you talk to our people,
- ${f 13}$ gave him Keith Stokes' name. And I believe when I
- 14 came back the next day, I might have called Keith
- 15 to make him aware and say, you know, Schilling's
- **16** got an interesting company that looks like it's
- growing, it looks like they're doing some thingsthat are in an area that we have talked about in
- 19 terms of digital media. And so I don't know
- 20 whether Keith called him or whether he called
- 21 Keith, but there were conversation like that
- 22 before.
- 23 Q. So, at that point, shortly after March 6, 2010,
- 24 the fund-raiser you referred to, you would have
 - authorized, then, Mr. Stokes to have conversations

- 1 with 38 Studios that --
- 2 A. I didn't have to authorize. I won't use the
- 3 word "authorize." Okay. I constantly am out and
- 4 talking to businesses and business people, that's
- 5 what I did when I was in office, and I always
- 6 liked to try and recruit businesses to come. We
- 7 got Yardney Electric to come from Connecticut to
- 8 East Greenwich. In the course of those, I might
- 9 have said, oh, by the way, Keith, you know, this
- 10 is an interesting company down here that's
- 11 expanding or this or that.
- It's not uncommon for me to say, I don't
- 13 know, it's just, you know, go take a look. It may
- 14 be nothing, or it may be, you know -- it may turn
- 15 out to be something. So that kind of a
- 16 conversation was not unusual for me to have with
- 17 the EDC, Keith's predecessor, and Mike McMahon
- 18 before that.
- **19** Q. So, based --
- 20 A. So it wasn't a question of my authorizing,
- 21 I'm just taking exception with your terminology
- 22 that I authorized him. He's got a job to do.
- 23 He's executive director of EDC. Their job is to
- 24 try and, you know, create jobs and get businesses,
- 25 keep them here, recruit, whatever it takes. So, I

- it's an area that we have, from a strategic
- 2 standpoint, focused on. We wanted to try and
- 3 encourage more digital media, RISD producing
- 4 students. Hasbro had built their studio. So the
- 5 whole thing felt like it would be a nice new area
- 6 for the state. Beyond that -- I'm talking about
- broad parameters, that's all. Then it's up to the
- 8 staff and the team to dig in and figuring out what
- **9** the transaction is and bring it to the board.
- 10 Q. As Governor of the State of Rhode Island and
- 11 chairman of the EDC board, what did you consider
- 12 your responsibilities were to validate any
- 13 financial information that was provided to you
- 14 concerning the 38 Studios loan?
- MR. WISTOW: I object to coupling the
- 16 Rhode Island and EDC chairman together.
- MR. HOLT: Objection noted.
- **18** A. I don't know if you sit on boards, okay.
- 19 When you sit on boards, and my role was, it's a
- 20 quasi-independent corporation, a very important
- 21 one, by the way, in terms of economical
- 22 development. So I was keenly interested in what
- 23 they were doing. I would never dig into the
- 24 details of -- that's what we have an executive
- 25 director, whole finance team and whole staff and

Page 42 Page 44

- 1 didn't micromanage what he did. I would pass
- 2 information along as I made contact with people.
- 3 It's up to him to pursue and then decide whether
- 4 it's something worth pursuing.
- 5 Q. You say that you would bring information to his
- 6 attention when you met people. So, would it be
- 7 fair to say that you brought the 38 Studios'
- 8 opportunity to Mr. Stokes' attention?
- 9 A. I thought I did, yes. You never know in this
- 10 who talked to whom. I thought I was -- I thought
- 11 I was the first one.
- 12 Q. So you believe you were the first one to have
- spoken to Mr. Stokes?
- 14 A. That's what I believed at the time.
- **15** Q. That's what you believe?
- MR. WISTOW: Let him finish.
- 17 A. That's what I believed. You know, I met Curt
- 18 Schilling once before at a fund-raiser in his
- 19 Reactive ALS -- just said hello, shake hands, et
- 20 cetera. And I believed that I was giving Keith a
- 21 lead on a potential, you know, company relocating
- 22 or potential company that we should look at,
- 23 that's all. I mean, I had no idea about their
- 24 finances. I knew nothing. All I knew is he's got
- a business, he's excited about the growth. In

- 1 advisors in place to do. You know, that's -- we
- 2 got -- in my judgment, we had an outstanding
- 3 board. But any board is dependent upon the
- 4 information being presented to them.
- 5 Q. Let's go back to --
- 6 MR. DeSISTO: Are you done?
- 7 THE WITNESS: Yeah.
- 8 Q. Let's go back to Exhibit 354, the memorandum from
- 9 Mr. Stokes to you. In fact, this is a memorandum,
- 10 again, as I say, from Stokes to you, Governor,
- 11 dated April 1, 2010, which is providing you with
- 12 pretty specific information concerning the
- 13 potential 38 Studios loan opportunity, is it not?
- 14 A. Yeah. I would view this as Keith trying to
- 15 sort of tell me that he thinks this is a good idea
- and give me enough information so that will elicit
- 17 whether I think this is a good idea to pursue and
- 18 nothing beyond that. I don't know -- I'm not
- 19 going to make a decision based on this memo.
- 20 There is a whole process that then unfolded with
- 21 lots of presentations. All right. Your firm made
- **22** a presentation.
- MR. HOLT: Actually, my firm is K & L
- **24** Gates, we did not make a presentation.
- 25 A. Your client made a presentation. There are

- 1 lots of presentations made over the course of
- 2 several months when the board was -- we had two
- 3 special board meetings dedicated to nothing but 38
- 4 Studios, with presentations made by outside
- 5 experts, not just our own team, outside experts.
- 6 That's the basis on which the board concluded that
- 7 this was a transaction we're supporting.
- 8 Q. Going back to my question. This document, Exhibit
- **9** 354, on Pages APS002404, 2405, this is the
- 10 executive director of EDC, whom you nominated,
- 11 providing you with information concerning the
- 12 contemplated 38 Studios opportunity, is it not?
- MR. WISTOW: He's already answered
- **14** that yes.
- 15 A. Yes.
- 16 Q. This information relates to such things not only
- 17 as the number of employees, not only relating to a
- 18 relationship between 38 Studios and Electronic
- 19 Arts, but it also goes into some relatively
- 20 specific information concerning dollar amounts
- 21 that 38 Studios would be requiring, does it not,
- 22 on the bottom paragraph?
- 23 A. Yes. So, I'm presuming he had conversations
- 24 with 38 Studios, which I would have expected him
- 25 to do, and this is his summary, you know, and

- 1 increased to, I think, globally, if I read a bio
- 2 of yours, \$30 million; does that ring a bell?
- 3 A. It's off by a digit.
- **4** Q. 30 million?
- 5 A. 3 billion. I wish it had been 30.
- 6 Q. If I had been good at math, I would have been a
- 7 doctor. So \$3 billion?
- 8 A. Yes.
- **9** Q. And you were the CEO of that company. Now in the
- 10 course of your extensive and impressive business
- 11 career, did you ever hear of the term letter of
- 12 intent used in connection with any business
- 13 transaction?
- 14 A. Yes.
- 15 Q. And what do you understand the term letter of
- 16 intent to mean as a former banker and former CEO
- 17 of a \$3 billion company to mean?
- **18** A. Well, an outline of a potential transaction
- 19 and intent to proceed in good faith negotiations
- 20 to a transaction. That's it.
- 21 Q. In your experience, at what point in discussions
- 22 between two parties, let's say a lender and a
- 23 borrower, does it come -- when a letter of intent
- 24 would be drafted generally based on your
- 25 experience?

Page 46 Page 48

- 1 trying to really convey to me that in his judgment
- 2 this looks like a transaction that, you know, we
- 3 should really investigate.
- 4 Q. Let's go to Page 2406, the next page, and that is
- 5 I think referred to in the e-mail to your chief of
- 6 staff, Mr. Hodgkin, from Mr. Stolzman as being a
- 7 draft letter of intent. Do you have that in front
- 8 of you?
- 9 A. Yes.
- 10 Q. Now, before we get into questions relating
- 11 specifically to Exhibit 354, Pages 2406 through
- 12 and including 2410, before you became Governor of
- 13 Rhode Island, you had been employed at the Old
- 14 Stone Bank, right?
- 15 A. Correct.
- 16 Q. And you were one of three vice presidents
- 17 reporting to Ted Barnes; isn't that right?
- 18 A. Correct.
- 19 Q. And you had served on the credit committee at Old
- 20 Stone Bank, right?
- 21 A. Correct.
- 22 Q. And then subsequently you became the CEO of
- 23 Cookson America here in Rhode Island, right?
- 24 A. Yes
- 25 Q. And while you were there, that company's revenues

- 1 MR. WISTOW: Objection.
- 2 A. Well, after there had been enough substantive
- 3 discussion, so that you could pin down, you know,
- 4 the parameters of a transaction. Okay. Nothing
- 5 is agreed, nothing is finalized, it's just the
- 6 outlines of a transaction potentially.
- 7 Q. What did you mean by the term substantive
- 8 parameters?
- **9** THE WITNESS: In what regard?
- MR. HOLT: In regard to your answer.
- 11 You just gave an answer.
- THE WITNESS: What did I just say?
- MR. WISTOW: Maybe we should have it
- 14 read back.
- MR. HOLT: Why don't you read back
- 16 the question, prior question and answer.
- 17 (LAST QUESTION AND ANSWER READ)
- 18 THE WITNESS: What's the question?
- **19** Q. The question is what did you mean in answer to my
- 20 last question when you said that a letter of
- 21 intent might be drafted after you've had enough
- 22 substantive discussion to understand, I think you
- 23 referred to the parameters of the deal; what did
- 24 you mean by those words?
- **25** A. Well, I think it's pretty straightforward.

- 1 You know, you want enough substance so that you
- 2 got the outlines of what it is, as opposed to, you
- 3 know, no substance whatsoever. So, you know,
- 4 there has to be some elements of substance. I
- 5 don't know a better word for it. Okay.
- 6 Q. And so would it be fair to say in your experience
- 7 that letters of intent would not be drafted until
- 8 enough information has been provided to the
- 9 individual or party drafting the letter of intent
- 10 to actually, you know, accurately set forth at
- 11 least what the substance of the prior discussions
- 12 had been between the parties; is that fair to say?
- MR. WISTOW: Objection.
- **14** A. Yeah, I think it's outlining the parameters
- of a transaction, okay; that's what it did, and
- 16 it's a draft.
- 17 Q. Let's go back to Exhibit 354, Pages 2406 through
- 18 2410. This is -- appears to be a draft of a
- 19 letter of intent, does it not?
- 20 A. Yes.
- 21 Q. And this is the draft letter of intent that
- 22 Mr. Stolzman indicates that he had prepared, and
- he references in his April 1, 2010 e-mail to Andy
- 24 Hodgkin, right?
- 25 A. Yes.

- 1 guess?
- 2 Q. Who would you have assumed would have authorized
- 3 Mr. Stolzman to proceed?
- 4 MR. DeSISTO: Objection.
- 5 MR. WISTOW: Objection. Objection.
- 6 A. Well, I would assume that the executive
- 7 director, Keith Stokes, would have authorized him
- 8 because it's EDC that's paying the bills to go
- 9 ahead and, you know, draft something. But I don't
- 10 know that for fact.
- 11 Q. Why did -- do you have any idea why Mr. Stolzman
- would have sent you a draft of this letter of
- 13 intent?
- 14 MR. WISTOW: Objection.
- **15** A. No, I don't.
- 16 Q. Do you think it was because you were serving as
- 17 chairman of the EDC board?
- 18 MR. WISTOW: Objection.
- 19 A. Again, I don't. It would be pure conjecture.
- 20 Again, you'd have to ask him why. I believe
- 21 probably following on this is when we commenced
- 22 the process of the board review because -- but you
- 23 know, why he put me in the loop on this, I don't
- **24** know.
- **25** Q. It's your testimony you have no idea why

Page 50 Page 52

- 1 Q. Now, who authorized Mr. Stolzman to draft this
- 2 letter of intent?
- 3 A. I have no idea.
- 4 Q. Well -- you have no idea?
- 5 A. No.
- 6 Q. Okay. Let's --
- 7 A. You'll have to ask him who authorized him to
- 8 do it.
- 9 Q. Okay. And this was, again, part of the documents
- that were sent to your chief of staff on April 1,
- **11** 2010, right?
- 12 A. Yes.
- 13 Q. Now, let's --
- 14 A. Sorry, I'm nodding. Yeses or nos.
- 15 Q. Do you recall having seen this in around April
- **16** 2010?
- 17 A. No, I don't recall.
- 18 Q. You have no idea who would have authorized
- **19** Mr. Stolzman to draft this?
- MR. WISTOW: He said that.
- 21 A. No, I don't know who did. You asked me
- 22 specifically who authorized him. I said I don't
- 23 know who authorized him, and I wouldn't
- 24 necessarily, you know.
- MR. WISTOW: Do you want him to

- 1 Mr. Stolzman would have put you in the loop on
- 2 this?
- 3 MR. WISTOW: Objection.
- 4 A. Not on the draft, okay. It's pretty clear
- 5 why Keith would have sent me the memo, I said
- 6 that. Why they would put the draft of a letter of
- 7 intent or concept to me, no. I mean, it's not my
- 8 decision, okay. My decision is as to whether this9 is a matter that should be -- it should come
- 10 before the full board.
- 11 Q. That would have been your decision?
- 12 A. Well, yes.
- 13 Q. And this type of information would have been the
- 14 type of information that you would have considered
- 15 in determining whether or not to bring this before
- 16 the full board; is that your testimony?
- 17 A. Not -- no, not the draft letter of intent. I
- 18 don't even recall seeing that, okay. The
- 19 briefing, that I take this as a briefing, APS 24
- and 05, I take that to be sort of a briefing from
- 21 Keith based on conversations he and whoever else
- 22 have had, that this -- there's a potential
- 23 transaction that he thinks we should look at and
- 24 is basically giving me enough information to
- 25 decide whether or not we should.

- 1 Q. Now, judging from this letter of intent, which is
- **2** at 2406 to 2410, Exhibit 354, would it be fair to
- 3 say that this contains a number of substantive
- 4 financial terms and conditions relating to a
- 5 potential \$75 million loan from EDC to 38 Studios?
- 6 A. Yes. Yeah, it would look to me that they had
- 7 discussions. Who the they is, I don't know but
- 8 Stolzman -- Rob has drafted this, so somebody had
- 9 had enough discussions about what their needs
- were, what their plans were, and what we might be
- 11 able to structure. But by the way, nothing has
- 12 gone before the board. There were no approvals,
- 13 there is not even a tacit approval on anything.
- 14 This is conversation going on between the staff
- and a potential, you know, company that
- 16 transaction, and a company we're trying to locate,
- 17 relocate to Rhode Island.
- 18 Q. Okay. Going back to what you referred to as a
- 19 briefing memorandum that's the memo from you to
- 20 Stokes dated April 1, 2010. Is the information in
- 21 that briefing memorandum, APS 2404 to 2405, the
- 22 type of information that you believed ultimately
- 23 should be brought to the board's attention to
- 24 allow them to make an informed decision as to
- 25 whether or not to approve a deal?

- 1 know exactly.
- 2 Q. Do you -- did you ever -- I know the board members
- 3 have testified about this topic. Do you recall
- 4 reaching an understanding that Wells Fargo had
- 5 been advising 38 Studios in connection with
- 6 so-called equity PPM to raise funds for 38
- **7** Studios?
- 8 A. You know, I can honestly say I don't remember
- 9 the exact context. I remember Wells Fargo's name
- 10 coming up in the context of 38 Studios, but
- 11 exactly what, you know, the firm you're
- 12 representing was doing, I just don't remember.
- 13 Don't recall.
- 14 Q. Let's go back to the briefing memorandum. The
- 15 first sentence of that memorandum is addressed to
- 16 you and, again, it's addressed to you, not Donald
- 17 Carcieri, Chairman of EDC. It's addressed to you,
- 18 Governor Donald L. Carcieri, is it not?
- **19** A. Yes.
- 20 Q. And can you read aloud for us, please, the first
- 21 sentence in the briefing memorandum that
- 22 Mr. Stokes sent to you on April 1, 2010?
- 23 A. It says, "Governor, as you know, we have been
- 24 meeting with Curt Schilling and his company, 38
- 25 Studios, regarding their potential relocation to

Page 54 Page 56

- 1 A. A lot more than this. The board process --
- 2 this is just, I take it, to be the outlines, okay,
- 3 you know, somebody's idea of what this company
- 4 could achieve, et cetera. But what the board
- 5 would need in order to make an informed decision
- 6 was much more than this, and that's the process
- 7 that unfolded. As I said, we had lots of outside
- advisors come in, including your client, madepresentations about the industry, about 38 Studios
- and, you know, it was a deliberative process,
- **11** so --
- 12 Q. By the way, when was the first time that you heard
- 13 of the name Wells Fargo mentioned in connection
- 14 with the 38 Studios transaction?
- 15 A. I don't recall. You know, probably in the
- 16 context of the team that was, you know -- but I
- 17 don't recall, it was at a board meeting, I
- 18 believe.
- 19 Q. Was it your understanding that Curt Schilling had,
- and I say Curt Schilling, his company, 38 Studios,
- 21 had retained Wells Fargo in an effort to do an
- equity raise in the capital markets?
- 23 A. I can't -- you know, I really cannot say
- 24 exactly that I recall that. I do recall Wells
- 25 Fargo's name coming up, but the context, I don't

- and expansion in Rhode Island."
- **2** Q. What do you understand those words to mean, as you
- 3 sit here today?
- **4** A. Exactly what it says.
- 5 MR. WISTOW: I object.
- **6** Q. What is it that -- let me try another question.
- 7 A. If you're going to say that, did I know he
- 8 was having conversations with 38 Studios, of
- 9 course, I assumed he was. I told him to -- I
- 10 didn't tell him to, but I gave him the lead when I
- 11 had come back thinking I was introducing a whole
- 12 new concept. So, you know, I presume, Tom, that
- 13 he was having conversations.
- 14 (DEFENDANTS' EXHIBIT 801
- 15 MARKED FOR IDENTIFICATION)
- 16 Q. Governor, I placed before you what has been marked
- 17 for identification purposes in your deposition as
- **18** Exhibit 801; do you have that?
- 19 A. Yes, I do.
- **20** Q. And can you tell the court and jury what that is?
- 21 A. Looks like a newspaper article Katherine
- 22 Gregg, Providence Journal dated June 2, 2014,
- 23 headlined, "Why did Fox and Murphy sign
- 24 nondisclosure agreements with 38 Studios?"
- 25 Q. Now, this article by Ms. Gregg of the Providence

Donald Carcieri July 31, 2014

1	Lournal	it states	that	Former	House	Maiority

- 2 Leader Fox had signed a non-disclosure agreement
- 3 on October 8, 2000" -- "2009," does it not?
- 4 A. Yes, it does.
- 5 Q. And it also indicates that the then House Speaker
- 6 Murphy also signed a nondisclosure?
- 7 MR. WISTOW: You mean former? You
- 8 mean former?
- 9 THE WITNESS: Then.
- 10 MR. WISTOW: You mean former.
- 11 THE WITNESS: I don't remember
- whether he was still Speaker in '09.
- 13 O. Let's just --
- 14 A. Do you want a technical --
- MR. HOLT: I understood.
- 16 A. -- technical verification.
- MR. HOLT: It's even difficult in
- 18 Massachusetts. We change them quite frequently.
- 19 (OFF THE RECORD)
- 20 Q. Without putting too fine a point on it, this
- 21 article, Exhibit 801, from the Providence Journal,
- which is dated June 2, 2014 suggests that House
- 23 Speaker Murphy and former -- and former -- now
- 24 certainly former House Majority Leader Fox, had
- 25 signed nondisclosure agreements with 38 Studios in

- 1 Q. Did you have any discussions with Speaker Fox at
- 2 any time prior to March 6, 2010 concerning 38
- 3 Studios?

Page 57

- 4 A. I don't believe -- no, I don't -- I thought I
- 5 was the one giving the lead, okay. I thought I
- 6 was the one that found, you know, 38 Studios as a
- 7 possible -- I had no idea there were other
- 8 conversations that preceded that, none whatsoever.
- 9 Q. Now, how was it that you came to attend a
- 10 fund-raiser at a private home in Massachusetts on
- **11** March 6, 2010?
- 12 A. I can't remember that. I remember -- it
- 13 keeps coming to me, Tim Gray. There was a --
- **14** Q. Tim Gray Communications?
- 15 A. There was a young man that worked, I think at
- 16 the time he was working in the treasurer's office,
- 17 okay, who was trying to raise money, trying to
- 18 help raise money for PBS for, as I said, this
- 19 Bandera Brothers sequel or some take-off on that.
- 20 And I was -- I can still picture it, I was leaving
- 21 the office, and he was coming down the stairs and
- 22 had an envelope, a manila folder, and said,
- 23 Governor, he said, I know you're a supporter of 38
- 24 Studios -- I mean, not 38 Studios -- of PBS, okay,
- and you know, he said that Schilling is a big

Page 58 Page 60

- 1 October 8, 2009, right?
- 2 A. Yes.
- 3 Q. It then it goes down further to reference you,
- 4 does it not, in that same article?
- 5 A. Yes.
- 6 Q. And that says, "At the fund-raiser," and I think
- 7 that's the fund-raiser we've been talking about
- 8 today?
- 9 A. Yes.
- 10 Q. "At Schilling's house on March 6, 2010, Carcieri
- 11 found himself chatting with the ex-baseball
- 12 star about" -- "the ex-baseball star about his
- 13 video game company." It quotes you as saying
- **14** that.
- 15 A. I don't either --
- 16 Q. "You should be right there in Providence, recalled
- 17 Carcieri in a 2010 interview. I wasn't thinking
- 18 anything would come of it." Did read it
- **19** correctly?
- 20 A. Yes.
- **21** Q. Is it your testimony under oath today the first
- 22 time you heard of 38 Studios was at Curt
- 23 Schilling's private residence in Medfield?
- 24 A. Absolutely. This was as much a surprise to
- 25 me as lots of people.

- 1 World War II guy and is having a fund-raiser and,
- 2 you know, it would be really wonderful if you
- 3 could attend that and support, you know, the
- 4 fund-raiser. I don't know if it was Tim Gray. I
- 5 told you I couldn't remember who it was. So
- 6 that's how --
- 7 (DEFENDANTS' EXHIBIT 803
- 8 MARKED FOR IDENTIFICATION)
- **9** Q. Now, we've marked as Exhibit 803, a document which
- 10 bears the Bates stamp OOG 10652 through and
- 11 including OOG 654. Do you have that in front of
- **12** you?
- 13 A. Yes. What I have is "Governor's Schedule,
- 14 March 6, 2010, EDC Board Strategy in the morning,"
- and on the backside, "Travel to Schilling
- 16 residence."
- 17 Q. Okay. So, let's go to Page 654.
- **18** A. I don't know what you're referring to, Tom.
- 19 All I have is in the front and back of this one.
- 20 Q. Well, you know what, it looks like we had, with
- 21 the double copying, we might not have gotten that.
- 22 THE VIDEOGRAPHER: Would you mind
- just taking one second so I can change tapes?MR. DeSISTO: Can we take a break?
- MR. HOLT: That's fine.

Page 61

- 1 THE VIDEOGRAPHER: This is the end of
- 2 Disk Number 1.
- 3 (RECESS)
- 4 THE VIDEOGRAPHER: We're back on the
- 5 record
- 6 Q. Now that we're back on the record, maybe some
- 7 quick housekeeping, and if I could ask the
- 8 Governor just to hand me back what's been marked
- 9 as Exhibit 803, which we previously identified as
- 10 being a document comprising OOG 10652 through OOG
- 11 654. It was missing the last page, so if I could
- 12 have the record reflect that we now have a
- 13 complete set of Exhibit 803 for identification.
- 14 (OFF THE RECORD)
- THE WITNESS: I was right, it was
- 16 Tim Gray.
- 17 Q. Directing your attention to Exhibit 803, your
- 18 memory was correct, this document appears to be
- 19 your schedule from Saturday, March 6, 2010, and it
- 20 does, I guess, reference Tim Gray, the individual
- 21 that you thought had caused you to be invited,
- 22 right?
- 23 A. Yes.
- 24 Q. Now, this was a Saturday, right --
- 25 A. Yes.

- 1 A. I would. We had scheduling meetings every
- 2 few days and, you know, I went over that with the
- 3 staff, and I would say certain things I would try
- 4 to get to, but no promises. Others I would commit
- 5 to being there.
- **6** Q. Now, how did you get to the Schilling private
- 7 residence, did you drive yourself in your own car?
- 8 A. No, I think the state trooper would have
- **9** driven me.
- 10 Q. I take it that as Governor you took --
- MR. WISTOW: Don't mention his name,
- 12 they're going to try to take his deposition.
- 13 Q. I take it that it was your practice to use your
- 14 official vehicle with your state trooper on
- 15 official state business, right?
- 16 A. Yes. You know, most of the time. In fact,
- 17 for security reasons, virtually any place that we
- went, you know, the troopers would insist that
- 19 they generally, you know, be in attendance.
- 20 Q. But did they drive you up there to this meeting?
- 21 A. I think so, yeah.
- 22 Q. And did you consider attendance at the Schilling
- 23 fund-raiser at his house in Massachusetts to be
- 24 official state business?
- 25 MR. WISTOW: Objection.

Page 62 Page 64

- 1 Q. -- schedule. Now, this was a fund-raiser you
- 2 referred to. Again, as we know it was at Curt and
- 3 Shonda Schilling's home in Medfield, Mass?
- 4 A. Yes.
- 5 Q. If we go to Page 10654, this has a 6 P.M. to 8
- 6 P.M., right?
- 7 A. Yes.
- 8 Q. And it shows you would be attending that
- 9 fund-raiser there during that time frame, right?
- 10 A. Yes.
- 11 O. Now, incidentally, do you recall -- you've had a
- 12 pretty good memory so far. Do you recall whether
- 13 you went to the other event that was on your
- 14 schedule here?
- 15 A. I don't. I don't think so. Generally, if it
- was in italysis (sic) -- italicized words like
- 17 that, it was more like, if you can make it.
- 18 Usually the ones in bold letters meant I said I
- 19 would be there. So, on that basis, I assume that
- 20 I did not.
- 21 Q. Okay. Well, who made the decision that you would
- 22 attend a party at a private residence in Medfield,
- 23 Massachusetts, but not go to an event in your own
- 24 hometown of East Greenwich, Rhode Island, on that
- 25 same night?

- 1 A. Well, PBS, RI PBS, I was, you know,
- supportive of them over the years. Used to go
- 3 on -- they had a number of programs that I went
- 4 on, and so I thought, you know, a fund-raiser for
- 5 them would be something that I would consider to
- 6 be -- you know, I wrote a personal check to the --
- 7 as a donation to the cause. So it's not that this
- 8 was all state expense.
- **9** Q. Do you have any idea why Curt Schilling would be
- 10 doing a fund-raiser for the Rhode Island PBS
- 11 Foundation, given the fact that he was in
- 12 Massachusetts and WGBH has a similar --
- MS. CONCANNON: Objection.
- 14 A. No, I don't know. Again, you'd have to ask
- 15 him. From what I observed, he was a military
- 16 history buff, had a lot of collections. In fact,
- 17 the Bandera Brothers, if I recall, that evening he
- 18 had flown in two of the actual members of that
- 19 group that were in their late 80s, I think one was
- 20 in their 90s, that actually came in for the
- 21 evening and spoke. And so I think how he got
- 22 connected to RI PBS, I don't know, but he was
- 23 supportive of documentaries like that about World
- 24 War II, in particular. Why he did, I don't know.
- 25 Q. You mentioned that you think now that Mr. Gray

1	handed vo	ou a file	folder	with an	envelope	in it

- with the invitation to this March 6th fund-raiser,
- 3 right?
- 4 A. Yeah. Or I could have said, give it to the
- 5 scheduling people, which is what I often did. But
- 6 I remember seeing something about a date and a
- 7 time.
- 8 Q. And is it consistent with your recollection that
- 9 Tim Gray, at least as of March 6, 2010, was
- 10 providing certain PR services to Frank Caprio as
- 11 treasurer?
- **12** A. I thought he worked for him. I didn't know.
- 13 There was some association with, you know, the
- 14 treasurer's office that I understood, but that's
- **15** all.
- 16 Q. I guess --
- 17 A. By the way, he was -- I think he was actually
- 18 trying to help PBS do the fund-raising and
- 19 actually maybe do some of the work to produce this
- 20 documentary, was my understanding.
- 21 Q. I'm trying, just trying to get at your motivation
- 22 for going on a Saturday night in March, driving up
- 23 to Medfield, Massachusetts to a fund-raiser. Was
- 24 it personal interest?
- 25 A. I did a lot of that. I did a lot of that.

- 1 MR. WISTOW: Referring to exhibit --
- 2 what number is that?

- 3 THE WITNESS: 801.
- **4** A. So, that was completely unknown to me, Tom.
- 5 Q. Well, let's go to Exhibit 801, and maybe you can
- 6 take a moment there to take -- to look at that.
- 7 Does anything in Exhibit 801, the Stanton article
- 8 dated June 2nd, 2014, indicate that --
- **9** A. I'm sorry, this is a Katherine Gregg article.
- 10 Q. I'm sorry, Katherine Gregg. Is there anything in
- 11 Exhibit 801, the Gregg article, that states that
- 12 anyone had contacted Keith Stokes with the 38
- 13 Studios opportunity before March 6, 2010? Does it
- **14** say that anywhere?
- 15 A. I don't know. I've got to read it.
- MR. WISTOW: The document speaks for
- 17 itself.
- 18 MR. HOLT: Note the objection.
- MR. WISTOW: He's going to read
- 20 through the whole thing.
- MR. HOLT: One page. Note the
- 22 objection.
- 23 (PAUSE)
- 24 THE WITNESS: Your question was?
- 25 (QUESTION READ)

Page 68

- 1 Q. Now, prior to March 6, 2010, is it your testimony
- 2 that you had no conversations with Gordon Fox
- 3 concerning 38 Studios?
- 4 A. No, none.
- 5 Q. Earlier, several questions back before we took our
- 6 break, you indicated that you believed that you
- 7 were the person who brought 38 Studios to Keith
- 8 Stokes' attention; do you remember telling us
- **9** that?
- 10 A. Yes.
- 11 O. Then you seemed to say that you thought you were,
- 12 but you're not sure if somebody else did, or was
- 13 that your intention?
- MR. DeSISTO: Objection.
- 15 A. Well, it's clear, other people had had
- 16 conversations with -- I never heard of 38 Studios
- 17 until that evening.
- 18 Q. Well, as you sit here --
- MR. WISTOW: Could the record reflect
- 20 the Governor was lifting up an exhibit. Why don't
- 21 you identify it for the record.
- THE WITNESS: What came out in the
- 23 newspaper this past summer was that there were --
- 24 there had been a number of contacts from senior
- 25 legislative leaders with Schilling and 38 Studios.

- 1 A. Not that I can see, no.
- 2 Q. Do you have any specific knowledge that anyone had
- 3 contacted Mr. Stokes or anyone else at 38
- 4 Studios -- anyone else at EDC concerning 38
- 5 Studios prior to March 6, 2010?
- 6 A. No.
- 7 Q. Now, while you were at the Schilling fund-raiser
- 8 on March 6, did you see anyone whom you recognized
- **9** from Rhode Island there?
- 10 A. Well, I don't remember, actually. I wasn't
- 11 certain whether Bill Murphy was there or not.
- 12 Okay. I asked that question, and I don't
- 13 remember, no.
- 14 Q. Bill Murphy was the former Speaker who is
- 15 referenced in the Gregg article, right?
- 16 A. Yes. But I'm not saying he was. I don't
- 17 recall. I just don't -- I was questioning myself
- 18 whether anybody that I remembered seeing there,
- 19 but so it's possible but I don't -- I don't
- 20 recall.
- 21 Q. What caused you to question yourself as to whether
- 22 Murphy was there?
- 23 A. Well, because Tim Gray -- not just Murphy,
- 24 but Tim Gray, there had been a connection, and I
- assumed there might be others because Tim was in

Page 69

- and around the State House. I don't know who else
- had seen invitations to it. It wouldn't surprise
- me if others had, but you know --
- 4 Q. How about Mike Corso?
- 5 A. I never knew Mike Corso and didn't know who
- he was. I wouldn't know him if he walked in the
- door now.
- 8 Q. Anyone from Representative Costantino's office --
- or Representative Costantino himself?
- **10** A. I don't know.
- 11 Q. Now, going back to the Exhibit 354 which was that
- 12 Thursday, April 1, 2010 e-mail from Stolzman to
- Andy Hodgkin? 13
- **14** A. Yes.
- 15 Q. Now, by my reckoning, March 6 was on a Saturday,
- and this e-mail is dated Thursday, April 1, 2010.
- That is slightly more than three weeks after you 17
- would have told, or at least identified 38 Studios 18
- as a potential opportunity to Mr. Stokes, right? 19
- 20 A. Yes.
- **21** Q. And by the calculation I did, by reference to a
- calendar, there were approximately 15 business 22
- days between your going to the Schilling 23
- fund-raiser on March 6, 2010 and the date of this 24
- e-mail, Exhibit 354, okay. Now, this term sheet

- about what his company was and what he was doing,
- and relayed that information to Keith and said 2
- this may be something, you know, we should look 3
- 4 at. That's -- so, the fact that he followed up
- and had conversations would be understandable.
- 6 Q. Okay. Now we're going to move on to another
- document. 7
- 8 (DEFENDANTS' EXHIBIT 805
- 9 MARKED FOR IDENTIFICATION)
- 10 Q. I'm going to ask you if you could just take a look
- at Exhibit 805. Exhibit 805 is a document
- 12 comprised of Bates stamp APS 2386 through and
- including APS 2402. Do you have that in front of 13
- 14 you?
- 15 A. Yes, I do.
- 16 Q. Now, this appears on its face to be an e-mail from
- Stolzman to Michael Corso dated April 1, 2010; do
- you see that?
- 19 A. Yes, I do.
- 20 Q. And that's the same date that you would have
- received the April 1 e-mail and attachments that
- you've been talking about, right? 22
- 23 MR. WISTOW: Objection.
- 24 A. Yes, four minutes later.
- 25 Q. And is it your testimony that you had no idea who

Page 70

- 1 Mr. Corso was, at least as of April 1, 2010?
- 3 Q. Do you have any -- do you know why that
- Mr. Stolzman would have been sending this to
- Mr. Corso? 5
- 6 A. No, I do not. Could I add, subsequently,
- when the board process started, there was a
- meeting at EDC's office with Curt Schilling and 8
- 9 his -- Jennifer MacLean or whatever, and a third
- person that I did not know who was introduced to 10
- 11 me as Michael Corso. My understanding is that he
- was a financial advisor, that's what I was told 12
- when I asked, who's this guy, that he was a 13
- financial advisor to 38 Studios. So, that was the 14
- first time I met him, first time I'd ever seen him 15
- that I would have recognized.
- 17 Q. I'm sorry, I didn't mean to interrupt you.
- 18 A. No. no. That's the first time I ever met
- **19** him.
- 20 Q. Now, you just referred to 38 Studios --
- 21 A. No, EDC.
- 22 Q. I'm sorry, at EDC. The topic of which would have
- 23 been 38 Studios?
- 24 A. Yes. It was one, prior to one of the board
- meetings when Schilling and his management team

- contained specific information regarding a particular transaction under contemplation. Do
- you know how was it that that information got
- presented, analyzed and put into a term sheet
- within the space of 15 business days after you 5
- 6 first met the Schilling household?
- MR. WISTOW: Objection. 7
- A. I have no idea. I don't know who did it,
- when it was done, how it was done.
- 10 Q. Well you said you had no idea who did what,
- prepared the letter?
- 12 A. Yeah. Well, I know Stolzman prepared the
- letter, but who did all the analysis that you're 13
- 14 referring to, I don't know.
- 15 Q. Okay. In the memorandum addressed to you, the
- first sentence says, "Governor, as you know, we
- have been meeting with Curt Schilling and his 17 company, 38 Studios, regarding their potential
- relocation to and expansion in Rhode Island." Do 19
- 20 you see that?
- 21 A. Uh-huh.

- **22** Q. Was that your understanding at the time?
- 23 A. What I said earlier, I came back from that
- 24 fund-raiser, and based on a very brief
- 25 conversation that I had had with Curt Schilling

- were making a presentation to the board.
- 2 Q. Now, I'm going to show you this in a few minutes,
- 3 but in the interest of time here, there is a copy
- 4 of your schedule for April 9, 2010 which indicates
- 5 that you would have been going to a meeting at EDC
- 6 to meet with Curt Schilling. Does that generally
- 7 accord with your recollection of the time frame?
- 8 A. Yes. Yup. Yup.
- 9 Q. So that would have been -- you recall being at
- that meeting with Mr. Schilling?
- 11 A. Yeah. If I recall, it was prior to the board
- 12 meeting that day, you know, is my recollection.
- 13 O. An EDC board meeting?
- 14 A. Yeah.
- 15 Q. And do you recall what was discussed at that
- meeting on April 9, 2010 that you attended
- 17 with --
- 18 A. No. It was more just a little bit of meet
- 19 and greet and, you know, Governor, this is going
- 20 to be an exciting opportunity. He was excited
- 21 about the potential. So it was just a meet and
- 22 greet. There was nothing that I recall of
- 23 substance discussed.
- 24 Q. Now, we can get to that document but that schedule
- 25 suggests that either/or both Andy Hodgkin or Jamia

- 1 of them were in attendance.
- 2 MR. WISTOW: Why don't you show him
- 3 the schedule, what's the big deal?
- 4 MR. HOLT: We're going to get there.
- 5 Q. Now, I think you indicated that, I asked you what
- 6 was discussed at that meeting, I think you said 38
- 7 Studios was making a presentation?
- 8 A. My recollection is it was just a bit of a
- 9 meet and greet before the board meeting and that
- 10 38 Studios was making a presentation of one of
- 11 many to the board or were going to be available at
- 12 the board meeting.
- **13** Q. How long were you at that meeting?
- 14 A. I don't recall.
- 15 Q. Did you have any other board members with you, to
- 16 the best of your recollection?
- 17 A. No. As I said, this was a meet and greet,
- 18 kind of, with the Governor sort of thing. It was
- 19 very -- you know, very short, as I recall but --
- 20 Q. When you say meet and greet with the Governor,
- 21 obviously, that's you that would have been there?
- 22 A. Keith wanted me to meet them.
- 23 Q. And did they provide you with any information
- 24 concerning 38 Studios --
- 25 A. Not that I recall.

Page 74 Page 76

- 1 McDonald would have attended that meeting with
- 2 you. Do you have a recollection if they attended?
- 3 (PARTIES TALKING OVER EACH OTHER)
- 4 MR. WISTOW: Hold. Hold. Wait a
- 5 minute. I object to any reference purporting to
- 6 say what the document says. Why don't you give
- 7 him -- put the document in as an exhibit.
- 8 MR. HOLT: We're going to get there.
- 9 MR. WISTOW: No, no, I'm not going to
- 10 let him answer it.
- MR. HOLT: You're instructing him not
- 12 to answer?
- MR. WISTOW: Yes, I'm going to
- 14 instruct him not to answer what the document says.
- 15 Why can't you show him the document, or let me see
- 16 the document.
- MR. HOLT: Read the question back.
- 18 (QUESTION READ)
- MR. WISTOW: I suggest you show him
- 20 the schedule. You said schedule suggests.
- MR. HOLT: Are you instructing him
- 22 not to answer?
- MR. WISTOW: I'm not instructing him.
- 24 If he can remember what the schedule says.
- 25 A. The answer -- I don't remember whether either

- 1 Q. -- transaction?
- **2** A. Not that I recall.
- 3 Q. I'm going to ask you to take a look at what has
- 4 been previously marked as Hodgkin Exhibit 355, and
- 5 maybe if you could just take a moment and look at
- 6 that.
- 7 (PAUSE)
- 8 Q. Can you identify Exhibit 355 for us, please?
- **9** A. It's my schedule. Governor's schedule,
- 10 Friday, April 9th, meeting with Keith Stokes 9 to
- 11 10 at EDC, attending: Mike Corso, Steve Lane,
- 12 Mike Saul, Andy Hodgkin, Jamia McDonald.
- 13 Q. And is this the meeting you were referring to in
- 14 our previous conversation?
- 15 A. No, it isn't. Actually, I remember it might
- 16 have been a subsequent meeting very briefly before
- 17 a board meeting because there's no board meeting
- 18 here with Schilling. I don't recall this meeting,
- **19** really.
- 20 Q. Well, do you recall whether or not Mr. Schilling
- 21 ever attended meetings at the EDC in which you
- **22** were in attendance?
- 23 A. Yes.
- 24 Q. And do you recall if the 38 Studios transaction
- was discussed at this particular meeting?

1 A. No.

2 MR. WISTOW: Which meeting are you

3 talking about?

4 THE WITNESS: If you're talking

5 about this one in the exhibit.

6 MR. WISTOW: 355?

7 MR. HOLT: 355.

8 A. 355, no.

9 Q. Well, it references Mike Corso?

MR. WISTOW: You interrupted. He

11 never finished his answer.

12 A. I'm presuming it was, but I don't recall the

13 substance or anything of this meeting. Steve Lane

14 is another board meeting -- another board member,

so I have no recollection of this.

16 Q. Well, confining your attention to Exhibit 355,

17 you've identified it as being your schedule for

18 April 9, 2010 which was a Friday, traveling to

19 EDC's offices. It then indicates, meeting with

20 Keith Stokes and also has attending Mike Corso,

21 and we can agree that at least at some time you

22 learned that Mr. Corso was a financial

23 representative?

24 A. Yeah, I said that. I think I said that

25 earlier. In one of these meetings, it might have

1 that whatsoever. If you're inferring since he was

2 representing 38 Studios that that could have been

3 a subject of the conversation, that's possible,

4 but I don't recall it.

5 MR. WISTOW: Can we establish if the

6 meeting ever in fact took place just because it's

7 on the schedule?

8 Q. Do you believe that this meeting took place?

9 A. I don't know. I said I had no recollection

10 of this.

Page 77

11 Q. Governor, I'm going to ask you to take a look at

what's been marked Exhibit D-120. If you could

13 just take a moment and look at that, please?

14 A. Uh-huh.

15 Q. Now, this is a series of e-mails, the first of the

e-mail thread is at the bottom of Exhibit D-120

which is an e-mail series, Thursday, April 8,

18 2010; do you see that?

19 A. I'm sorry, because I'm looking at this, and

20 coming back to Max's point, what was on the

21 schedule, the schedule was put together days

22 beforehand. So, often there are changes in

23 attendees, and if I read it, it looks like --

24 Q. When you said read this, you're referring to

25 Exhibit D-120?

Page 78 Page 80

1 been this one, it might have been in the one -- I

2 think there was another meeting when he was there

3 briefly before a board meeting with Schilling. He

4 was in attendance with Curt Schilling. That's

5 when I found out who he was and who he was

6 representing.

7 Q. Okay. Would it have been the practice of your

8 staff to advise you in advance of a meeting such

9 as this who was going to be in attendance at that

10 meeting?

11 A. Well, I would have a copy of this before I

12 went

13 Q. So you would have had a copy of Exhibit 355

14 identifying Mike Corso being in attendance, right?

15 A. Yes.

16 Q. And do you recall if you had asked anybody on

17 April 9th prior to going to the meeting who this

18 guy Mike Corso was?

19 A. No.

20 Q. But based on the fact of what you know now about

21 Corso, can we reasonably assume that the topic

22 being discussed at 38 -- at the EDC offices on

23 April 9, 2010, would have related, at least in

24 part, to the 38 Studios loan?

25 A. I don't know that. I have no recollection of

1 A. D-120. They were saying that at that meeting

at 9:00 A.M. that Schilling was there, but I don't

3 see any reference to the others --

4 Q. Well --

5 A. -- or Corso and Mike Saul and Keith.

6 Q. So, in other words, this e-mail from Sharon Penta,

7 who was an employee at EDC, was addressed to Al

8 Verrecchia, who was a vice chair, was he not, of

9 the EDC board?

10 A. Yes.

11 O. At that time was Mr. Verrecchia also the CEO of

12 Hasbro Corporation?

13 A. I don't think he was still CEO or whether he

14 was board chair, but he was a senior role at

15 Hasbro, yeah.

16 Q. And it also references -- it also refers to Steve

17 Lane, does it not?

18 A. Yes.

19 Q. And the reference is meeting with Curt Schilling

on Friday at 9:00 A.M. at EDC, right?

21 A. Yes

22 Q. And it references Schilling, Corso, Keith and Mike

23 Saul, right?

24 A. Yes.

25 Q. So, with this in mind, would this suggest to you

- as sit here today that in fact there was a meeting
- on April 9 at EDC, at which at least you, 2
- Mr. Schilling and Mr. Corso, Keith Stokes and Mike 3
- Saul would have been in attendance?
- 5 A. Yeah, it's actually what I thought, you know,
- it's consistent with what I thought it was. As I
- said, that's why this meeting didn't make sense to
- me when you asked me -- the conflict in the 8
- attendees and what it was because my recollection
- was that Schilling was there. 10
- 11 Q. Now, going back to your schedule for April 9,
- 12 2010, Hodgkin 355, maybe you could just take a
- brief look at that. This suggests, "Staff: Andy 13
- Hodgkin, Jamia McDonald," is referenced there?
- 15 A. Uh-huh.
- 16 Q. Why would their names appear on your schedule in
- connection with a meeting at EDC concerning 38 17
- 18
- 19 A. I don't know. I don't know.
- 20 Q. Was it --
- 21 A. They might have wanted just to be informed
- because, this is a sidebar, but no one of the 22
- issues with independent quasi-public corporations 23
- is they tend to do their own thing, so your own 24
- staff feels like they like to know occasionally 25

- 1 Q. And does it accord with your recollection that
- Mr. Lane would have attended that meeting on April
- 9, 2010?
- 4 A. I don't know. I don't recall whether he did
- 6 Q. I'm going to ask you to take a look at what's been
- marked as Defendants' Exhibit 512. Do you have
- that in front of you? 8
- 9 A. Yes.
- 10 Q. Can you tell us what that document is?
- 11 A. It looks like, I don't know, is this an
- e-mail? I can't tell if it's an e-mail or a memo.
- 13 O. These are e-mails, I'll suggest to you.
- 14 A. From Jamia McDonald to Amy Kempe, Chris
- 15 DiFilippo, subject, this morning.
- 16 Q. Okay. Now, who is Amy Kempe?
- 17 A. Amy was a communications media person.
- **18** Q. Working in the office of the Governor?
- **19** A. Yes.
- 20 Q. And who is Chris DiFilippo?
- 21 A. She would have been administrative assistant
- 22 in the office.
- 23 Q. Of Governor, your office?
- **24** A. Yes.
- 25 Q. And Jamia McDonald was your deputy chief of staff?

Page 82

Page 84

- what's going on. The communication necessarily
- isn't always the best. So they might have just
- wanted to be there.
- 4 Q. But I'm going to suggest to you that there are
- somewhere in the neighborhood of 25 to 30 e-mails
- that were either addressed to Mr. Hodgkin, Ms.
- McDonald in which they received copies, the topic 7
- of which was 38 Studios. Do you know why they 8
- 9 might have received that many e-mails concerning
- this transaction? 10
- 11 A. No, I don't. I mean, you'd have to ask them.
- You know, if you ask me --12
- MR. WISTOW: If you don't know, you 13
- 14 don't know.
- 15 Q. I asked you. Do you know?
- 16 A. No.
- MR. WISTOW: He just said I don't. 17
- **18** A. I don't know.
- 19 Q. If we go back to D-120, going to the second page,
- it says, "Al, Keith knows you're going to be out
- of town tomorrow, but wanted you to be aware of 21
- the meeting. Steve, Keith would like you to 22
- 23 attend, if at all possible. Please let me know."
- Did I read that correctly?
- 25 A. Uh-huh.

- 1 A. Yes.
- 2 Q. Let's go down to the second e-mail on that page,
- 3 which is Exhibit OOG 9525, do you see that? And
- that's an e-mail from -- to Jamia McDonald from
- Chris DiFilippo stating that Donna just told me 5
- 6 that Curt Schilling is doing a private meeting at
- EDC with just the governor, Keith Andy. Tony is 7
- coming in for 11:15. We'll bump Jeff Greer to 12
- 9 noon." Do you see that?
- 10 A. Uh-huh.
- 11 O. Why would Jamia McDonald have been getting this
- information regarding a private meeting you were
- having with Curt Schilling? 13
- MS. CONCANNON: Objection. 14
- **15** A. I have no idea. It looks to me like they
- were having some scheduling issues with other 16
- 17 meetings in the office.
- 18 Q. Now, this -- let's stay with this e-mail again to
- Jamia McDonald from Chris DiFilippo, 19
- 20 administrative assistant in your office dated
- 4-8-2010. It says, "Donna just told me that Curt 21
- Schilling is doing a private meeting at EDC with 23 just the governor, Keith and Andy." Does that
- refer to Andy Hodgkin? 24
- MR. WISTOW: If you know. 25

1 A. I presume but, you know, it's the only Andy I

know, but I presume so.

3 Q. Why would Mr. Hodgkin be called out attending a

private meeting between you and Mr. Schilling

concerning 38 Studios?

MS. CONCANNON: Objection. 6

A. You'd have to -- I don't recall. You know,

he may have asked me if he could sit in because he

wanted to -- you know, get up to date a little bit

in terms of what was going on, you know, that 10

would not have been unusual. 11

12 Q. Now, I've placed before you Plaintiff's Exhibit

46, which is a document bearing the Bates stamp 13

APS 1277 through and including APS 1283. Do you

see that, sir? 15

16 A. Yes, I do.

17 Q. Can you identify for the court and jury what that

is, please? 18

MR. WISTOW: What it appears to be. 19

20 A. Again, I can't tell e-mails from memos, so --

21 it's a communication from Sharon Penta dated

Monday, April 5th, subject, it's a memo to the EDC 22

board, attached Stokes memo on board regarding 23

guarantee Kushner. "Good morning, attached please 24

find two documents from Keith Stokes. As always,

EDC board members together with what also appears

to be their executive assistants, attaches a memo

to the EDC board? 3

4 A. Yes, it's a memo to the EDC board from Keith

Stokes dated April 5th regarding the job guaranty

program, legislation approval with attached draft

being what looks to be the legislation that was 7

passed for the Job Guaranty Fund. 8

9 Q. Okay. And this if we go to the -- you were

getting this in your capacity as board member,

11 right?

Page 85

12 A. Yes.

13 O. And you would have received this, I take it?

14 A. Yes. I'm cc'd on it. So --

15 Q. Well, actually, it's addressed to you if you go up

to the "To" line --

17 A. As I said, I'm one of the --

18 O. -- recipients?

19 A. -- one of the recipients.

20 Q. Not only are you one of the recipients, but it

would appear that -- it's addressed directly to 21

22 you?

23 A. No. It's directed to all of the board

24 members of which I am one.

25 Q. Fair enough. I didn't mean to imply otherwise.

Page 86 Page 88

if you have any questions or concerns, please feel

free to contact Keith directly." So it looks like

a memo or an e-mail to all of the board members.

4 Q. I think earlier today you said that the only way

that you would have -- only way you would have

6 been getting any information regarding the 38

Studios transaction would have been at board meetings; do you remember telling me that? 8

9 A. I didn't say exactly that, because there were

conversations. You know, Keith would tell me, 10

he's had discussions, and it looks good or

something like that. But any substantive review 12

of the transaction is what took place at the 13

14

7

15 Q. Now this is dated April 5, 2010, I'm referring now

16 to Exhibit 46, right?

17 A. Yes.

18 Q. And that's four days after you received the April

1 e-mail from Stolzman and the letter of intent,

20 as well as a memorandum addressed directly to you,

correct? 21

22 A. Yes.

23 Q. And maybe you could just take a moment and look

through this. Does this document, which is an

e-mail that appears to be addressed to all of the 25

Again, this is addressed to you as well as all of

the other board members, right?

3 A. Correct.

MR. DeSISTO: When you say addressed 4

to the governor, where are you getting that from? 5

6 MR. HOLT: That is line one, two,

7 three down, far right-hand side.

THE WITNESS: It lists all the board 8

9 members, Marc, and I'm one of them.

10 MR. HOLT: Governor Donald Carcieri.

11 MR. LEDSHAM: But the e-mail address

12 isn't actually his e-mail address.

MR. HOLT: I'm going to get to that. 13

14 Q. This identifies you as a recipient, Governor

15 Donald Carcieri, and opens -- after that it has

mgartelman@gov.state.us, does it not?

17 A. That's my assistant. I didn't have e-mail.

18 MR. DOLAN: How liberating.

19 THE WITNESS: It's the best thing

20 ever.

21 Q. Who is Ms. Gartelman?

22 A. She was an administrative assistant.

23 Q. She was part of your staff?

25 Q. So, you would have to rely on your staff to make

- 1 sure you got e-mails that would have been relating
- 2 to 38 Studios?
- 3 A. And e-mails, yes.
- 4 Q. And any attachments to those e-mails, right?
- 5 A. Yes
- 6 Q. Now, let's take a look at the flip side of Exhibit
- 7 46 which is page APS 1278, do you have that?
- 8 A. I've got 46.
- 9 MR. WISTOW: Just turn that page
- 10 over. That's what he's looking at, the left side.
- 11 THE WITNESS: 1278 APS. Okay. I'm
- 12 sorry.
- 13 O. Yes. That is addressed to RIEDC board of
- 14 directors, all of them, right?
- MR. WISTOW: Objection.
- **16** A. Yeah.
- 17 Q. Well, do you have any reason to believe that
- **18** when the --
- 19 A. No, I'm presuming this -- you got it here
- 20 because this was the attachment that went to --
- 21 all of this information here, it went to all of
- 22 these people.
- 23 Q. And that's something I guess Ms. Gartelman would
- 24 have brought to your attention as you told me
- 25 before, right?

- 1 there?
- 2 A. No. That was a draft letter of intent.
- 3 Q. Is there any reference to the draft letter of
- 4 intent?
- 5 A. No.
- 6 Q. Now, you indicated earlier today that -- I'll
- 7 withdraw that question.
- 8 THE WITNESS: Is that a first?
- 9 MR. WISTOW: No. Every once in a
- while he listens to the question he asks and he
- 11 realizes what's going on.
- 12 Q. Now, let's compare the memorandum that's part of
- 13 the April 5 e-mail from Sharon Penta to the EDC
- 14 board with the memorandum that was addressed to
- 15 you by Mr. Stokes, and that's -- again we're going
- 16 to have to go back to Exhibit 354. Maybe in the
- interest of time you could put the April 1, 2010
- 18 memorandum addressed to you, Governor Donald L.
- 19 Carcieri to Mr. Stokes and we're going to be
- 20 comparing that to the memorandum that went to the
- 21 entire board just four days later. Okay. Going
- 22 to the top of the April 1, 2010 memo addressed to
- 23 you, it states, "Governor, as you know, we have
- 24 been meeting with Curt Schilling and his company,
- 25 38 Studios, regarding their potential relocation

Page 90 Page 92

- 1 A. Yes.
- 2 Q. Now, maybe you could just read APS Page 1278 which
- 3 is an attachment to the April 5, 2010 e-mail from
- 4 Ms. Penta to you and other board members. Just
- 5 take a moment and read it to yourself, please.
- 6 (PAUSE)
- 7 Q. Have you had an opportunity to read that, sir?
- 8 A. Yes.
- 9 Q. Now, maybe you could tell the court and jury
- whether or not 38 Studios is mentioned anywhere in
- 11 this e-mail dated April 5, 2010 to the entire
- **12** board?
- **13** A. No, I don't see it mentioned anywhere.
- 14 Q. Okay. Well --
- THE WITNESS: Did I miss it?
- MR. WISTOW: No, you didn't miss it.
- 17 Q. Is the fact that you had received a memorandum or
- 18 a memorandum was addressed to you and received by
- 19 you dated April 1 from Mr. Stokes referenced
- anywhere in the April 5 memo to the board?
- 21 A. No.
- 22 Q. Well, how about the letter of intent that was
- 23 addressed to you or that was sent to your office
- 24 on April 1 by Mr. Stolzman, the letter of intent
- we talked about, is that anywhere referenced

- 1 to and expansion in Rhode Island." Did I read
- 2 that correctly?
- 3 A. Yes.
- 4 Q. And I think a few questions back you indicated
- 5 that you were aware that Mr. Stokes had been
- 6 meeting with 38 Studios prior to April 1, 2010,
- 7 right?
- 8 A. Well, I assumed he was. I don't -- I'm not
- 9 aware of specific meetings, but when I came back
- 10 again from the -- you know, from the fund-raiser
- 11 at Curt Schilling's home, I passed along to Keith
- that Schilling had a company called 38 Studios
- 13 that, you know, might be interested in some of our
- 14 programs and was growing. So I assumed following
- 15 that that he had discussions, but I'm not aware of
- 16 those discussions.
- 17 Q. Well, let's go to -- let's go to the April 5, 2010
- 18 e-mail from Mr. Stokes to the entire board; do you
- 19 have that in front of you?
- 20 A. Uh-huh.
- 21 Q. Does that reference anywhere that you had alerted
- 22 Mr. Stokes at some time shortly after March 6,
- 23 2010 of an opportunity with 38 Studios? Does that
- **24** April 5 memo say that?
- 25 A. No. My reading of this April 5 memo had

Page 93

- 1 nothing to do directly with 38 Studios. This was
- 2 the authorization for the Loan Guaranty Fund and
- 3 increasing the amount. I do remember discussions
- 4 about increasing the amount of the authorization
- 5 to potentially, you know, accommodate a larger
- 6 transaction, but we weren't -- that's it.
- **7** Q. So, no, to my question whether there's any
- 8 reference --
- **9** A. No, there is no reference to 38 Studios.
- 10 MR. WISTOW: Asked and answered
- 11 multiple times.
- 12 A. This is about a Loan Guaranty Fund program
- 13 the legislature has authorized and alerting the
- **14** board to that.
- 15 Q. But the April 1 memo says, "As you know, we've
- 16 been meeting with Curt Schilling and his company,"
- 17 but the April 5 memo doesn't reference any
- 18 meetings that Mr. Stokes may have been having with
- **19** Curt Schilling?
- MR. WISTOW: He said that four
- 21 questions ago.
- 22 A. I said that earlier.
- 23 Q. Let's go to the -- further down there, it
- 24 references on the April 1 memo, the RPG phase of
- 25 the game has guaranteed --

- 1 production of both the RPG and the MMO phase of
- 2 the game." Did I read that correctly?
- 3 A. Yes.
- 4 Q. Now, does the memo to the full board, not just the
- 5 one you got, but to the full board, reference that
- 6 the company, meaning 38 Studios, needed \$75
- 7 million?
- 8 A. No.
- 9 Q. Who made the decision to withhold the facts laid
- 10 out in the e-mail addressed to you individually on
- 11 April 1, 2010 from the board at large in the April
- **12** 5, 2010?
- MR. WISTOW: Objection.
- **14** A. They were two completely different issues.
- 15 They're two completely different issues. One is a
- 16 Loan Guaranty Program that's being authorized by
- 17 the Legislature, okay, the amount of which was
- 18 subject to discussion and change. The other is
- 19 discussions that had been going on with 38
- 20 Studios. So, you know, at this point, this was
- 21 just to make the board aware that we had to take
- 22 some action, you know, once the Legislature did.
- 23 I think Keith was excited, we never had any kind
- 24 of Loan Guaranty Program, and so the legislature
- 25 had indicated a willingness to do that.

Page 94 Page 96

- THE WITNESS: Which one are you on?
- 2 Q. I'm sorry, Governor, I'm on the April 1, 2010
- 3 e-mail that was addressed specifically to you and
- 4 you alone by Mr. Stokes. Let's go down to the
- 5 fourth paragraph; do you see that?
- 6 A. Yes
- 7 Q. And there's a reference to Electronic Arts make an
- 8 investment valued at \$50 million, does it not?
- 9 A. Yes.
- 10 Q. Now, is that anywhere referenced in the April 5
- 11 memorandum that was supplied to the entire board?
- MR. WISTOW: We stipulate there is no
- 13 reference to anything to do with 38 Studios.
- 14 A. No.
- MR. WISTOW: There's no question
- 16 about it. You can go down each sentence and ask
- 17 him and you're going to get the same answer.
- 18 Q. Now let's go down to the bottom paragraph
- 19 beginning with 38 Studios on the April 1, 2010
- 20 memo, it was addressed to you alone by Mr. Stokes.
- 21 Do you see that bottom paragraph?
- 22 A. Yes.
- 23 Q. Do you see the third line down to the right. "The
- 24 company needs approximately \$75 million to
- 25 complete the intellectual property development and

- 1 Q. Is it your testimony under oath that the topic
- 2 covered in the April 5, 2010 memorandum to the
- 3 entire board is unrelated to the facts set forth
- 4 in the April 1 memo?
- 5 A. No, what I said.
- 6 MR. WISTOW: Objection.
- **7** A. What I said is they're two completely
- 8 different memos, memorandum. Okay. One is just
- 9 informing the board about a Loan Guaranty Program
- 10 that the legislature was going to entertain and
- 11 hopefully approve. That's all that says.
- 12 Q. Let's go back to the e-mail from Mr. Stolzman
- 13 April 1, 2010 which was the covering e-mail to the
- 14 memorandum addressed to you by Stokes. Do you
- 15 have that in front of you?
- THE WITNESS: Is that APS 2406?
- 17 MR. HOLT: 2403.
- 18 A. Okav.
- **19** Q. Beginning with, "Hi, Andy." Do you see that. It
- 20 says, "Keith asks that I forward to you the drafts
- 21 of the attached documents." Again, they're
- 22 referring to the memo addressed to you, the
- 23 Kushner as well as the letter of intent, right?
- 24 A. Yes.
- 25 Q. Okay. This goes on to say, quote, "They include a

- draft memo from Keith to the governor that is a
- very brief background and summary of the proposed 2
- transaction in development of 38 Studios in Rhode 3
- 4 Island. A draft letter of intent between 38
- Studios and the RIEDC further outlining some basic 5
- terms and a draft Kushner authorizing RIEDC to 6
- guarantee 38 Studios debt at the suggestion of 7
- House Finance Chairman Costantino." Did I read 8
- 9 that correctly?
- 10 A. Yes.
- 11 Q. And the Kushner is attached to the April 5 e-mail
- 12 to the entire board, is it not?
- 13 A. Yeah. I don't know if it's the Kushner. I
- haven't looked at it. But it's a draft of, you
- know, an article that was going to be submitted to 15
- the Legislature. 16
- 17 Q. Let's compare the article that was to be submitted
- to the legislature that is attached or appended to 18
- the April 1, 2010 e-mail, and let's compare it to 19
- the draft Kushner amendment that was attached to 20
- 21 April 5, if you would, please.
- 22 A. Yeah. Okay, it's identical.
- 23 O. It's an identical document. So, in Mr. Stolzman's
- e-mail to your chief of staff appending the 24
- documents -- appending documents, Mr. Stolzman is 25

- to the 38 Studios transaction?
- MR. WISTOW: I object to that. 2
- 3 MR. HOLT: Noted. You can answer.
- 4 MR. WISTOW: He never said that.
- 5 A. What I said is this was a memo informing the
- board and putting forth the draft resolution that,
- hoping that the Legislature would authorize a loan 7
- guaranty fund of \$125 million, that's all I said. 8
- **9** Q. But as of April 5, 2010, you were aware, were you
- not, that that very Kushner amendment 10
- contemplating a \$125 million allocation, that 11
- 12 there were discussions being had between Stokes at
- EDC and 38 Studios concerning an earmark of 75 13
- million, right?
- 15 A. But there's a process, okay, beyond
- discussions and somebody's outline of what might 16
- be a good deal for the state, they believe, okay, 17
- there's a whole process of approval and review by 18
- the board. Outside consultants, as I said, again, 19
- like Wells Fargo, came in, there was a lengthy 20
- 21 process that got to the point. So there was no
- assurances that any deal was going to be done for 22
- 23 38 Studios at that point. I know I wasn't, and
- I'm sure the board wasn't, hadn't even gone to the 24
- board yet. So, all I'm saying is that was just an 25

Page 98 Page 100

- saying that he's including a draft Kushner
- authorizing the RIEDC to guarantee 38 Studios'
- debt. There's a specific relationship between the
- Kushner in the April 1 e-mail which is identical
- to the April 5 e-mail and the 38 Studios 5
- 6 transaction, right?
- MR. DeSISTO: Objection. 7
- MR. WISTOW: Objection. 8
- **9** A. It speaks for itself.
- 10 Q. So, is it your testimony here under oath that as
- 11
- MR. WISTOW: All his testimony is 12
- under oath. Don't keep saying that. That really 13
- is offensive. All his testimony is under oath. 14
- MR. HOLT: Are you done? 15
- MR. WISTOW: Yes. I'm done. That 16
- really is offensive. 17
- THE WITNESS: It's his technique. 18
- MR. WISTOW: It's just offensive. 19
- 20 All his testimony is under oath, do you understand
- that, Governor? 21
- THE WITNESS: Yes I understand, very 22
- 23 clearly.
- 24 Q. Is it your testimony under oath today that the
- subject of the April 5, 2010 e-mail was unrelated

- authorization, or legislation to go to the
- Legislature to, you know, create a program.
- 3 Q. So as of April 5, you would have had information
- concerning the 38 Studios transaction including
- the letter of intent, including --5
- 6 A. It was a draft letter of intent.
- 7 Q. Let's call it a draft --
- 8 A. And I had a summary from Keith Stokes of the
- 9 highlights what he thought would be a good deal
- for the state and something we should consider. 10
- 11 O. But as of April 5, that information was not being
- shared with the entire board, was it?
- 13 A. It wasn't -- hadn't gotten to the board, of
- being vetted by the board. The board would not 14
- have been necessarily concerned about this 15
- legislation. 16
- 17 Q. I just want to make sure I understand this. My
- question to you is a very simple one. As of April 18
- 19 5, 2010, you had information which included a
- 20 draft letter of intent relating to a possible \$75
- million loan by EDC to 38 Studios, you had a 21
- briefing memorandum as to the possible terms of 22
- such a deal, but as of April 5, you had not shared that with the rest of the board? That calls for a
- 25 yes or no answer.

1	MR	DeSISTO: I object on that	t

- 2 A. It hadn't gotten to the board yet.
- 3 Q. Did you provide --
- 4 A. It had not gotten -- how could I make it any
- 5 clearer? That there's a process, and at some
- 6 point when the staff had done a lot of work, this
- 7 is their opinion, by the way, and the work they
- 8 had done, but nothing has been approved, nothing
- 9 has even gone before the board yet. So then that
- 10 process commenced. Along with that process
- 11 simultaneously the Legislature approved
- 12 legislation creating a Loan Guaranty Fund.
- 13 Q. I move to strike the answer. Sir, can we agree
- 14 that at least as of April 5, 2010, you had in your
- 15 possession in your office a draft letter of
- 16 intent, but that the rest of the board did not
- 17 have that draft letter of intent as of April 5?
- 18 A. I don't remember the draft letter of intent,
- 19 I said that. Okay. You know, the memo from Keith
- 20 is, you know, pretty clear. So I had that, but
- 21 that was just informing me of some discussions
- 22 that had taken place. As far as I'm concerned,
- 23 then, you know, he was looking for did I think
- 24 that that was something that should come to the
- board and worth pursuing, and I said yes.

- 1 don't know that. You'll have to ask him that,
- 2 whether he got that.

Page 101

- 3 Q. He's already indicated that's the case.
- 4 THE WITNESS: Okay.
- 5 MR. WISTOW: You're not going to ask
- 6 him why it wasn't sent if he got it? Mr. Holt?
- 7 THE WITNESS: I'll volunteer.
- 8 Q. Sure, why didn't you --
- 9 MR. WISTOW: Well, why don't you ask
- 10 a question. Let him ask the question.
- 11 Q. Did you make a decision not to provide the draft
- 12 letter of intent to the board as of April 5?
- 13 A. No. We made a decision to take the whole
- matter of 38 Studios to the board in a lengthy
- 15 deliberative process, so we did. I'm not going to
- 16 take a letter of intent or some work that's been
- 17 done by the staff and it's a done deal. Of course
- 18 not. All this indicated to me is, all right,
- 19 let's start the process with the board, and they
- 20 went through a very deliberative process. I'm
- 21 sure they've all testified to that fact and came
- 22 to the conclusion they did.
- 23 Q. But we agree, at the very least, there was
- 24 information contained in the April 1 memorandum
- 25 from Stokes to you detailing specific financial

Page 102 Page 104

- 1 MR. WISTOW: Why don't you ask him
- 2 why he didn't send it on to the board, that's what
- 3 you're getting at.
- 4 Q. Can we agree and stipulate that the governor did
- 5 not send the draft letter of intent along to the
- 6 board
- 7 MR. DeSISTO: I'm not agreeing to
- 8 that.
- 9 MR. WISTOW: I'm not stipulating to
- anything. Why don't you ask him if he didn't send
- 11 it, why didn't he send it. That's what he's
- 12 trying to explain to you.
- 13 Q. Well, I think one thing is clear, Governor, that
- at least as of April 5, 2010, the board did not
- 15 have in its possession the draft letter of intent
- 16 that was attached to the April 1, 2010 e-mail to
- 17 your chief of staff, can we agree on that, at
- 18 least?
- **19** A. Yes, we can agree on that. To the best of my
- 20 knowledge, I think that's correct.
- MR. WISTOW: Do you want to ask him
- **22** why?
- 23 Q. But that had been sent to your chief of staff on
- **24** April 1'
- 25 A. That's what you, you know, are saying, I

- terms of a potential loan to 38 Studios that was
- 2 not included in any materials provided to the
- **3** board as of April 5, 2010?
- 4 A. Not April 5, but all of that material came
- 5 out subsequently in presentations to the full
- 6 board. All of this was vetted in great detail,
- 7 with outside experts, consultants testing it all
- 8 and giving us opinions. So it all came to the
- 9 board, you know, for their decision, eventually.
- **10** Q. But nobody informed the board of the financial
- 11 terms that were in the memo that you had gotten
- 12 from Stokes as of April 5, right?
- MR. WISTOW: As far as he knows.
- 14 A. As far as I know, not that I'm aware of.
- 15 Q. Now as part of the -- as part of the process that
- 16 you had been referring to involving the board and
- 17 making sure that they got information, would that
- 18 have included meetings of the board of directors
- 19 to discuss such things as the Kushner and the 38
- 20 Studios loan?
- 21 A. Yeah, generally I would say yes. There were
- 22 board meetings specifically dedicated, to my
- 23 recollection to, you know, confidential meetings
- that were dedicated entirely to the 38 Studios
- 25 transaction that involved outside consultants

- 1 making presentations about the industry and about
- 2 38 Studios.
- 3 Q. Take a look at what has previously been marked as
- 4 Exhibit D-82. I put that before you, sir. Do you
- 5 have what has been marked as Exhibit D-82 in front
- 6 of you, sir?
- 7 A. Yes, I do.
- 8 Q. Now, this appears to be the meeting minutes of a
- 9 board meeting of the EDC board dated May 24, 2010;
- 10 do you see that?
- 11 A. Yes.
- 12 Q. And let's go to Page 4, numbered Page 4, Bates
- 13 stamp BR 62408; do you have that?
- 14 A. Yes.
- 15 Q. And it has in all caps, For Summary of RIEDC
- 16 Capital Programs; do you see that?
- 17 A. Yes.
- 18 Q. Actually, before we get into that, maybe we could
- 19 just take a look at the first page of D-82,
- 20 Governor. Can you take a look at the first page.
- 21 THE WITNESS: Sorry?
- 22 Q. Do you see that, the May 24 meeting minutes?
- 23 A. Yes.
- 24 Q. Now, it states that, "Governor Carcieri presided
- 25 over the meeting and Attorney Robert Stolzman

- 1 Studios loan during that seven-week period, as for
- 2 as you know?
- 3 A. When you say process, if there had been
- 4 discussions going on between EDC staff and 38
- 5 Studios, I do not know. Okay. It had not yet
- 6 gone to the full board for consideration yet.
- 7 Q. Now, does -- do these minutes, Exhibit D-82,
- 8 reference the draft letter of intent we've been
- **9** talking about?
- 10 A. No.
- 11 Q. Do these minutes mention the specific facts that
- 12 were called out in the memorandum that you
- received from Mr. Stokes dated April 1, 2010?
- **14** A. No. I do remember this presentation. I
- 15 don't remember the exhibits, but this was a
- 16 summary of all the different capital programs that
- 17 EDC had, all right, and a review had been done of
- 18 that and that's where the Loan Guaranty Program
- 19 grew out of the fact that that was a deficiency.
- 20 So, this was a presentation about, you know, the
- 21 arrow we had in our quiver for economic
- 22 development.
- 23 Q. But again, I don't really mean to be repeating
- 24 this unnecessarily. Certainly, as early as April
- 25 1, 2010 there were discussions between EDC

Page 106 Page 108

- 1 acted as secretary," right?
- 2 A. Yes.
- 3 Q. So you would have attended that meeting?
- 4 A. Yes.
- 5 O. And Mr. Stolzman, the drafter of the draft letter
- 6 of intent that was sent to your office on April 1,
- 7 he was also in attendance, right?
- 8 A. Yes.
- 9 Q. Now let's go back to Page 4, which is BR 62408,
- open to that page, please?
- 11 A. Yes.
- 12 Q. Now, does the section number 6, For Summary of
- 13 RIEDC Capital Programs, do you see that?
- 14 A. Uh-huh -- yes.
- 15 Q. Does that specifically mention by name 38 Studios?
- MR. WISTOW: We'll stipulate it
- 17 doesn't.
- **18** Q. Does it?
- **19** A. No.
- 20 Q. Now, May 24 is approximately seven weeks after you
- would have received that e-mail April 1, 2010
- e-mail with the draft letter of intent in the
- 23 memorandum, right?
- 24 A. Yes
- 25 Q. So had the process been ongoing relative to the 38

- staffers, at least involving EDC counsel,
- 2 Mr. Stolzman, and 38 Studios specifically calling
- 3 out a potential loan of \$75 million coming out of
- 4 the 125 million Loan guaranty Program, right?
- 5 MS. CONCANNON: Objection.
- 6 MR. WISTOW: Asked and answered I
- 7 don't know how many times.
- 8 A. Yeah, I've said that. There were obviously
- 9 conversations going on with the staff, but none of
- 10 that -- let me say once again, none of that had
- 11 come to the board for any process of due diligence
- 12 and vetting and review, and still hadn't at this
- 13 point, as I recall.
- 14 Q. But you were aware --
- 15 MR. WISTOW: At this point being May
- **16** 24?
- 17 THE WITNESS: May 24th.
- 18 Q. But you certainly knew that that process was going
- 19 on, right?
- 20 A. I knew there were discussions going on.
- 21 There are always discussions going on. Some come

discussions with companies. The vast majority of

- 22 to fruition, some fall apart. This is what you do
- when you're doing economic development and
- 25 them don't come to fruition.

1 MR. WISTOW: Are we going	to a new
----------------------------	----------

- 2 exhibit?
- 3 Q. Prior to the May 24 board meeting which the -- the
- 4 minutes of which have been identified and you've
- 5 looked at, D-82, were you briefed by Mr. Stokes
- 6 concerning the terms of the 38 Studios deal prior
- 7 to the May 24 meeting?
- 8 A. I don't recall. Okay. There may have been
- 9 updates in terms of their conversations, but
- 10 because before we take it to the board, you know,
- 11 we're going to make certain this is something that
- 12 really could happen or not.
- 13 Q. I'm going to ask you to take a look at what has
- 14 been previously marked --
- MR. WISTOW: I suggest we take a
- 16 break.
- MR. HOLT: I've got about ten
- 18 minutes. We can break after this exhibit.
- MR. WISTOW: All right. Okay.
- 20 Q. Governor, I'm going ask you to take a look at
- 21 what's been marked as Exhibit D-122, and that is a
- document BR 34470 through and including BR 34473.
- 23 Do you have that in front of you?
- 24 A. Yes.
- 25 Q. And this at the very top is an e-mail from Keith

- 1 Michael Corso refers to Mike Corso who was the
- 2 financial advisor to 38 Studios, right?
- 3 A. Yes.

- 4 MR. WISTOW: Hold it. Let the record
- 5 reflect that the Governor nor anybody in his
- 6 office is copied on any of these things, any of
- 7 them.
- 8 MR. HOLT: That's fine. We'll note
- 9 that
- 10 THE WITNESS: I was just going to
- 11 say that thank you.
- MR. WISTOW: It's kind of important
- 13 to note that.
- MR. HOLT: It's noted. Do you want
- 15 to note it twice?
- MR. WISTOW: Unlike you going over
- 17 stuff time and time and time again. I'm limited
- 18 to one?
- 19 Q. So this e-mail that is addressed from Stolzman to
- 20 Stokes, that's talking about, "Timing, pushing the
- 21 special board meeting to June 9 is problematic."
- 22 Do you see that?
- 23 A. Yes.
- 24 Q. Going back to your answer a couple of questions
- 25 back, you were -- you mentioned that you were at

Page 110 Page 112

- 1 Stokes to Mike Saul at EDC with a copy to EDC's
- 2 counsel, the drafter of the draft letter of
- 3 intent, as well as Fred Hashway, and the subject
- 4 is RIEDC 38 Studios, right?
- 5 A. Yes.
- 6 Q. And this is dated May 12, 2010, right?
- 7 A. Yes
- 8 Q. And that's 12 days before the May 24 board
- 9 meeting, right?
- 10 A. Yes.
- 11 Q. And this states, "Just finished speaking to Gov,
- 12 re: 38 Studios." What's your understanding of
- 13 what that refers to?
- 14 A. I don't recall, but my presumption is we were
- 15 setting a schedule for now to present this and
- 16 bring this whole thing before the full board,
- 17 okay, because board schedule and time frames, et
- 18 cetera, needed to be taken into account.
- 19 Q. So this e-mail, again, is nearly two weeks before
- the May 24 board meeting, right, 12 days?
- 21 A. Yes.
- 22 Q. And it has attached to it another e-mail from
- 23 Stolzman to Stokes. It says, "Hi, Keith, Mike and
- 24 Fred. I just got off the phone with Michael
- Corso, and then a separate call with Tom Z."

- this point in time, at least by May 12, there was
- 2 consideration making sure or planning to get the
- 3 actual 38 Studios transaction before the board,
- 4 right?
- 5 A. Yes.
- 6 Q. Okay. And that would have been something you
- 7 would have been discussing with Mr. Stokes on or
- 8 about May 12, 2010, right?
- 9 A. That's what he's indicating here.
- 10 Q. Do you have any reason to believe that's not
- 11 accurate?
- 12 A. No.
- 13 Q. Now, let's go to, in closing before the lunch
- 14 break here, I'm going to have this marked as
- **15** Exhibit 807.
- 16 (DEFENDANTS' EXHIBIT 807
- 17 MARKED FOR IDENTIFICATION)
- 18 Q. I'm going to suggest that 807 is now identical to
- 19 what is D-82 except it has the slide dec. attached
- **20** to it?
- **21** A. Okay.
- **22** Q. And again, in the -- if we go to the, let's take a
- 23 look again at the Page 4 of the actual board
- 24 meeting minutes themselves. Under that summary of
- **25** RIEDC Capital Programs?

- 1 A. Yes.
- 2 Q. So, again, notwithstanding the fact that you would
- 3 have met with Mr. Saul in and around May 12,
- 4 approximately 12 days before the May 24 meeting --
- 5 A. Mr. Saul? Stokes?
- 6 Q. I'm sorry, Mr. Saul to discuss the possible timing
- **7** of the presentation?
- 8 MR. WISTOW: You mean Stokes.
- 9 A. You mean Stokes.
- 10 Q. Mr. Stokes. Sorry, thank you. Okay. So the
- 11 summary of RIEDC Capital Program section on Page 4
- of the May 24, 2010 meeting minutes you had had a
- meeting 12 days before discussing specifically
- 14 bringing the EDC transaction to the board's
- 15 attention with --
- MR. WISTOW: 38 Studios.
- 17 Q. 38 Studios deal with Mr. Stokes?
- MR. WISTOW: Are you getting
- 19 hypoglycemic?
- MR. HOLT: Slightly. It's a senior
- 21 moment, maybe. I hope it's only hypoglycemia.
- THE WITNESS: I'm trying not to have
- 23 too many of those.
- 24 A. It was beginning to ripen, the discussions,
- 25 enough that it needed to get before the board and

- **1** Q. 1459, do you have that?
- 2 A. Yes, I do.
- 3 Q. Now that's talking about the header RIEDC Finance
- 4 Programs, Next Steps, right?
- 5 A. Yes.
- 6 Q. And that is part of the slide dec. presentation
- 7 that was being made by Mike Saul to the board at
- 8 the EDC on May 4, 2010, right?
- 9 A. Yes.
- 10 Q. Now in this May 24 slide dec. presentation on Page
- 11 1459 under caption RIEDC Finance Programs, Next
- 12 Steps, is there any mention of 38 Studios?
- 13 A. No.
- MR. HOLT: Break for lunch.
- MR. WISTOW: I just want to put on
- 16 the record when I ask the court to take judicial
- 17 notice that the Job Creation Guaranty Program
- wasn't even passed until June 11th, it didn't
- 19 become law.
- MR. HOLT: We can take notice of
- 21 that. It was mentioned before in other slide
- 22 decs.
- 23 THE VIDEOGRAPHER: We're going off
- 24 the record, that is the end of Disk 2.
- 25 (OFF THE RECORD)

Page 114 Page 116

- 1 that there were conversations, I don't remember
- them, okay, about we've got a schedule and we're
- 3 going to have to allocate, you know, a lot of time
- 4 on the board's part to review this. This is a
- 5 complex transaction. That was in the same time
- 6 frame but I don't -- they weren't ready yet, would
- be my presumption, to go to the board on the 24th.
- 8 Q. But you had had that conversation with EDC --
- 9 A. I don't know.
- 10 Q. -- on May 12th according to that e-mail we just
- 11 looked at?
- 12 A. We were, I think having a conversation
- 13 according to that, about scheduling, you know,
- 14 board meetings to review this transaction.
- 15 Q. Now, let's go to Exhibit 807, please, the slide
- 16 dec. there. I'm going to ask you to go in to what
- is the Bates stamp APS 1459; do you see that?
- 18 A. 145 --
- **19** MR. HOLT: 9.
- THE WITNESS: Why am I missing it
- 21 here?
- 22 Q. Leading RIEDC Finance Programs.
- MR. WISTOW: Take mine.
- 24 A. I got it. I've got to find the right one.
- 25 Okay. Yup.

- 1 (LUNCH RECESS 1:00 TO 1:40 P.M.)
- **2** THE VIDEOGRAPHER: Back on the
- 3 record. This is the beginning of Disk Number 3.
- 4 Q. Governor Carcieri, before we broke we were talking
- 5 about Exhibit 807 which is the slide dec. and
- 6 minutes from the May 24 meeting?
- 7 A. Yes.
- 8 Q. Now, are you aware that Stephen Lane's deposition
- 9 has been taken in this case?
- 10 A. No, I wasn't.
- 11 O. Are you aware that Mr. Lane testified that he had
- 12 attended a, what he referred to as a pitch
- 13 meeting, and I believe that this is the meeting
- 14 that we're talking about on April 9, at the EDC
- 15 headquarters?
- MR. WISTOW: Objection.
- 17 Q. Do you recall him being there?
- 18 A. No. I don't recall that meeting, I recall
- 19 suggesting that Steve, you know, he's more
- 20 knowledgeable than a lot of the board members
- about digital media, et cetera, and so I remembersuggesting to Keith that, you know, it might be
- 23 helpful to have Steve's input, but I don't recall
- 24 the meetings, Tom.
- **25** Q. Do you recall approximately when you might have

- suggested Steve be brought into the loop?
- 2 A. No, I don't, really.
- 3 Q. Would it be somewhere before May 24?
- 4 A. Again, I don't -- I don't recall at all.
- 5 Q. Okay. Are you aware that Mr. Lane testified that
- he actually had gone on a site visit at the
- Maynard headquarters of 38 Studios some time in
- May of 2010? 8
- **9** A. I don't recall that but, you know, if that's
- what he said, he obviously did.
- 11 Q. Did you ever have any conversations, and let's try
- 12 to start at the May 24, 2010 board meeting as a
- time reference here, did you have any 13
- 14 conversations with any individual board members
- regarding the \$75 million loan that was being 15
- contemplated in that letter of intent that you had 16
- 17 prior to the May 24, 2010 board meeting at large?
- A. You know, again, I don't recall. You know, 18
- Al Verrecchia as you indicated was vice chair, I 19
- 20 don't whether he was sort of aware of -- I think
- 21 there was a sensitivity, as I think back, too, at
- the time, Tom, not to get ahead of a time frame 22
- because the guaranty fund hadn't even been 23
- approved. I don't think that was approved until 24
- the end of May and early June when I signed this. 25

- 1 A. Roughly.
- 2 Q. And you would have signed that into law obviously
- 3 under the constitutional arrangement in the State
- 4 of Rhode Island, right?
- 5 A. Right.
- 6 Q. And when you signed that Jobs Guaranty Program
- into law, you knew that of the \$125 million 7
- involved in that program, \$75 million was being 8
- 9 contemplated as being loaned to 38 Studios, at
- least as of June 11th, 2010, right? 10
- 11 A. Yes. That's -- Keith had indicated that,
- 12 that was the ballpark range of what their need
- would be. 13
- 14 Q. And would you have known that as early as April 1,
- 15 2010 per the briefing e-mail you told -- briefing
- memorandum you told me about earlier? 16
- 17 A. Yes.
- 18 Q. Okay. Now, if we could just go back, just very
- briefly to Exhibit 807, and returning to that 19
- 20 page, APS 1459 with the caption RIEDC Finance
- 21 Programs, Next Steps at the top. Do you see that?
- Now, when this slide dec. was being presented by 22
- 23 Mr. Saul with the reference to the passage of the
- \$125 million guaranty program, did you speak up at 24
- all and say, by the way, we are considering \$75 25

Page 118

Page 120

- So we didn't have a program, Number 1. Number 2,
- given, you know, Schilling and the name, et 2
- cetera, we didn't want a whole lot of, a whole lot 3
- of speculation about something that hadn't even
- gotten to the point of being vetted thoroughly. 5
- 6 Now as to whether Steve Lane and, you know, maybe
- Al were aware of it, obviously you're saying Steve 7
- went to visit it. So he clearly was, whether -- I 8
- 9 don't think there were many, but there might have
- 10 been some.
- 11 O. Well, how did you go about selecting Mr. Lane to
- be, you know, sort of let in on the transaction
- before the rest of the board? 13
- 14 A. I didn't say I selected him.
- MR. WISTOW: Objection. 15
- **16** A. What I said is it's helpful to have somebody,
- 17 you know, at the board level who knows something
- about this to help do a little bit more legwork 18
- and be of assistance to Keith and the team. 19
- 20 Q. Now, Mr. Wistow before the break pointed out that
- the Job Creation Guaranty Program was I guess 21
- signed into law on June 11, 2010 --22
- 23 MR. WISTOW: I believe that's right.
- 24 Q. -- does that roughly accord with your
- recollection?

- million of that being earmarked for 38 Studios?
- 2 A. No, I don't recall doing that. There was a
- whole bunch of things that we were trying to 3
- modernize, other programs we were -- the IRBA 4
- financing, as they call it, increasing the limits. 5
- 6 So there's a series of things, and this was just
- 7 one of the things -- one of the arrows in the
- quiver, but I don't believe --8
- 9 MR. WISTOW: Let him finish.
- 10 A. I don't believe I indicated that this hadn't
- been approved, by the way, at this point. Right.
- Am I correct, this is dated May 24th? 12
- 13 Q. 18 days later you signed the Job Creation Guaranty
- Program into effect. 14
- 15 A. The General Assembly had not passed the
- legislation on May 24th is my point. 16
- MR. HOLT: Yes. 17
- **18** A. So they passed it later on, in which case I
- signed it, and then now that we had legislation in 19
- 20 place that could accommodate -- we started the
- process of scheduling board meetings to go through 21
- the whole presentation, including the outside 22
- consultants and everything that I've discussed. 24 Q. But let's focus our attention on Item Number 1, on
- that page, RIEDC Finance programs. That's

Page 121

- specifically referring to the \$125 million Job
- Creation Guaranty Program that you signed into law 2
- approximately 18 days later? 3
- 4 A. Correct.
- 5 Q. My question to you is when there was reference to
- the Job Creation Guaranty Program, you knew as you
- sat there through this meeting that \$75 million of
- the contemplated \$125 million was potentially 8
- going to be a loan to 38 Studios. My question is
- a simple one --10
- 11 A. Potentially.
- 12 Q. But did you ever say to the board, by the way, in
- respect to this particular program, I think you 13
- might -- you should be aware that we're in 14
- discussions, and we have draft letter of intent to 15
- 16 allocate 75 million of the 125 million?
- 17 A. No, no. That's not the way you do it.
- 18 O. May I finish --
- **19** A. Sure.
- 20 Q. -- of the 75 of the 125 million to a single
- company, 38 Studios?
- 22 A. No, because we weren't at that stage. I
- 23 don't know how many times I have to say it. The
- staff can do work and put some things together, 24
- which they did, and there were a lot of 25

- 1 Q. Were you aware of any other draft letters of
- intent that had been prepared by EDC counsel with
- respect to any other possible program that would
- 4 be funded under the \$125 million Job Creation
- 5 Guaranty Program, at least as of May 24?
- 6 A. Not at that point that I'm aware of.
- 7 Q. So, we can agree the only one, really, was the 75
- million deal for EDC, right, in all fairness? 8
- **9** A. The only discussion, but say it again, there
- was nothing agreed, nothing approved. The process 10
- had not even begun at the board to ascertain the 11
- 12 board's approval and go through all the process of
- due diligence, which was extensive. That's what 13
- transpired following the Legislature's approval of 14
- 15 this program. Then we scheduled subsequent board
- meetings to review this whole transaction with 16
- 17 lots of outside input.
- 18 Q. Did Mr. Lane speak up and say, oh, by the way, I
- have attended two meetings with representatives
- from 38 Studios? 20
- **21** A. I don't remember that.
- 22 Q. Do you remember if he spoke up and said, oh, by
- the way, I've actually gone out to the 38
- Studios --24
- 25 A. No, as I said.

Page 122

- discussions back and forth. But until we have a 1
- program, and then we go through a process with the 2
- board -- by the way, at this stage, I had no idea 3
- whether I was going to be in favor of this deal.
- All right. So we went through a process with all 5
- 6 the board members using outside consultants as
- I've, you know, said many times, and at the end of 7
- that process, it was the majority, with only one 8
- 9 exception, that this was a transaction that we
- should pursue. 10
- 11 O. Okay. Did you not feel as though you had a duty
- of candor with your fellow board members to reveal 12
- information that you knew about the 38 Studios 13
- deal in connection with specifically \$125 million 14
- job creation program, you just didn't feel you 15
- were required to do that? 16
- 17 A. No.
- MR. DeSISTO: Objection. 18
- 19 A. No --
- MR. WISTOW: Wait, he's still 20
- speaking, Mr. Holt. 21
- 22 A. It could have been a job development guaranty
- 23 program for lots of different uses if we chose not
- to do 38 Studios, and there was no -- there was no 24
- 25 guarantee that that deal was going to happen.

- 1 Q. -- facility -- 38 Studios facility in Maynard,
- Massachusetts, to discuss a possibility of a \$75
- million loan; do you recall him saying that? 3
- 4 A. No.
- 5 Q. Would you have expected Mr. Lane as a board member
- 6 of the EDC when the topic of the Job Creation
- 7 Guaranty Program came up, that he might have
- spoken up, even in executive session, let's say, 8
- 9 and said, oh, by the way, I think as a board
- member I owe a duty of candor to my other board 10
- 11 members to let you know I have been personally
- meeting with 38 Studios, the topic of which is a 12
- \$75 million allocation of the \$125 million under 13
- the Job Creation Guaranty Program? 14
- 15 MR. WISTOW: Objection.
- MR. DeSISTO: Objection. 16
- 17 A. No. There was going to be a process, and
- then there would be ample opportunity in the 18
- course of the board meetings, two of which were 19
- 20 devoted, they were confidential, two of which were
- devoted entirely to the 38 Studios transaction, if 21
- memory serves me, a couple hours each, and there 22
- was ample opportunity that I was aware, you know, that Steve and any of the board members at that 24
- 25 point had.

Page 125

- 1 Q. So, you say that there were various meetings to
- 2 discuss the 38 Studios transaction, right?
- 3 MR. WISTOW: Talking about board
- 4 meetings.
- 5 A. Board meetings, yes.
- 6 Q. And that would have been board meetings after May
- **7** 24, correct?
- 8 A. Yes. I think there was one in May and --
- 9 maybe two in May and a couple of July, but I don't
- 10 remember the exact dates.
- 11 Q. Do you recall that there was a special meeting
- called on July 14th, 2010 to discuss the loan of
- **13** \$75 million to EDC?
- 14 A. No. But there were special meetings, exact
- 15 dates, I don't recall.
- 16 Q. Do you recall that Rosemary Booth Gallogly
- 17 prepared a memorandum raising serious questions
- 18 she had about the 38 Studios transaction addressed
- 19 to you in and around July 14, 2010?
- 20 A. Yes.
- 21 Q. And the meeting I believe was on July 15, the
- 22 special meeting?
- 23 A. I'll take you at your word. I just don't
- 24 recall.
- 25 Q. You have a memory of Ms. Gallogly preparing a

- 1 A. No. What I said is Rosemary Gallogly at that
- 2 time was director of administration.
- 3 Q. And she was also acting director of revenue,
- 4 right?
- 5 A. Right.
- 6 Q. And she had been budget officer for the State of
- 7 Rhode Island?
- 8 A. But she had no role with EDC in terms of
- **9** official responsibility.
- 10 Q. But you asked for her thoughts regarding the 38
- 11 Studios transaction?
- 12 A. Yes. Yes.
- 13 Q. And she had been the budget officer for the State
- 14 of Rhode Island, correct --
- 15 A. Yes.
- 16 Q. -- at one point. In fact, she had more experience
- 17 in public finance at the State of Rhode Island
- 18 level than you would have had, at least as of July
- **19** 2010?
- 20 A. Yes.
- **21** Q. And in response to your requesting her opinion as
- 22 to the 38 Studios transaction, she prepared a
- 23 memorandum, right?
- **24** A. She prepared a memorandum to me, yes.
- 25 Q. And you would have read that memorandum, of

Page 126

Page 128

- 1 memorandum prior to that meeting, correct?
- **2** A. Yes. I asked Rose for her thoughts on the 38
- 3 Studios. As I said earlier, I had and have a lot
- 4 of respect and admiration for her. Now, she had
- 5 no involvement, had no knowledge whatsoever and
- 6 was not a part of any of the presentations, all
- 7 right, was not in any official role whatsoever to
- 8 do with EDC. So -- but I asked her for her
- 9 personal view because I respected her judgment,
- 10 didn't always agree, and I didn't -- or I felt
- 11 that the concerns she raised were all concerns
- that came out in the course of the due diligence
- 13 by the board, and that they were addressed, and we
- 14 felt mitigated significantly enough to go ahead
- **15** with the transaction.
- 16 Q. Okay. Did you ever provide Ms. Gallogly's
- 17 memorandum to the board?
- **18** A. I don't recall, but I wouldn't necessarily
- 19 have because as I said, as I remember it, you
- 20 know, most of the issues she raised were issues
- 21 that already were in the process or even being
- 22 discussed or had been discussed by the board.
- 23 Q. Now, you say Ms. Gallogly had not been involved
- 24 with the various presentations. What specific
- presentations do you have in mind?

- 1 course?
- **2** A. Yes.
- 3 Q. And you made a decision not to provide that to the
- 4 board, correct?
- 5 MR. WISTOW: Objection.
- 6 A. I just said I did, and because I felt most
- 7 all of the issues she was raising were issues that
- 8 had already been raised or would have been raised
- 9 in the course of the board meeting.
- 10 O. You said I did. You said -- I think there's some
- 11 confusion. Can you we agree that you decided not
- 12 to provide Ms. Gallogly's memorandum to the board
- prior to the final vote on the EDC loan, right?
- 14 A. I'm not sure it was that straightforward. I
- 15 just -- I didn't think that it was necessary to
- 16 bring it to the board because I was asking for her
- 17 personal opinion.
- MR. WISTOW: Do you want to show him
- **19** the memo?
- 20 Q. And you made that decision, did you?
- 21 MR. WISTOW: Objection.
- 22 A. Yes, it would have been my -- my opportunity
- 23 to provide that information to the board.
- 24 Q. Okay. And you declined to do so, right?
- 25 MR. WISTOW: Objection.

- 1 MR. DeSISTO: Objection.
- 2 A. I said it wasn't relevant, I didn't feel.
- 3 Q. Now, as of May 24, 2010, no specific presentations
- 4 relating to 38 Studios had been made to the board
- 5 at large, right?
- 6 A. Correct.
- 7 Q. And the first presentation specifically relating
- 8 to the board was made by Mr. Saul on June 9, 2010,
- 9 right?
- 10 A. I don't know the date but --
- MR. WISTOW: Do you want to show him
- 12 the minutes.
- 13 A. If that's what you say.
- 14 Q. Now, why did you ask for Ms. Gallogly's opinion as
- 15 to the merits of the 38 Studios transaction?
- MR. WISTOW: Asked and answered.
- 17 A. I think I said that in passing, I think it
- 18 was actually another meeting, if I recall, and at
- 19 the end of the meeting, I said, Rose, well, what
- 20 do you think about 38 Studios? And, you know, she
- 21 gave me her response.
- 22 Q. I'm going to ask you, Governor, to take a look at
- what has been marked as Exhibit 357, and this on
- 24 its face is an e-mail from Michael Saul addressed
- 25 to Andrew Hodgkin, your chief of staff, Jamia

- 1 back?
- 2 MR. HOLT: No. Actually it's the
- 3 very first page, behind the very first page. Do
- 4 you see that?
- 5 THE WITNESS: Yes, it's a title
- 6 page.
- 7 Q. Now let's go back to the e-mail itself. That's an
- 8 e-mail from Mike Saul to Andy Hodgkin and Jamia
- 9 McDonald, Keith Stokes saying, "This is 95 percent
- 10 complete." Do you see that?
- 11 A. Uh-huh.
- 12 Q. This is a draft being sent to your chief of staff
- 13 and deputy chief of staff; is that right?
- **14** A. Yes. Yes.
- 15 Q. That was before the actual presentation was being
- 16 made, right?
- 17 A. Yes.
- 18 Q. Now, I'm going to ask you to just, if you could,
- 19 just leaf through the actual draft slide dec.
- 20 which is the subject of this e-mail, which is
- 21 Bates stamped OOG 4037 through and including OOG
- **22** 4053.
- 23 (PAUSE)
- 24 Q. Have you had an opportunity to look through that?
- **25** A. I'm just finishing it here. Okay.

Page 130

Page 132

- 1 McDonald, your deputy chief of staff, and Keith
- 2 Stokes, right?
- 3 A. Yes.
- 4 Q. And it has attached to it a draft slide dec. which
- 5 was to be presented to the board, right?
- 6 A. I'm trying to read -- yes, I assume that's
- 7 what this is. It says 38 Studios executive
- 8 session presentation, yes.
- 9 Q. Now, when I deposed Mr. Hodgkin, he testified as
- 10 follows, quote, "That I would have made sure he
- 11 would have had it." And he was referring to this
- document, Exhibit 357. Would you have gotten a
- 13 copy of this?
- MR. LEDSHAM: Objection.
- 15 A. I don't recall. It's very possible if Andy
- said he sent it, then it's very possible. This
- was destined for the board.
- 18 Q. Do you have any reason to believe that Mr. Hodgkin
- 19 was mistaken when he said we have made sure that
- you had actually gotten this Exhibit 357?
- 21 A. No.
- 22 Q. Again, this has appended to it a slide
- 23 presentation, which in its first page has
- 24 Executive Session Briefing, do you see that?
- 25 THE WITNESS: Where is it, at the

- 1 Q. Now, would you have reviewed this slide dec.
- **2** before it being presented to the board meeting?
- 3 A. You know, I may have. I don't remember
- 4 again, this is, you know, four years ago, but I
- 5 may have. If they sent it to look at, you know,
- 6 sometimes they would send me something to say, is
- 7 there anything else you think of that we haven't
- 8 covered or we should add or detract or whatever.9 Q. Now, this draft does not show any copies being
- sent to any other board members besides -- at all,
- 11 but it doesn't show any reference to --
- 12 A. No. This was the preparation for the board
- 13 meeting. This was the preparation, 95 percent
- 14 complete, if I understand this, that he was going
- 15 to make to the full board. So all this
- 16 information was going to the full board.
- 17 Q. Why was that sent to your chief of staff in
- **18** advance in draft form?
- **19** A. I don't know, looking for some input, some
- 20 aspects of this thing that, you know, we should
- 21 consider that maybe we haven't. I don't know,
- 22 you'd have to ask him.
- 23 Q. Why would it have been addressed to Andy Hodgkin
- **24** and Jamia McDonald?
- 25 A. I said you'd have to ask them. I have no

1	idea	I don't

- 2 Q. Well --
- 3 MR. WISTOW: Why is Saul sending it
- 4 to them, is that the question?
- 5 Q. The question is why Mike Saul would have been
- 6 sending this draft slide dec. a day before the
- 7 June 9 board meeting EDC?
- 8 A. Could have been looking for feedback, input.
- **9** Q. Feedback from you?
- **10** A. No, from them. It's sent to them.
- 11 Q. And why would he be looking for feedback from
- 12 Mr. Hodgkin and Ms. McDonald?
- 13 A. You'd have to ask him. I don't know.
- 14 Q. You have no idea whatsoever?
- 15 A. No, I don't. Let me read it again. As I
- understand, this was just preparation of what was
- 17 going to go to the full board in terms of the
- 18 concept that had been discussed at that point and
- 19 the beginning of a process.
- 20 Q. Again, this wasn't being shared with the board at
- 21 large, this was just sent to your office?
- 22 A. It was shortly thereafter.
- 23 Q. The next day?
- MR. WISTOW: The next day.
- 25 A. In the board meeting, yes. You wouldn't

1 A. No.

Page 133

- 2 Q. Do you see anywhere reference to the fact that you
- 3 had met at the EDC with Curt Schilling and others
- 4 representing 38 Studios on April 9, 2010 in this
- 5 slide dec.?
- 6 A. No.
- 7 Q. Do you see any reference to the fact that Mr. Lane
- 8 had met on two occasions with representatives of
- **9** 38 Studios in the slide dec.?
- 10 A. No. That doesn't mean that wasn't discussed
- in the course of the meeting that Steve didn't
- 12 make some comments, that he had visited the
- 13 company or that I might not have commented that,
- 14 you know, I had met with Schilling and company. I
- 15 mean, I don't recall but that's very --
- 16 Q. Let's take a look at the actual -- I'm going to
- ask you to take a look at Exhibit 116, please,
- which are the board meeting minutes for the June
- 19 9, 2010 full EDC meeting. Do you have that in
- 20 front of you, sir?
- 21 A. Yes, I do.
- 22 Q. Why don't you take a minute or two and just leaf
- 23 through it, if you would, please. For the record,
- 24 that is a document bearing Bates stamp RIEDC 11665
- 25 through and including 11669. Do you have that?

Page 134 Page 136

- 1 necessarily send a draft to the full board. What
- 2 you send to the full board in preparation is the
- 3 completed document that you're intending to
- 4 present, or else it's passed out at the board
- 5 meeting, which happened occasionally if it wasn't
- 6 prepared ahead of time.
- 7 Q. But why would Mr. Saul have been selective in
- 8 sending it to your office and not to the office,
- 9 of, let's say, Mr. Verrecchia, the vice chair?
- 10 A. Again, it's only conjecture.
- 11 MR. WISTOW: No conjecture. If you
- 12 know, tell him. If you don't --
- 13 A. I don't know --
- MR. WISTOW: That's it, that's the
- 15 answer.
- 16 A. -- I don't know how many times I have to say
- **17** that.
- 18 Q. You've had an opportunity to look through the
- 19 actual draft slide dec., and we are going to go on
- 20 to a final version of this. Confining our
- 21 attention to Exhibit 357 at the moment. Can you
- 22 see any reference to a draft letter of intent,
- 23 namely, the draft letter of intent you had
- received as of April 1, 2010 relative to the loan
- to 38 Studios in this slide dec.?

- 1 THE WITNESS: I'm sorry, I was
- 2 reading.
- 3 Q. Do you have that in front of you?
- **4** A. I have 116. Exhibit 116?
- 5 MR. HOLT: Yes, sir.
- 6 THE WITNESS: Yes.
- 7 MR. DOLAN: Which number is this
- 8 now?
- 9 MR. HOLT: This is Exhibit 116.
- 10 A. Okay.
- 11 O. Do the meeting minutes of the June 19, 2010
- meeting reflect the fact that you had received a
- 13 briefing memorandum on the 38 Studios contemplated
- 14 transaction on April 1, 2010, more than two months
- **15** before the June 9 meeting?
- **16** A. No.
- 17 Q. Does it reference the fact that you had received a
- 18 draft letter of intent with specific economic
- terms, namely, a \$75 million potential loan --
- 20 A. No.
- 21 Q. -- on April 1. Does it mention the fact that you
- 22 had had a meeting with Curt Schilling in April of
- 23 2010?
- 24 A. It doesn't -- the April meeting, not when I
- 25 went to his house.

- 1 Q. April meeting?
- 2 A. Subsequently, no, but it came up. It doesn't
- 3 mention that. It's not a verbatim. There's lots
- 4 of discussion that occurs at a board meeting. The
- 5 minutes are just that, they're distilling on the
- 6 part of the person writing the minutes of the
- 7 salient discussions, but there are lots more
- 8 discussion than four pages on this issue.
- 9 Q. Well, confining your attention to the minutes that
- were prepared by Stolzman, the drafter of the
- 11 draft letter of intent. Is there any specific
- 12 reference to the fact that you had already met --
- 13 A. No, I already said, the answer was no.
- 14 Q. And --
- 15 A. But all I'm saying is it is not necessarily
- 16 inconsistent that I might have noted in the course
- 17 of discussion in the meeting that I had met Curt
- 18 Schilling in Keith's office previously.
- 19 Q. But it certainly doesn't appear in these minutes?
- 20 A. It doesn't appear. I don't know how else to
- **21** say it.
- 22 Q. Let's go back to the draft meeting minutes,
- **23** Exhibit 357.
- MR. WISTOW: What did you call them,
- **25** draft meeting minutes?

- 1 Q. And by the way, who was responsible on EDC's side
- 2 to do due diligence in this transaction?
- 3 A. Well, I don't know the specific team. Keith
- 4 Stokes as executive director was the point person.
- 5 This is a large transaction, complex transaction
- 6 so he was the lead, as far as I was concerned.
- 7 Who his team was after Mike Saul. Mike was very
- 8 involved with it. The other members, I'm not
- 9 sure
- 10 Q. Now if we go down the bottom of that 4052, it says
- 11 underneath, it says in-house RIEDC?
- 12 A. Uh-huh -- yes.
- 13 Q. It says, "Vetting proposal, several company visits
- 14 in meetings with management." Do you see that?
- 15 A. Yes
- 16 Q. So this is representing -- referencing several
- 17 company visits, presumably that was relating to
- 18 visits to 38 Studios?
- 19 A. Yeah. I'm presuming that refers to the fact
- 20 that the in-house RIEDC staff had had meetings and
- 21 visits to 38 Studios, yes.
- 22 Q. Do you recognize the name Sean Esten at EDC?
- 23 A. No.
- **24** Q. How about Tim Cole?
- 25 A. No.

Page 138 Page 140

- 1 MR. HOLT: Thank you.
- 2 Q. The draft slide presentation, which is Exhibit
- 3 357, attached to the e-mail Mike Saul to Andrew
- 4 Hodgkin, Jamia McDonald dated June 8, do you have
- 5 that?
- 6 A. Yes.
- 7 Q. This -- I'd like to draw your attention to Page
- 8 16, which is Bates stamped 4052 of the slide dec.
- 9 which is a June 8th draft.
- 10 A. Wait, I'm sorry. Are we still on the
- 11 minutes?
- 12 Q. I'm sorry, you got to pick up the slide dec.,
- 13 Governor. I'm sorry if I caused that confusion.
- 14 The slide dec. which is exhibit --
- **15** A. 40, 4342, 43.
- 16 Q. Exhibit 357. Take a look at Page 52, please.
- 17 Bates stamp 52.
- MR. DeSISTO: The last page.
- MR. HOLT: Last page -- next to the
- 20 actual last.
- 21 Q. Now, on the -- at the very top of that under, due
- 22 diligence process; do you see that?
- 23 A. Yes.
- 24 Q. It says, ongoing started March 29, 2010?
- 25 A. Yes.

- 1 Q. I'm going to ask you to take a look at what has
- 2 been previously marked as Exhibit D-123, please.
- 3 THE WITNESS: This is addressed to
- 4 whom?
- 5 O. This is an e-mail from Sharon Penta at the EDC and
- 6 this one happens to be to Timothy Babineau?
- 7 A. Okay.
- 8 Q. I would represent to you that this is the actual
- 9 final version of the board minutes. We had drafts
- 10 before, the earlier exhibit dated on the 8th of
- 11 June. This is now a June 9 final.
- **12** A. I'm confused. You got Exhibit 116 here which
- 13 is minutes of the board meeting on June 9th?
- MR. HOLT: That's correct.
- **15** A. You're saying that's not the final?
- 16 Q. If you set aside the board minutes, we're talking
- 17 about now the actual slide dec. presentation that
- 18 we had just been talking about, slide dec.
- 19 presentation, we were talking about a draft a few
- 20 moments ago, right?
- **21** A. Yes.
- 22 Q. And now I'm going to show you -- go to this
- 23 Exhibit D-123, go to the second page and -- I'm
- sorry, go to the first page of that, what this is
- an e-mail to Dr. Babineau, who is a board member,

attaching what is, I will represent to you, is the

- 2 final version of the slide dec. presentation made
- 3 by Mr. Saul at the June 9 --
- **4** A. 9th meeting.
- **5** Q. -- 9th meeting?
- 6 THE WITNESS: So this was sent to
- 7 Babineau why? Because he was not in attendance?
- 8 MR. HOLT: He was not in attendance,
- 9 precisely.
- MR. WISTOW: If you look down at the
- 11 bottom of the page, there is an e-mail from
- 12 Babineau asking for it, do you see it?
- 13 THE WITNESS: Yes, I do.
- 14 Q. There's no dispute, but this is the final slide
- 15 dec., okay?
- **16** A. Okay.
- 17 Q. Now if we were to take a look at --
- 18 A. Wait. There was no slide dec. attached to
- 19 the minutes. Sometimes they would do that as an
- 20 addendum to the actual minutes.
- 21 Q. What we're talking about now, let's go back to the
- 22 draft, the previous e-mail with the draft, okay
- which was dated -- which was the June 8 version.
- 24 Do you have that in front of you?
- 25 A. Okay. Right here, what I was saying, what I

- 1 talk. Here's the punch line --
- **2** A. I agree with that.
- 3 Q. I agree with you, too. D-123, I will represent to
- 4 you, it's our understanding, in fact, it was the
- 5 final?

Page 141

- 6 THE WITNESS: This is the dec. that
- 7 was actually presented at the board meeting?
- 8 MR. HOLT: That is correct.
- 9 MR. WISTOW: Hold it -- go ahead.
- MR. HOLT: You can ask questions
- 11 later.
- MR. WISTOW: I don't want to ask
- 13 questions. You weren't there, you're not in a
- 14 position to represent, okay, anything unless you
- 15 want to testify in this case. I'm not ready to
- 16 agree with what you said. I'm not disagreeing
- with it, but there's been other problems. You
- 18 yourself, your witnesses, have brought up Wells
- 19 Fargo has said that's not what was presented at
- 20 the board, even though the minutes say that.
- 21 That's an example.
- 22 Q. Well, we have an e-mail here from Sharon Penta and
- 23 Ms. Penta, was an employee at EDC, and I'm talking
- **24** about now Exhibit 123.
- **25** A. You got me moving all over here.

Page 142 Page 144

- 1 would question really, Tom, is normally the
- 2 minutes would have, if there were a presentation,
- 3 you know, would have an exhibit of that
- 4 presentation attached to them. They were not.
- 5 Q. That's exactly --
- 6 MR. WISTOW: In view of what I've
- 7 seen of the minutes and the questions about some
- 8 of the exhibits, I just want to make it clear I'm
- 9 not arguing that D-123 is not the final version,
- 10 but I'm far from ready to stipulate that it is,
- 11 which is what you represented is the fact. You
- 12 can represent all you want. I'm not agreeing and
- 13 I'm not disputing it. Don't make me go and tell
- 14 you what the other problems with Mr. Stolzman's
- 15 minutes are --
- MR. DOLAN: Move to strike.
- MR. WISTOW: -- and the attachments.
- 18 I agree, Mr. Dolan, I wasn't trying to get
- anything on the record. I just want to make it
- 20 clear, I just want to make it clear I'm not
- 21 stipulating this is the final.
- MR. DOLAN: Usually people speak for
- 23 a reason, Max. Move to strike.
- 24 MR. WISTOW: Okay.
- **25** Q. Let's try and get out of the deep weeds of lawyer

- 1 Q. You know what we're going to do --
- THE WITNESS: Where is Sharon's?
- 3 MR. WISTOW: Here, here's Sharon's
- 4 e-mail.
- 5 MR. HOLT: There it is right there.
- 6 You've turned it over, Governor, I think. You got
- 7 it in your hand.
- 8 THE WITNESS: Here it is.
- **9** Q. Great. We're on the same page here. D-123.
- 10 A. All right.
- 11 Q. And this is -- appears to be an e-mail from Sharon
- 12 Penta, right?
- 13 A. Yes.
- 14 Q. Do you know who Sharon Penta was?
- 15 A. Yes, she was a staff assistant there at EDC.
- 16 Q. Right. It's addressed to Tim Babineau, Dr.
- 17 Babineau, who is a board member, right?
- 18 A. Yes.
- 19 Q. And in this e-mail from her she has attached --
- 20 basically says on the third line down, "I have
- 21 attached a copy of the PowerPoint that was
- 22 discussed at the meeting which took place in
- 23 executive session." Do you see that?
- 24 A. Yes.
- 25 Q. So based on this e-mail from Ms. Penta to a board

			_	
1	member in	which she	states that	"I've attached a

- 2 copy of the PowerPoint that was discussed at the
- 3 meeting which took place in executive session."
- 4 I'm going to represent to you it's my
- 5 understanding that the attached slide dec. to 123
- 6 is in fact the version that was presented?
- 7 MR. WISTOW: I'm going to say it
- 8 again. It's not relevant what your understanding
- 9 is. Penta says this was produced and shown at the
- 10 meeting, so there's certainly evidence of that.
- 11 But I'm not ready to conclude that it's
- 12 conclusive. There have been other errors in this.
- MR. HOLT: I'm not asking for you --
- 14 that's fine. Fair enough.
- MR. WISTOW: That's all.
- **16** Q. Let's go to the slide dec. that's attached to Ms.
- 17 Penta's e-mail, D-123, and that is Bates
- 18 stamped --
- THE WITNESS: What is a Bates stamp,
- 20 by the way?
- MR. HOLT: It's a numbering system we
- 22 use in litigation.
- THE WITNESS: Mine on the bottom on
- 24 this copy I can't read.
- 25 MR. HOLT: Right.

- 1 done and nobody did any work and nobody has been
- 2 working on this for weeks and months at a time.
- 3 The fact that it doesn't say that, you know, to me
- 4 is not relevant and significant.
- 5 Q. Fair enough. But it doesn't say it, in any event,
- 6 does it?

- 7 A. No, it doesn't.
- 8 Q. Now, let's go down to the section under due
- 9 diligence RIEDC on the draft version, Page 16,
- 10 that has a line entry, "vetting proposal, several
- 11 company visits with meetings with management." Do
- 12 you see that?
- 13 A. Yes.
- 14 Q. And I think you told me before based on that you
- 15 would have assumed the referencing company was to
- 16 38 Studios, right?
- 17 A. Yes.
- 18 Q. Now if we take a look at the version that was sent
- 19 to Dr. Babineau, that reference to, "Company
- 20 visits and meetings with management," has been
- 21 deleted in that version, right?
- 22 A. Yes.
- 23 Q. Do you know who decided to delete that provision?
- 24 A. No. I have no idea.
- 25 Q. Now, let's go back to the --

- 1 Q. Let's go to Page 16, BR061574 of the Penta slide
- **2** dec. Do you have that?
- 3 A. Yes.
- 4 Q. Let's take a look at the top of Page 16 of the
- 5 draft version which is I think directly in front
- 6 of you. Below next to your elbow, let's take a
- 7 look at the very top bullet point. Under due
- 8 diligence process, it's stated, "Ongoing...started
- 9 March 29, 2010," that's in the draft version?
- 10 A. Yes.
- 11 O. If we take a look at the version that Ms. Penta
- sent to Dr. Babineau, a board member, that line is
- 13 dropped out, is it not?
- 14 A. It appears that way, yes.
- 15 Q. So anyone looking at this slide dec. for the first
- 16 time in the purportedly final form would not have
- 17 known from the basis of this slide dec. that
- 18 actually EDC staffers had begun work, at least as
- early as March 29 on the 38 Studios loan, right?
- 20 A. Well, it's not specifically on the slide, but
- 21 I'm sure in the course of conversation it would
- 22 have been made aware that the staff has been
- 23 working on this for months. You know, they knew
- 24 that. This wasn't like it just happened. The
- 25 board would not expect, oh, here it is, it's all

- 1 A. It looks to me as though the first bullet
- 2 point there is more inclusive and broader than any
- 3 of the others. So somebody must have just
- 4 decided, or possibly could have, normal credit due
- 5 diligence would encompass a number of these
- 6 specifics, but that's only conjecture on my part.
- ${\bf 7}\;\;{\bf Q}.\;\;$ Now when you use the term normal credit due
- 8 diligence, what do you have in mind?
- 9 A. Well, presume, again, I don't know exactly
- 10 what they did, but you meet with the company you
- 11 go through your projections, you listen to their
- 12 business plan, you go through the likelihood of
- 13 repayment, the amount of money they're going to
- 14 need. All of that process that they would do
- 15 internally, which is my understanding they did do.
- 16 Q. When you're saying they, you mean EDC staff?
- 17 A. EDC staff, yes. Then from the board's
- 18 standpoint, the board felt they needed outside
- 19 expertise and consultants that would give us a
- 20 better view. Because I think at this stage, if my
- 21 memory serves me, it was more an overview of the
- 22 industry generally. Is this an industry that we
- wanted to play in and that could be, you know,
- 24 something positive for the state in terms of
- 25 generating jobs and all the things I referred to

- earlier. This was not the details of a
- transaction in that it articulated the process 2
- after that, including the firm you represent and 3
- 4 Strategy Analytics and, you know, outsiders, to
- sort of advise the board and give more input. 5
- Q. Is it your testimony that the board retained Wells
- Fargo to do due diligence on behalf of EDC?
- A. Well, Wells Fargo made a presentation. I
- don't know who retained whom in that. I don't
- know, Tom, but I do know they made a presentation 10
- to the board, and I do know that Strategy 11
- 12 Analytics made a presentation to the board.
- 13 O. Did you ever meet face-to-face with any
- individuals whom you understood to be working at
- Wells Fargo in connection with this 38 Studios' 15
- loan? 16
- 17 A. Not that I was aware of.
- 18 Q. Do you know if Mr. Stokes ever sat down and met
- face-to-face with anyone?
- 20 A. I don't know that.
- **21** Q. You talked about the credit due diligence process.
- I want to go back to a reference earlier you 22
- mentioned that you had been at Old Stone Bank. I 23
- think we agreed you had been on the credit 24
- committee at Old Stone Bank, right? 25

- 1 make a loan, right?
- 2 A. Yes.
- 3 Q. Now, do you know if or did you ever see a credit
- memorandum of the nature we've just been talking
- about --
- 6 A. No.
- 7 Q. -- prepared in connection with the 38 Studios
- transaction?
- 9 A. No.
- 10 Q. Did Wells Fargo ever prepare a credit
- 11 memorandum --
- 12 A. I have no idea. Could I just add, there were
- evaluations, from my memory, evaluations done of 13
- the projections, the company's projections in 14
- 15 terms of cash flow and revenue that were done, I
- think. I don't know if Wells Fargo did, but I 16
- know they were done that verified, you know, that 17
- the projections looked reasonable. 18
- 19 Q. When you say verified, what do you mean verified?
- 20 A. Based on the work that was done, corroborated
- that the company's projections were reasonable.
- 22 Q. Done by whom?
- 23 A. That's what I'm saying, I don't remember
- exactly. All I know is that there were some done. 24
- 25 MR. WISTOW: Maybe we could go

Page 150 Page 152

- 1 A. Yes.
- 2 Q. And part of the job of the credit committee would
- be to really determine whether or not a customer
- could actually pay back a loan, right?
- 5 A. Correct.
- 6 Q. And I've heard mentioned something referred to as
- a credit memorandum or credit memo, did you ever
- hear that term used in your experience in 8
- 9 commercial banking as a member of a credit
- committee? 10
- 11 A. Yes.
- 12 Q. Did you -- what's the purpose of a credit
- **13** memorandum?
- 14 A. In the banking world it's generally the work
- of a credit analyst who has reviewed the
- transaction and with all of the cash flows, et 16 cetera, and then comes to a recommendation.
- 18 Q. So when you say a credit analyst, that would be a
- credit analyst working on behalf of the lender, 19
- 20 correct?

17

- 21 A. Yes.
- 22 Q. And that credit analyst would want to -- the
- 23 credit analyst may prepare something known as a
- credit memorandum to be considered by the credit
- committee before they agreed, either yes or no, to 25

- through the exhibits to the meetings.
- 2 Q. Now, I referenced earlier in my questions today an
- interview that you gave with Tim white at WPRI; do
- you remember talking about that?
- **5** A. I remember going to the interview, yes.
- 6 Q. And do you recall talking about the projects that
- were being considered or were considered by the
- EDC board before agreeing to make the loan to 38 8
- 9 Studios?
- 10 A. No, I don't recall, you know, the interview.
- 11 O. Well, do you have recollection of saying that
- projections are simply a best guess as to likely
- performance of a company? 13
- 14 A. As I said, I don't recall what I said.
- 15 That's not inconsistent, because I do believe
- that's what projections are. Nothing is for 16
- 17 certain. This is based upon the best guesses of
- the people, and you test them for reasonableness, 18
- but I don't remember what I said to Tim White. 19
- 20 Q. So, can we agree that projections really are
- someone's best guesstimate as to what might happen 21 in the future, but they're essentially inherently 22
- 23 unverifiable, you just don't know?
- MR. LEDSHAM: Objection. 24
- 25 A. Yes, sort of like the weather. I shouldn't

1	ioke like that	Better than the weather.	There's

- 2 more analysis, less variability, hopefully, than
- 3 the weather.
- 4 Q. Now, let's stay on the Exhibit 357 and, again, on
- 5 Page 16?
- 6 A. That's the one we are just referring to, yes,
- 7 sir, that's right. Due diligence process.
- 8 Q. You see -- let's take both of them. Both of them
- **9** refer to Wells Fargo?
- THE WITNESS: 357 is this one?
- MR. HOLT: Yes, that's right.
- 12 Q. 357, both 357 and D-123, Page 16, both refer to
- 13 Wells Fargo, do they not?
- 14 A. Yes.
- 15 Q. Under the due diligence process, it has Wells
- 16 Fargo, and it has, "Review of private placement
- 17 memorandum for equity offering." What's your
- 18 understanding who was going to do the review of
- 19 the referenced private placement?
- 20 A. I don't recall. I don't recall.
- 21 Q. You don't know -- well, it was under due diligence
- 22 process. Would that reasonably lead you to
- 23 believe that someone at the EDC would be reviewing
- 24 any private placement memoranda that had been
- 25 prepared by Wells Fargo?

- 1 maybe it's easier to look -- I'm going to give him
- 2 my single sided.

Page 153

- 3 THE WITNESS: That's just so you
- 4 don't have to carry it.
- 5 MR. WISTOW: That's right.
- 6 Q. Now, let's take a look at D-6 and just in the
- 7 interest of time, I'm going to just look at the
- 8 cover page there, but I'm also, just so you're
- 9 aware of the line of questioning we're going to be
- 10 going on here, I am going to be talking about the
- 11 equity PPM that's referenced in the slide dec.
- that we've been talking about, okay?
- THE WITNESS: Equity PPM?
- MR. HOLT: Private placement
- 15 memorandum.
- THE WITNESS: For the 75 million?
- MR. HOLT: Yes.
- 18 MR. WISTOW: No.
- 19 Mr. HOLT: Well, no --
- 20 Q. Let's go -- we have a reference on Page 16 of the
- 21 slide dec. prepared by Mr. Saul for the June 9
- 22 meeting --
- 23 A. Right.
- 24 Q. -- of the board. And under Wells Fargo it says,
- 25 "Review of private placement memorandum of equity

Page 154 Page 156

- 1 MR. WISTOW: Objection.
- 2 A. Not necessarily. I don't know who is
- 3 qualified. You have lawyers that review private
- placement memorandum, et cetera. So I don't know
- 5 whether Rob Stolzman did or not, but I have no
- 6 knowledge of that.
- 7 MR. DOLAN: Move to strike.
- 8 (COUNSEL CONFERRING WITH WITNESS)
- 9 Q. I'm going to ask you just to keep the Exhibit
- 10 D-123 and --
- 11 THE WITNESS: Are they going to come
- 12 to that one?
- MR. WISTOW: Not the way we're going
- 14 now, it will be six months from now.
- 15 (COUNSEL CONFERRING WITH WITNESS)
- MR. HOLT: I'm going to ask you,
- 17 Governor, to take a look at D-6, please. Do you
- 18 have D-6 in front of you?
- MR. WISTOW: Actually, is it
- 20 double-paged?
- MR. VALENTE: It is double-sided.
- MR. WISTOW: Mine is twice as thick.
- MR. HOLT: That's double-sided.
- THE WITNESS: This is double-sided.
- MR. WISTOW: D-6 is single-sided,

- 1 offering," do you see that?
- **2** A. Yes.
- 3 Q. Okay. I am going to be going on to some questions
- 4 about the equity -- the private placement
- 5 memorandum that's referenced on Page 16, okay?
- 6 I'm going to show you that in a moment.
- 7 A. Okay, you're going to quickly get over --
- 8 you're well beyond me into the weeds on this.
- 9 This says due diligence is going to be a review
- 10 of, so Wells Fargo is going to review the private
- 11 placement memorandum; is that what that says?
- MR. HOLT: No.
- MR. WISTOW: Don't say that.
- MR. HOLT: I'm not going to
- 15 characterize it. I'm going to show you the
- 16 private placement memorandum for the equity
- 17 offering. It is referenced under the Wells Fargo
- 18 bullet, okay. I'm going to actually show you what
- **19** Mr. Saul is referring to there.
- 20 THE WITNESS: Okay.
- 21 Q. Now, that's attached as part of Exhibit D-6 that
- you have in front of you. All right?
- 23 A. Okay.
- 24 Q. Now, let's take a look at the very top of the
- 25 exhibit. That appears to be an e-mail from

Michael Saul dated Monday, July	12, 2010; do you

- **2** see that?
- 3 A. Yes.
- 4 Q. Incidentally, that would have been approximately
- 5 three days before the July 15 special board
- 6 meeting, right?
- 7 A. But after the --
- **8** Q. June 9th meeting?
- 9 A. -- after the June 9th, and was there another
- one in June? I don't remember.
- MR. WISTOW: Would it be all right if
- we give him the dates to help orient him?
- MR. HOLT: Sure.
- MR. WISTOW: The four board meetings
- were June 9th, June 14th, July 15th and July 26,
- 16 just to orient you.
- 17 THE WITNESS: And this is dated July
- 18 12th. So this would have been after two of the
- **19** board meetings and prior to the third?
- MR. HOLT: Before the special July
- 21 15th board meeting.
- 22 THE WITNESS: Okay.
- 23 Q. I think earlier, just maybe to further orient you
- 24 in a time line here, when I was talking to you
- 25 about Rosemary Gallogly, I think you said you

- 1 MR. HOLT: Maybe there's a message
- 2 there.

Page 157

- 3 Q. Let's go through Exhibit D-6 here, it's from
- 4 Michael Saul to Maureen Gurghigian, she's at First
- 5 Southwest. Do you know Maureen Gurghigian?
- 6 A. Yes, I've met her. She's done a lot of work
- 7 for the state.
- 8 Q. It's also addressed to Rosemary Booth Gallogly,
- 9 right?
- 10 A. Yes.
- 11 Q. Now, this e-mail also has a copy going to Jamia
- 12 McDonald; do you see that?
- 13 A. Yes.
- 14 Q. Now, Jamie McDonald would have been receiving this
- 15 e-mail in her capacity as a, or your deputy chief
- 16 of staff, correct?
- 17 MR. WISTOW: Objection.
- **18** A. I don't know. I presume that.
- 19 Q. Do you have any reason to believe that Jamia
- 20 McDonald would have withheld from you any of the
- 21 information attached to D-6?
- MR. WISTOW: Objection.
- 23 A. No. I can guarantee you she would not have
- 24 forwarded a package like this to me, that's for
- 25 sure. Okay. I don't have time, didn't have time

Page 158 Page 160

- 1 recall getting a memorandum but you did not
- 2 present that to the board at the July 15th meeting
- 3 that Mr. Wistow just referred; do you recall that
- 4 testimony?
- 5 A. Yes.
- 6 MR. WISTOW: I think the record, in
- 7 fairness, that memo was sent at 5:36 at night and
- 8 the board meeting, as we discovered, was the
- 9 following morning. So we don't know when the
- 10 Governor got it. Why don't you ask him.
- 11 MR. DOLAN: Max, will you stop
- 12 testifying. It's totally inappropriate. If you
- 13 have an objection, state it.
- MR. HOLT: Ms. Gallogly stated she
- 15 gave this to the Governor before the July 15
- 16 meeting in her memorandum.
- MR. WISTOW: No, she didn't.
- MR. HOLT: She testified to that.
- MR. WISTOW: No, she didn't. She did
- **20** not.
- MR. HOLT: Let's stop right there.
- 22 Let's stop.
- MR. WISTOW: You get to testify,
- 24 nobody objects. I say something and I get an
- objection. I don't see the difference.

- 1 to go through, that's what you have lawyers for,
- 2 financial advisors, that's what you have, you
- 3 know, staff for. All right. There's no --
- 4 Q. When you say staff, such as Jamia McDonald?
- 5 A. EDC staff.
- **6** Q. What about your own staff?
- 7 A. You know, I don't know why she would have.
- 8 Generally, Jamia didn't get involved in, you know,
- 9 private placements and that. That would be the
- 10 purview of Rosemary and/or Maureen who worked with
- 11 Rosemary.
- 12 Q. Why would Ms. Gallogly have gotten this?
- 13 A. I said that generally Rosemary, who is the
- 14 most knowledgeable and accomplished in terms of
- 15 public financings, she's regarded highly around
- 16 the country in terms of her expertise in
- 17 financing, government financing, state financing
- 18 in particular.
- 19 Q. She would have been the one most knowledgeable in
- 20 public financing, state financing within your
- administration at that time, right?A. Yes. I would say that's true --
- 23 O. Now --
- **24** A. -- of the paid staff. We always generally
- 25 had, you know, lawyers, outside lawyers, bond

- 1 counsel, et cetera.
- 2 Q. I'm talking about most knowledgeable within your
- 3 administration, paid staff, paid by the State of
- 4 Rhode Island who were part of your administration
- 5 as Governor of the State of Rhode Island, right?
- 6 A. Yes.
- 7 Q. Let's take a look at -- let's go through the Bates
- 8 stamps here. Let's take a look at the first -- at
- 9 page APS 10955. Do you have that in front of you?
- 10 A. Yes.
- 11 Q. And we see here that this is entitled a Private
- 12 Placement Memorandum of 38 Studios, right?
- 13 A. Yes.
- 14 Q. And that has on the first page a reference to Rob
- 15 Stolzman; do you see that?
- 16 A. Yes.
- 17 Q. And that there's a copy number; do you see that?
- **18** A. P113, yes.
- 19 Q. And the date on this page 10955 is May 23rd, 2010,
- 20 right?
- 21 A. Yes.
- 22 Q. And that was before the May 24 EDC board meeting,
- 23 right?
- 24 A. Yes.
- **25** Q. That would have been before the June 9 slide dec.

- 1 MR. WISTOW: D-6, why don't you show
- 2 him where the reference is. It helps orient. Do
- you see the reference to Wells private placement
- 4 memo, why don't you read that for a minute.
- 5 Q. If we take a look at --
- 6 MR. WISTOW: Why don't you just let
- 7 him read the exhibit you gave him for just a
- 8 moment.

Page 161

- 9 Q. In the interest of time, and I don't disagree --
- MR. WISTOW: It's going to take a
- 11 moment. It's three lines, let him read it. It's
- 12 been four years since this transaction.
- 13 THE WITNESS: This is from Mike Saul
- 14 to Maureen, copy to Rose, it's referring to
- 15 questions --
- 16 (OFF THE RECORD)
- 17 (WITNESS READING DOCUMENT)
- 18 MR. WISTOW: The particular reference
- **19** is right up here.
- 20 THE WITNESS: I'm trying to
- 21 understand the context here, Max. Why is this
- 22 relevant, unless what somebody is saying here is
- 23 there's lot of information in this private
- 24 placement memorandum regarding 38 Studios that
- 25 would be relevant to an evaluation that we would

Page 162 Page 164

- 1 presentation, right?
- 2 A. Yes. What is this, by the way, what is this
- 3 a private placement of?
- 4 MR. HOLT: Private placement of the
- 5 potential equity offering that was being
- 6 contemplated by 38 Studios, and this is the
- 7 document that is referenced under the Wells Fargo
- 8 bullet on Page 16 of the Saul slide dec.
- 9 MR. WISTOW: Take a look at the
- 10 second page, it explains what it is.
- 11 (DOCUMENT SHOWN)
- MR. WISTOW: Just take a moment and
- 13 read that.
- 14 (PAUSE)
- 15 THE WITNESS: They were trying to
- sell 55 -- contemplating the sale of 55 million
- 17 shares of Class B stock?
- 18 Q. Again, this is the --
- **19** A. I'm trying to -- trying to understand what
- 20 does this have to do with our transaction.
- 21 Q. It's specifically referenced in Mr. Saul's slide
- 22 dec. on 16. If you take a look at Wells Fargo
- 23 review of private placement memorandum of equity
- 24 offering; do you see that? That is referring to
- the APS 10955 and successive pages, okay.

- 1 be making.
- 2 MR. HOLT: That's correct.
- 3 THE WITNESS: I'm trying to put it
- 4 into a context here.
- 5 Q. So, what we have here, just because I do want to
- 6 get to the actual equity PPM itself. We have
- 7 Exhibit D-6, which is an e-mail to Maureen
- 8 Gurghigian and Rosemary Booth Gallogly, your
- 9 deputy chief of staff, Jamia McDonald, is copied
- on it and in it it is addressed to Rosemary
- 11 Gallogly, director of administration, acting
- 12 director of revenue in your administration,
- 13 indicating a list of information or items that
- 14 Mr. Saul is sending to Ms. Gallogly; do you see
- **15** that?
- 16 A. Yes.
- 17 Q. Okay. His response is to questions that Ms.
- **18** Gallogly had concerning the 38 Studios
- **19** transaction?
- 20 A. I was just going to say this sounds to me,
- 21 particularly question 5, that she might have
- 22 copied him -- did she copy him on the memo she
- 23 sent to me?
- MR. HOLT: She had not prepared it as
- **25** of that date?

Rhode Island Economic Development Corporation Wells Fargo Securities, LLC	vs		Carcieri 31, 2014
Page 165		uny	Page 167
1 THE WITNESS: If she had some of 2 these concerns previously, had voiced those to 3 EDC? 4 MR. HOLT: That is correct. And in 5 response to her concerns, in advance of preparing 6 her July 14 memo to you, she received this 7 information, okay. 8 THE WITNESS: Okay. 9 Q. Now, so before she wrote her memorandum to you, 10 she would have received the actual EDC staff 11 presentation to the RIEDC board, and that's the 12 final draft 6-8-2010, and that is the reference we 13 had to both D-123 and Exhibit 357 that we've been 14 talking about. Okay. The slide decs. 15 A. You're getting me lost, Tom. But okay. No, 16 no you keep going back to, you know 17 Q. Stay with me, Governor, you're a smart, guy we can 18 with work our way together. You got two slide 19 decs. here, basically, virtually identical? 20 A. The one you were purporting was the final, 21 you know, what was presented to the board. 22 MR. HOLT: That's right. 23 THE WITNESS: Is that the one we're 24 talking about, or are we talking about the 25 previous one?	1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25	trying to respond to questions that Rosemary asked and presenting, you know, a lot of this. Why Maureen would be recipient to this? I'm lost. MR. WISTOW: I'm more than lost. I just want to put something on the record. The attachment, D-6, this is a Defendants' exhibit that was put in. Does this purport to have the final presentation to the board or not? MR. HOLT: Which presentation? MR. WISTOW: There's two presentations. Mr. HOLT: It doesn't purport either way. MR. WISTOW: It says final reportexcuse me, it says final draft, 6-8-2010, executive session, 38 Studios, and what's attached is what you the opposite of what you represented was final. MR. HOLT: What I'm suggesting to you is MR. WISTOW: Take a look at it. MR. HOLT: I understand what you're saying, but there is no bearing on my questions here. MR. WISTOW: I understand that. But	-
Page 166			Page 168
 MR. HOLT: For this purpose it's interchangeable because the focus is going on the Wells Fargo. Just to be clear. Linda, my apologies, we're talking over each other and, forgive me, Governor, for doing that. THE WITNESS: I wanted to get clear in either of these the Wells Fargo reference is the same? MR. HOLT: That is correct, Governor. Q. Now, going back to D-6, Ms. Gallogly is asking for information in advance of preparing a memorandum to you, that memorandum being dated July 14, 2010, she gets from Mr. Saul a listing of documents that are attached as part of D-6, okay? A. Okay. Let me understand now. You are saying that this package from Mike Saul was in response 	1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	I'd like the record to show that what was sent out, apparently, was the earlier version. There's no doubt about that. MR. HOLT: There's no doubt about that. The earlier version was sent to Ms. Gallogly. MR. WISTOW: On July 12 MR. HOLT: That is correct, Max. We agree on that. We agree on that. MR. DeSISTO: The provisions on Wells Fargo are different in each of those; do we agree with on that? One says reviewed private placement MR. WISTOW: They're not the same. MR. DeSISTO: the other says review of private placement.

MR. HOLT: What we have here --

MR. WISTOW: Because you've

represented they're identical, they're not

that's a good point.

identical.

- 1 version which is the draft version does say,
- 2 "review of private placement."
- 3 Q. Now, Governor --
- 4 MR. WISTOW: Excuse me. Do they
- 5 both have -- I'm really lost. Do they both say,
- 6 "Complete review of Wells Fargo assessment of 38
- 7 Studios' business model and investment
- 8 opportunity"? Is that in both? Can we just take
- **9** a minute?
- MR. HOLT: What I'm looking at is
- **11** Page 16.
- MR. WISTOW: Is 17 the same on both
- 13 of them? This is massive confusion.
- MR. HOLT: If you let me finish my
- 15 question, in all fairness --
- MR. WISTOW: But in all fairness, the
- 17 witness is mixed up as to which exhibits, you
- 18 represent to him the portion that you're
- 19 addressing is identical in both places and Marc,
- 20 quite correctly, points out that's not right.
- 21 Let's just take a minute, let's take one minute
- 22 and let's just take one minute and see if we can
- 23 get organized, just one minute.
- MR. HOLT: I agree --
- MR. WISTOW: Please don't speak while

- 1 and what I'm going to do is is use the version
- 2 which is D-123, if I may, please.
- 3 A. It's not in here.

Page 169

- 4 Q. Just put everything else aside. Let's take a look
- 5 at this Exhibit D-123, and that has attached to it
- 6 the third page in a slide dec. presentation which
- 7 is dated RIEDC board meeting 6-9-10, that would be
- 8 June 9, 2010. That is the board meeting we were
- 9 talking about earlier this afternoon, right?
- 10 A. Yes, we've talked about a number of them, but
- 11 yes. So this is the one --
- 12 Q. Just take a look at this particular document.
- 13 A. It's deemed to be the final one, but it's not
- 14 the one consistent --
- MR. WISTOW: With what was sent.
- 16 Q. With what was sent to Maureen Gurghigian, that is
- 17 correct?
- 18 A. Right.
- MR. WISTOW: And Gallogly.
- 20 Q. And to Gallogly, not consistent only with respect
- 21 to the June 9 reference, okay.
- MR. WISTOW: No, no, there's other
- 23 problems.
- MR. HOLT: Max, propose an objection
- 25 if you want to.

Page 170 Page 172

- 1 I--
- 2 MR. HOLT: Let's go off the record.
- 3 THE VIDEOGRAPHER: Going off the
- 4 record. This is the end of Disk Number 3.
- 5 (OFF THE RECORD)
- 6 (Recess)
- 7 THE VIDEOGRAPHER: Back on the
- 8 record, this is the beginning of Disk Number 4.
- 9 Q. Now, I am not going to spend too much more time on
- Exhibit D-6 here, but just to note that this is an
- e-mail that was sent on Monday, July 12, 2010,
- 12 from Mike Saul to Rosemary Gallogly, okay.
- 13 A. Uh-huh -- yes.
- 14 Q. Now, let's take a look --
- 15 A. And Maureen --
- 16 Q. Gurghigian?
- 17 A. -- Gurghigian.
- 18 Q. Correct. And we can agree that that e-mail and
- 19 that attached packaged of information was sent on
- 20 July 12 which is the date before Ms. Gallogly
- 21 prepared her memorandum for you, right?
- 22 A. Yes.
- 23 Q. Now, with respect to the Gallogly memorandum --
- 24 let me withdraw that question. Let's see if we
- 25 can't just go through the slide dec. presentation,

- 1 MR. WISTOW: You say the only
- 2 difference is that it's got a date of June 9.
- 3 There's differences.
- 4 MR. HOLT: That's not what I'm
- 5 saying.
- 6 Q. What I'm saying here is I want you to focus on
- 7 D-123, which is different from the slide dec. for
- 8 the June 9 --
- **9** A. That is referenced in D-6.
- **10** Q. -- we can agree on that?
- 11 A. Okay.
- 12 Q. Now, let's -- do you actually recall seeing this
- **13** presentation?
- 14 A. Not in any detail or anything. I recall Saul
- 15 making a presentation as one of many. The process
- 16 began, you know, at this meeting and then there
- 17 were three others. So there were lots of
- 18 presentations, but I do remember Saul making a
- 19 presentation, okay. You know, I don't recall
- 20 details of it consistency. I don't recall.
- 21 Q. Okay. Let's go to what has -- bears the Bates
- stamp ending with 61568, and maybe it's easier if
- you look at the lower left-hand corner there are
- pages numbered. So if you go to Page 10, perhaps
- on the internal numbering on the slide dec. This

- 1 refers to project risks and rewards, right?
- 2 A. Right.
- 3 Q. It's referring to the actual 38 Studios project
- 4 and loan, right?
- 5 A. Yes.
- **6** Q. And this has a reference to prerevenue company,
- 7 does it not?
- 8 A. I'm just trying to look back. The
- 9 presentation switched from sort of industry data
- 10 to, you know, 38 Studios specifically. Yes.
- 11 Q. And while we're on that topic of industry data, do
- 12 you know where Mr. Saul would have gotten the
- 13 so-called industry data that's on the first nine
- **14** pages of Exhibit D-123?
- **15** A. No, I don't.
- **16** Q. We get now to something more specific.
- MR. WISTOW: Excuse me. It's not the
- 18 first nine pages, 38 Studios starts specifically
- **19** at least on Page 6.
- MR. HOLT: Max, please.
- MR. WISTOW: I'm not trying to be
- 22 difficult. I want to make sure I got the right
- 23 exhibit.
- MR. HOLT: Please Max, I think you're
- 25 testifying, interrupting this examination. Let me

- 1 by prerevenue was 38 Studios at least as of June
- 2 9, 2010 had not made any money?
- 3 A. Yes. They were producing a game, in the
- 4 process of that, and were close to finalizing the
- 5 first one, and that's what we understood.
- 6 Q. But the point is they hadn't made any money as of
- 7 that date?
- 8 MR. LEDSHAM: Objection.
- 9 A. Correct.
- 10 Q. Now let's go on to the next heading down there,
- 11 "Product not yet branded." What did you
- 12 understand that to mean?
- 13 A. Well, could I back up a minute. If I go
- 14 through this slide, there's a lot of things that
- 15 came out in this presentation that mitigated
- against the risk, if you will, here, that they had
- 17 not produced any revenue yet. All of these
- 18 things, evaluations, EA thought they could sell 4,
- 19 5 million units, was very bullish on Copernicus EA
- 20 didn't take on that many distributions, as it says
- 21 here. And they selected the first game for
- 22 distribution. So, you know, you're highlighting
- one, but the point is, in this presentation, there
- **24** were a lot of mitigating factors that were also
- 25 covered in the process. So, the board had the,

Page 174 Page 176

- 1 try a new question here, Max.
- **2** Q. Let's go to Page 10; do you see that?
- 3 A. Yes
- **4** Q. Page 10 refers to prerevenue company, does it not?
- 5 A. Yes.
- 6 Q. And that's under the risks provisions or section,
- 7 right?
- 8 A. Yes.
- **9** Q. And that's referring to 38 Studios, the company?
- 10 A. Yes.
- 11 Q. What did you understand the term prerevenue
- 12 company to mean?
- **13** A. Well, they hadn't gotten the game to market.
- 14 They were working on one game that they had been
- working on for a number of years, it was pretty
- 16 close, in their minds, in getting to market, what
- 17 do you call it, the Mercury, or the one that was
- 18 down in Maryland, and then they had been working
- on Copernicus, which was the MMOG, the big one,
- 20 also for a few years.
- So my understanding of prerevenue meant they
- 22 hadn't completed the first -- the first one, as I
- 23 recollect, was forecast to be completed before the
- 24 second one
- 25 Q. Well, it would be fair to say what is meant here

- 1 you know, all the advantage of understanding the
- 2 risks, but also looking at all those things that
- 3 mitigated the risk at the end of the day felt that
- 4 it made it worthwhile pursuing.
- 5 Q. Well, you mentioned EA or Electronic Arts. Are
- 6 you aware of the fact that their contract only had
- 7 to do with the so-called Mercury game, one of the
- 8 two games?
- 9 A. Yes.
- 10 Q. So it didn't have anything to do with the second
- 11 game, did it?
- **12** A. No, but they committed to distribute the
- 13 second game. It was my understanding, they were
- 14 much more heavily involved in the first. In fact,
- 15 I think they were helping finance it, if I
- 16 recollect, the first game but EA, you know, from
- 17 the board's perspective, seemed to be, you know,
- 18 pretty supportive and bullish about this company.
- **19** Q. As of June 9, the date of this slide dec., what
- 20 specific information had the board received other
- than what's in this slide dec. concerning EA?A. I think as part of the process, you know, it
- 23 might have been at this meeting that, you know,
- 24 the explanation of what entertainment arts was,
- they're the largest distributor in the industry.

- 1 And they were ones to be -- you know, were highly
- 2 thought of and, you know, so from that standpoint,
- 3 it was -- there might have been some, I can't
- 4 remember what Al Verrecchia, some people were more
- 5 familiar with the company than I was, personally.
- 6 But generally, entertainment arts was perceived by
- 7 the board, at least -- let me say by me, I can't
- 8 speak for all the others, as you know, being the
- 9 industry guru and key distributor of these things.
- 10 Q. Well, did EA make a presentation on June 9?
- 11 A. No, EA didn't.
- **12** Q. Did EA ever make a presentation?
- 13 A. I don't recall. I don't recall.
- 14 Q. Well, again, you say mitigating, the fact that EA
- 15 was there, how was that mitigating simply by
- virtue of the fact that they had a commercial
- 17 relationship with 38 Studios?
- 18 A. Yeah, they had enough confidence in the
- 19 company that they were willing to undertake the
- 20 distribution of the first game, and as I recall, I
- 21 don't remember the details, Tom, it seems to me
- 22 they were involved somehow on even the financing
- 23 of the first game, okay. So, I think, you know,
- 24 it would give you some comfort that people who
- 25 understand this industry are major players in the

- 1 A. Yeah. So, it was -- they were going into --
- 2 this is why the company was very enthusiastic and
- 3 in fact when we had outside, as I said, advisors
- 4 look at this thing, this seemed to be the new area
- 5 for game development, this massive multi-player
- 6 games, but it was new.
- 7 Q. Now, let's go to Page 13, numbered internally on
- 8 the slide dec. -- actually, let's go back to Page
- 9 12, the top of Page 12, project risks. It says,
- 10 "Changing industry dynamics due to technology," do
- 11 you see that?
- 12 A. Yes.
- 13 Q. What did you understand that to be?
- 14 A. I don't remember in detail, Tom. I think the
- 15 sense was there were a lot of factors. They used
- 16 to sell these things outright then they were
- 17 leasing them, or they were getting fees from the
- 18 users. There were a lot of things happening in
- 19 the industry, but I think the general view by the
- 20 experts and advisors was that 38 Studios
- 21 understood that and had flexibility capability to
- 22 adapt to that.
- 23 O. So, what steps did you take as chairman of the
- **24** board to validate the statement that flexibility
- 25 to adopt new technologies in preproduction phases

Page 178

- 1 industry, are willing to take on the distribution
- 2 of this company's product, that's all.
- 3 Q. And to what extent was the board relying upon the
- 4 fact that EA had a contractual relationship with
- 5 38 Studios in deciding to vote in favor of the
- 6 deal
- 7 A. I don't say it's a major factor. There were
- 8 a lot of different factors, as were pointed out
- **9** here. The team, the creative team they put
- 10 together was from outside, third parties, tell us
- 11 was a top-flight group. Some of the, quote, you
- 12 know, the whiz kids, if you will, it seems to me
- as I recall a little bit older, I wouldn't call
- 14 them kids, but you know in the industry, and the
- 15 team they had assemble of building this game were
- 16 very competent, capable people. So, there were a
- whole lot of different factors, not any one.
- 18 Q. Let's go to, "Product not yet branded." What did
- 19 you understand that to mean under the project
- 20 risks and rewards section?
- 21 A. I think it was just that, this was completely
- 22 new. The MMOG was a completely new product as
- 23 opposed to the -- what do they call the first one,
- 24 there's a terminology for it --
- 25 Q. RPG?

- 1 of future releases. What steps did you take to
- 2 validate that statement?
- 3 MR. LEDSHAM: Objection.
- 4 A. As I said, this was the first meeting. There
- 5 were subsequent presentations done by, you know,
- 6 industry observers that had a better overall view,
- 7 and as I remember, they also were very positive
- 8 about the company.
- 9 Q. Did -- now you say the outside advisors, do you
- 10 recall that Strategy Analytics had been hired?
- 11 A. Yeah, that's one of the presentations that
- 12 was made to the board.
- 13 Q. Now --
- 14 A. That's in, what, slide 16, Page 16.
- 15 Q. That's referenced on Page 16. Let's go back to
- 16 that. Do you know if Strategy Analytics ever
- 17 addressed the issue of changing industry dynamics
- **18** due to technology?
- **19** A. I don't recall that.
- MR. WISTOW: Do you want to show him
- 21 the slide for Strategy Analytics?
- 22 Q. Let's go further down on the projections here, if
- 23 we could, please. On Page 13, do you see that it
- 24 says, "Company most-likely projections," do you
- **25** see that?

1 A. Yes.

2 Q. Now, the term projection, I think we've agreed

3 earlier today that's simply someone's best guess

4 of what might happen in the future, right?

5 MR. LEDSHAM: Objection.

6 A. Yes.

7 Q. There were no guarantees that in fact that 38

8 Studios would achieve any of those projections

9 that are set forth on Page 13 in that chart, are

10 there?

11 A. No. No guarantees in any projection.

12 Q. And these projections themselves are based upon

13 assumptions that are below there under the heading

14 "Assumptions," right.

MR. LEDSHAM: Objection.

16 A. Yes.

17 Q. Can we agree then that if some of the assumptions

18 prove to be incorrect, that would affect the

19 amount of the projections, right?

20 A. Yes.

21 Q. If in fact, let's say, for example, the company

were to sell, let's say, 300,000 subscriptions as

23 opposed to the 600,000 subscriptions as referenced

24 in the second bullet point, that would affect the

25 projection calculations, would it not?

1 is that, you know, the game wasn't produced. They

2 understood that that was the risk, okay. I think

3 there were lots of other -- by the way, I don't

4 know -- I seem to recall a presentation made by

5 Wells Fargo, your client, that reviewed the

6 projections and cash flow, et cetera, and then

7 deemed them to be reasonable.

8 Q. We're going to get to that --

9 A. Okay.

10 Q. -- we're going to get to that, Governor?

11 A. Okay. There were a lot of people that

12 reviewed this. This isn't something they pulled

out of the air that said, yeah, there's no

14 guarantees in any of these. The board said that

15 many times. Look, you know, the worst thing and

16 the biggest risk is that this thing never launches

17 because they don't complete the project, you know.

18 Q. So there were simply no guarantees offered by

19 anybody that they would sell even a single

20 subscription, isn't that fair to say?

21 A. Say that again.

22 Q. There was no guarantee made by anybody?

23 A. Of course not, no.

24 Q. Of course not. Now, let's -- did Strategy

25 Analytics, to the best of your recollection,

Page 182

Page 181

Page 184

1 A. Yes. EA, by the way, thought there was

2 potential of several millions of these as a

3 distributor understanding the industry.

4 Q. Well, let's go on to the actual Strategy Analytics

5 document itself -- I'll come back to that in a

6 moment. So, we then go to the -- let's go to Page

7 14. Now, 14 is the company worst-case

8 projections, right?

9 A. That's what it says, yes.

10 Q. Now, the only difference in assumptions between

11 Page 14 and Page 13 is the change in the

12 assumption that the Copernicus subscriptions would

drop from 600,000 at the outset in 2012 to 300,000

annually, 2013 and forward, correct?

15 A. Correct.

16 Q. But in any enterprise, I guess the worst-case is

17 that they wouldn't sell any?

18 A. Yeah. You don't complete the product; you

19 don't sell any.

20 Q. And certainly nobody offered the EDC board any

21 guarantee that any of these projections would in

22 fact --

23 A. No.

24 Q. -- would play out, right?

25 A. The board understood that, you know, the risk

1 provide any analysis of these projections?

2 A. You know, again, I don't remember. I don't

3 recall, Tom. If we want to go back through the

4 presentation, you know --

5 Q. Wait.

6 A. -- I'd have to look at it.

7 Q. Do you have any present recollection without

8 looking at it --

9 A. No. My only general recollection was that

10 Strategy Analytics was positive about the industry

11 and generally positive about the prospects for 38

12 Studios, that's my general recollection of the,

13 you know, the feeling I came away from the

14 presentations. I mean, if the outside consultant

15 had been standing there saying, you know, a lot of

16 negatives about either the industry or the

17 company, certainly it would have given pause, but

18 I don't recall that.

MR. WISTOW: We have the Strategy

20 Analytics dec. if you want to show him the dec.,

21 Mr. Holt.

22 Q. We are going to be moving on to the actual

23 Stratedy Analytics report that was provided to the

board and that's Exhibit 460. We'll have that in

25 a moment. Here's Exhibit 460.

Page 185

- 1 (DOCUMENT SHOWN)
- 2 Q. We've been referring to the Strategy Analytics'
- 3 evaluation. Do you have that in front of you,
- **4** Exhibit 460?
- 5 A. Yes.
- 6 Q. Okay. This is an e-mail again from Sharon Penta,
- 7 who was an employee at EDC, addressed to you and
- 8 the other board members at the EDC, right?
- 9 THE WITNESS: I shouldn't write on
- 10 this, should I?
- 11 MR. WISTOW: No.
- 12 A. This is dated June 11. It's referencing
- 13 Wednesday's board meeting. This is Friday. So
- 14 this would have been the 9th board meeting, "As
- 15 requested at Wednesday's board meeting, attached
- 16 is economic analysis" -- okay.
- 17 (WITNESS READING DOCUMENT)
- 18 Q. And that's the Strategy Analytics study that you
- were referring to a few questions back, right?
- 20 A. Yes.
- 21 O. Now, let's take a look at this document which
- begins with Bates stamp BR 36231, and let's go to
- 23 the actual third internally numbered page. Do you
- 24 have that?
- 25 A. Yes.

- 1 an advisor to EDC to assess risk, right?
- **2** A. That's my understanding.
- 3 Q. Now, let's go to --
- 4 MR. WISTOW: Excuse me, before you
- 5 do.
- 6 (COUNSEL CONFERRING WITH WITNESS)
- 7 MR. HOLT: Max, I don't think you
- 8 should be instructing the witness. It's highly
- 9 improper to have you leaning over in the midst of
- 10 an examination.
- MR. WISTOW: There was no question
- 12 pending.
- MR. HOLT: It's highly improper.
- MR. WISTOW: I'm sorry, I've seen you
- **15** do it.
- MR. HOLT: You've been coaching the
- 17 witness --
- MR. WISTOW: You've done the same
- 19 thing. I'm not coaching anybody. I have a right
- 20 to talk to him. There's no question pending.
- MR. HOLT: We're trying to get the
- 22 witness's uninfluenced testimony on the record
- 23 here, and that does not help.
- 24 Q. So, let's stay with the Stratedy Analytics report
- 25 that was prepared at the request of the EDC. Go

Page 186

- **1** Q. And it says here that, "The State of Rhode Island
- 2 via its Economic Development Corporation requested
- 3 an evaluation of the viability of developing a
- 4 video game cluster in the state." Do you see
- 5 that?
- 6 A. Yes
- 7 Q. And one of the items, the last bullet point under
- 8 the first paragraph is, "The assessment of risk
- 9 factors associated with an investment in a company
- 10 with a profile similar to 38 Studios." Do you see
- **11** that?
- 12 A. Yes.
- 13 Q. Now, why did the EDC board ask for -- ask Strategy
- 14 Analytics to perform a risk analysis?
- **15** A. Well, as I said earlier, the board -- we had,
- 16 you know, at EDC staff, et cetera, and financial
- 17 staff, et cetera, that are used to doing different
- 18 things. This was an entirely new industry, and we
- 19 had gotten information, obviously, from the
- 20 company and from other sources, as you point out,
- 21 the private placement memorandum or whatever, but
- 22 I think the board felt we'd like a third party to
- 23 come in and give us, you know, their view, based
- 24 on their expertise of the industry.
- 25 Q. And Strategy Analytics was specifically hired as

- 1 to pages -- internal Page 13. Do you see that,
- 2 Exploring Some Risk Factors?
- з A. Yes.
- 4 Q. Now, let's go down to the middle of the page. Do
- 5 you see some language that is in bold type face
- **6** with an underline?
- 7 A. Yes.
- 8 Q. And can you read that for us allowed please?
- 9 A. It's entitled, other risk factors, and it
- 10 says, "Few offerings have achieved greater than
- 11 300,000 subscribers."
- **12** Q. And that's the highlighted bold on that page?
- 13 A. Yes.
- 14 Q. And what do you understand that to mean?
- **15** A. Just what it says.
- 16 Q. So in other words, what Strategy Analytics --
- 17 A. It says few have exceeded 300,000. It
- 18 doesn't say none have, but it says few have.
- 19 Q. Okay. Well, it's under the overall section of
- 20 Exploring Some Risk Factors, right?
- 21 A. Yes.
- 22 O. So --
- 23 A. That follows a whole section that talks about
- 24 the positives and all the things that the company,
 - they felt were, you know, had done a good job at.

Page 189

- 1 Q. But the point of the exercise here is that it does
- 2 have in bold the statement that few offerings have
- a chieved greater than 300,000 subscribers, right?
- 4 A. Yes.
- 5 Q. And so that's telling the board that few companies
- 6 have had an -- have ever exceeded the 300,000
- 7 subscriber benchmark, right?
- 8 A. Yes.
- 9 Q. It then goes on to say --
- 10 A. Remember, EA is, you know, is -- it's
- 11 represented that entertainment arts, which is the
- 12 distributor, thought the potential for this was 4
- 13 to 5 million units. So you have -- what you have
- 14 here is one opinion that 300,000, you know, few
- 15 get higher than that, and then you've got an
- 16 industry leader in terms of a distributor, whose
- 17 opinion was that this had the potential to sell
- 18 many more. So you had conflicting views in terms
- 19 of what the potential might be.
- 20 Q. But had the EDC hired EA as a consultant in this
- 21 matter?
- 22 A. No. I'm just saying that there were other
- viewpoints about it, that's all.
- 24 Q. But the viewpoint being expressed by the actual --
- 25 the advisor that was retained by EDC, that is to

- 1 respectable figures; do you see that?
- **2** A. Yes.
- 3 Q. Now, let's go back to the assumptions that we have
- 4 in the slide dec. D-123, please.
- **5** A. Could I just clarify something here because
- 6 I'm just reading this. You know, it's been four
- 7 years, and I don't remember all the details. They
- 8 highlight that 300,000, few exceed that. But if I
- 9 understand, then they highlighted one, two, three,
- 10 four, five, you know, that had -- six, seven
- 11 eight, that most of whom did substantially more
- 12 than that. Am I misreading this?
- 13 Q. Well, do you know if in fact, for example, NCsoft
- 14 had a brand that was well-known in the Korean
- 15 marketplace for gaming at the time?
- **16** A. We can debate why and so forth. All I'm
- 17 trying to do is say --
- MR. WISTOW: Let him finish.
- 19 A. The report pointed out that there were a
- 20 number of gaming companies that had exceeded,
- 21 there are reasons why they did, I'm sure, okay,
- 22 I'm not disputing that, Tom. All I'm saying is
- 23 they weren't saying nobody is going to do more
- **24** than 300,000.
- 25 Q. But it's clear that the experts or the advisor

- 1 say, Strategy Analytics, was going through the
- 2 trouble of not simply boldfacing a portion of this
- 3 report, but underlying it saying, "Few offerings
- 4 have achieved greater than 300,000 subscribers."
- 5 Right?
- 6 A. Yes
- 7 Q. And that would refer to the actual first game that
- 8 we're talking about, right --
- 9 MR. WISTOW: Objection.
- 10 Q. -- I mean the second game?
- 11 A. This refers to Copernicus.
- 12 Q. The second game. Copernicus?
- 13 A. Yes.
- 14 Q. So, it goes on to say that there's a short list of
- 15 companies that includes what is considered the
- 16 "gold standard," in quotes, do you see gold
- 17 standard?
- 18 A. Yes.
- 19 Q. What do you understand that term to mean as used
- 20 in that passage?
- **21** A. One of the better companies.
- **22** Q. Sorry?
- 23 A. One of the better companies. That's what I
- 24 would understand it to mean.
- 25 Q. And then it goes on to say a number have achieved

- 1 hired by EDC was pointing out that few had
- 2 achieved greater than 300,000 subscribers, right?
- з A. Yes.
- 4 Q. Let's go back to Exhibit D-123.
- 5 A. Okay.
- 6 Q. Let's go to Page 13. Do you have Page 13 in front
- 7 of you?
- 8 A. Yeah. I have 14, I'm sorry.
- **9** Q. Take a look at Page 13.
- 10 A. Yes. Most-likely projections and then --
- 11 O. What did you understand the phrase, "Company,"
- 12 quote, "most-likely projections," to mean?
- 13 A. What they thought they were most-likely
- 14 capable of doing. When you do, you do a high, a
- 15 low and most-likely. That's fairly common and
- 16 standard. So this was their view. You're right,
- 17 the company's view of a most-likely projection.
- 18 Q. And was part of Strategy Analytics' job to
- 19 verify --
- 20 A. I don't know.
- 21 Q. Let me finish my question, please. -- To verify
- 22 projections that were made by the company?
- **23** A. I don't remember.
- 24 Q. Was it part of your their job to verify
- 25 assumptions underlying projections presented to

1 the board?

2 A. As I said, I don't recall what the scope of

3 their engagement was.

4 Q. Now, the company most-likely projections --

5 A. I do recall Wells Fargo --

6 Q. What specifically do you recall about Wells Fargo?

7 A. They reviewed the cash flow projections of

8 the company, that's what I recall, you know, in

9 one of these presentations and concluded that they

10 seemed reasonable.

11 Q. When you say cash flow projections --

12 A. Well, same thing, sales of the product, cost,

13 et cetera, and I don't know what, what cash flow

14 they were reviewing, but I'm assuming it was the

15 company's.

16 Q. Now, when you're referring to cash flow, are you

17 talking about projected cash flows, right?

18 A. Yes.

19 Q. Only projections, because they hadn't been making

20 any money?

21 A. No, I understand that. All of these things

22 are projections.

23 Q. So, when you say cash flows, let's be clear, there

24 was no cash flowing from revenue -- from sales at

25 that point in June 9, 2010, was there?

1 at the same one.

2 Q. We're looking at Page 13 --

3 A. Page 13.

Page 193

4 Q. -- of D-123?

5 A. Right.

6 Q. It talks about projections, right?

7 A. Right. To me, cash flow, it doesn't say

8 this, but to me cash flow is, where you see

9 EBITDA, it's the cash flowing from the revenues

10 above, and then the projected expenses each year,

11 and below that what the debt service was going to

12 be. And all I'm saying, Tom, is those

13 projections, to the best of my knowledge, were

14 reviewed, I think by Wells Fargo, and if not,

15 somebody reviewed them, concluded that, you know,

16 their assumptions were, you know, reasonable.

17 They didn't have to gain a huge share of the

18 market, as I recall. This looked okay.

19 Q. Now let's go back -- but nevertheless, they're

20 simply projections, right?

21 A. Of course. All these things are projections.

22 Q. Let's take assumptions underlying the most-likely

projection. It says 600,000 subscribers?

24 A. Yes.

25 Q. And if we go to the actual Strategy Analytics'

Page 194

1 risk analysis, it states that, "Few offerings have

2 achieved greater than 300,000 subscribers."

3 A. Yeah, which is why they put that as, you

4 know, the next slide or whatever. It's reducing

5 that -- the worst-case, the company's worst-case

6 was 300,000.

7 Q. Well, let's go to -- but certainly the company's

8 most-likely projections that were being presented

9 to the board?

10 A. They expected that they had a real winner in

11 terms of a game and what they were doing in

12 developing with a lot of industry expertise in

13 this multi-player game was going to be very well

14 received. They, you know, were supported in that,

15 to my knowledge, by entertainment arts who

and the state of t

16 understood the industry as well.

17 Q. But entertainment arts wasn't your advisor at EDC?

18 A. No, I didn't say that.

19 Q. So we have here on the best-case or most-likely

20 projections something that is twice what is

21 referred to as a number of 300,000 subscribers

22 that few offerings have achieved, according to

23 Strategy Analytics, right?

24 A. Yes.

25 Q. If we go on to the worst-case scenario, that says

1 A. No. We said that. This is prerevenue --

2 MR. WISTOW: Let him finish.

3 A. -- what I'm saying to you is the company had

4 a projection of when they would complete the first

5 game, the sales that would result from that game,

their cost and then when the Copernicus would becompleted, and the projection of the revenues that

8 would come from Copernicus. All of that was in

9 to, you know, a cash flow projection.

10 Q. Well, maybe we're -- this is just semantics.

11 We're talking about revenue projections is that

what you're referring to when you say cash flow

13 projections, or do you have something else in

14 mind?

15 A. No. No. Your first item is taking in cash

16 from sales, yes. But the other side is what are

17 you spending. Okay. So, when you do a cash flow

18 projection, it's both sides. It's what are your

19 expected sales, and they had those assumptions

20 built in, and then this what are your projected

21 costs to do that.

22 Q. But are there any cash flow projections on Page 13

23 of the slide dec., Exhibit D-123?

24 A. No -- well, wait a minute. Well, let me --

EBITDA, net profit and so forth, if we're looking

2 annually 2013 and forward, right?

3 A. Yes.

4 Q. But the Strategy Analytics passage that we just

5 read where it said few offerings have achieved

worst-case, that they would drop to 300,000

6 greater than 300,000 subscribers, that actually

7 seems to be, or at least implies a best-case of

8 300,000, does it not?

9 A. No, I wouldn't take it that way at all.

MR. WISTOW: Objection. Let's take a

11 five-minute break.

MR. DeSISTO: We can go off the

13 record.

14 (RECESS)

15 THE VIDEOGRAPHER: Back on the

16 record.

17 Q. Governor, we were talking before about a credit

18 memo. Was a credit memo ever prepared by anybody

19 concerning the projected revenues of 38 Studios to

20 your knowledge; what would you consider a credit

21 memo in terms of your commercial banking industry?

22 A. Not to my knowledge. There could have been

on the staff, but nothing that I saw.

24 Q. And do you have any recollection of a credit

25 memorandum analysis that would have been presented

1 wrong in that, Tom, but I would -- this is not

2 what the presentation was to the board. This was

3 backup materials sent out. Am I right?

4 Q. Now I'd like the record to reflect that the

5 witness has been gesturing with Exhibit 460 which

6 is the Stratedy Analytics report and you have that

7 in front of you?

8 A. Yes.

9 Q. Did you take the time to read that report?

10 A. I don't recall reading the whole report.

11 Often they have executive summaries is what I

would read, then I would skim, possibly, through,

but what I'm saying to you is this is not my

14 recollection of what was presented to the board

15 meeting. That there was a slide dec. like all --

16 PowerPoint or something that, you know -- the sum

17 and substance was, on balance, positive that's my

18 recollection, Tom.

19 Q. You're saying your recollection on balance was

20 positive?

21 A. Yeah.

22 Q. Of the Stratedy Analytics report was positive?

23 A. Yes.

24 Q. Now, but you don't know if you actually read the

entire report or not, do you?

Page 198 Page 200

1 to the board that would have been testing any of

2 the assumptions?

3 A. No, other than these, you know. As I said,

4 Wells Fargo I think did an analysis of this and

5 then -- by the way, I don't believe -- well, not

6 that I don't believe, I remember this being

7 distributed, but to be frank with you, I wouldn't

8 have read all of this because it was a

9 presentation made to the EDC board that was -- is

10 that correct? I didn't seem to recall a dec. of

11 slides referring to Strategic -- what are they

12 called -- Strategy Analytics.

13 Q. Okay. You have been gesturing toward the Stratedy

14 Analytics report that was commissioned by EDC to

15 examine risks, you were saying --

16 A. Yes.

17 Q. -- you would not have read it, you don't think?

18 A. There's executive summary. This was

19 apparently sent out ahead of time. As I said,

20 often you don't read all these in details, but my

21 recollection is, correct me if I'm wrong, that

22 there was a slide presentation made to the board

23 that would have been presumably a summary of this,

24 and my recollection, generally, was that it was

25 that it was positive in summary. But I could be

1 A. I'm asking a question. I said I didn't read

2 this. I'm sure I didn't read this in detail. I

3 would have read the summary. But what I'm saying

4 to you is I believe, and you must have this

5 document, but I believe there was a slide

6 presentation made to the board, PowerPoint. You

7 don't go into a board meeting with a report like

8 this and sit there and say, Ladies and gentlemen,

9 we go through it page-by-page. There was a

10 PowerPoint, you know, I thought, and you know, my

11 general reaction --

12 Q. Is that your recollection, it was a PowerPoint?

13 A. Yeah.

MR. WISTOW: Do you want to show it

15 to him?

16 Q. Now, do you have any recollection of any board

17 member asking Strategy Analytics any questions

18 whatsoever concerning their report?

19 A. No, I don't remember that.

20 Q. Now let's go to -- let's go to Exhibit 460, again,

21 the Stratedy Analytics report and let's take a

22 look at the executive summary. We agree, at least

23 on the face of this, this was distributed to all

24 of the board members, right? We don't disagree on

25 that, do we, Governor?

- 1 A. No. It would indicate that it's been
- distributed to the board members.
- 3 Q. And even if you hadn't taken the time to read the
- entire report, you think you would have gone to
- the trouble to actually have read the executive 5
- summary?
- 7 A. Yes.
- Q. Let's go down to the section that says, "Our key 8
- findings regarding the game business include." Do
- vou see that?
- 11 A. Yes.
- 12 Q. And let's go to the third bullet point down, that
- says, the MMO specifically has had some break-out 13
- success, Blizzard's, World of Warcraft, 11.5 14
- million. MCSoft's Lineage, it goes on to say, 15
- "However, cracking the 300,000 subscription level 16
- is a rare accomplishment." So in the opinion of 17
- the expert hired by EDC they are saying that in 18
- their opinion or their experience cracking that 19
- 20 300,000 subscription level was a rare
- 21 accomplishment, not something routinely achieved
- in this industry, correct; that's what it says? 22
- 23 A. Yes. But it says there have been some
- break-out successes.
- 25 Q. Yes, but then it qualifies with the however,

- subscriber level in their opinion was a rare
- accomplishment, right? That's what they're 2
- telling the board in this executive summary, 3
- 4 right?
- 5 A. Yes.
- 6 Q. Now --
- 7 MR. WISTOW: Do you want to show him
- 8 the slides that he's referring to?
- 9 THE WITNESS: I haven't answered the
- question because some of this, you know, is, you 10
- know, the tone of this is a little different than 11
- 12 I remember from the presentation.
- MR. WISTOW: I guess they don't want 13
- 14 to show you the slides.
- 15 Q. Again, going back to this concept of a credit
- memo. If you had seen a credit memo prepared by 16
- 17 an EDC staffer who was charged with the
- underwriting of the 38 Studios loan expressing a 18
- negative opinion on the 38 Studios transaction, 19
- 20 would that have affected your view as to whether
- 21 to support it or be against it?
- 22 MR. DeSISTO: Objection. Go ahead.
- 23 A. It would have precipitated questions about
- it, certainly. Doesn't mean -- doesn't mean you 24
- wouldn't support the deal. You go forward with a

Page 202 Page 204

- "However, cracking the 300 subscriptions level are
- an accomplishment" Right? 2
- 3 A. I understand that. I agree with that. Two
- sides of there.
- 5 Q. What did you understand, Strategy Analytics, to
- mean when they said, "However, cracking the
- 300,000 subscriber levels are accomplished." What 7
- did you understand the expert to be saying then? 8
- **9** A. I think it was very clear what they were
- saying, 300,000 on average, or whatever, would be 10
- what would you would expect --
- 12 Q. Wait a minute. Is that what that's saying --
- MR. WISTOW: Whoa, whoa, whoa. 13
- 14 A. I said earlier there were other opinions that
- were much greater and Strategy Analytics 15
- themselves said they were a number that were 16
- break-out successes. So -- by the way, the 17
- company felt, their concept behind Copernicus, you 18
- know, was I'm just telling you what they felt, you 19
- 20 know, was significant and unique enough that it
- had the potential to be a big success. 21
- Q. Well, can we agree that here, that Strategy 22
- 23 Analytics, the expert that was hired by EDC, to
- assess the risks in the 38 Studios transaction, 24
- 25 was expressing the view that cracking that 300,000

- project like this on the basis of lots of
- 2 different factors and evaluations. As I said many
- 3 times, in reviewing this and going through the
- board process, we understood there were risks and 4
- 5 we understood the risk was that the game might not
- 6 be produced. On the other hand, there were a
- 7 whole lot of mitigating factors in terms of, you
- know, positives for what we thought could be 8
- 9 accomplished here. And balance, you had 12, you
- know, well-qualified people, leaders in our 10
- 11 community in their own respective businesses come
- to the conclusion that this was a risk worth 12
- 13 taking.
- These aren't people that willy-nilly are 14
- 15 going to say, oh, yeah, \$75 million of state
- money, who cares. No. These are thoughtful 16
- 17 people who spend a lot of time and understand
- risk, because that's what they deal with every 18
- 19 day, but they also understand that risks are
- 20 mitigated with other factors. And that on balance
- you make the best decision you can for what you 21
- think is, you know, the best thing for the state. 22
- That's the basis on which this decision was made. 24 Q. So as you sit here today, can you think of a
- single piece of information that would be directly

23

_		.1 (**		11.1	6.00	a. 11
1	relevant to	the fina	ancial co	ndition	of 38	Studios

- 2 which was not shared with the EDC board prior to
- 3 July 26, 2010?
- 4 MR. LEDSHAM: Objection.
- 5 A. Not shared? I have --
- 6 MR. WISTOW: That you know of today
- 7 he's talking about.
- 8 A. No.
- 9 Q. Now, you earlier referred to a number of outside
- 10 parties who were providing information that
- 11 somehow, in your view, stood for the proposition
- 12 that the revenue projections on the slide dec. at
- 13 the June 9 board meeting were reasonable. Who
- 14 specifically provided information related to the
- 15 reasonableness of revenue projections prepared by
- **16** 38 Studios?
- MR. WISTOW: Who provided it to the
- 18 board?
- MR. HOLT: Who provided it to the
- 20 board.
- 21 A. You know, I don't recall, but I believe your
- 22 client was one of them that had reviewed these
- 23 projections and, you know, concluded that they
- 24 were reasonable. I don't remember all of the
- 25 presentations that were made but I --

- 1 want some specifics about Wells Fargo, why don't
- 2 you let him see the Wells Fargo slide dec. that's
- 3 attached to the minutes.
- 4 MR. HOLT: We'll get to that. I'm
- 5 asking questions.
- 6 MR. WISTOW: This is four years ago.
- 7 We have the exhibit.
- 8 MR. HOLT: I understand that. We get
- 9 it was four years ago. We get that.
- 10 Q. Take a look at Exhibit 353, please. Now Governor,
- 11 just to give you, give you again some context
- 12 here, I think the parties agree here there was a
- special meeting of the EDC board on July 15, 2010.
- 14 Does that accord with your recollection at this
- 15 point?

Page 205

- **16** A. I'm sorry. I was reading.
- 17 Q. The parties have agreed there was a special EDC
- **18** board meeting on July 15, 2010 --
- **19** A. Okay.
- 20 Q. -- to discuss the actual 38 Studios \$75 million
- 21 loan?
- 22 A. Okay. I know there were, I think two special
- 23 meetings dedicated solely, no other discussion,
- 24 just the 38 Studios, so --
- 25 Q. And there was one on July 15?

- 1 Q. Who else?
- 2 A. I don't -- I just don't remember, Tom.
- 3 Q. Do you have any specific memory as you sit here
- 4 today of the Wells Fargo presentation at the June
- 5 12 board meeting --
- 6 MR. WISTOW: June 14.
- **7** Q. -- June 14th board meeting?
- 8 A. Not in detail. Again, my sense was, as I
- 9 think back, it's four years ago, and that in the
- 10 course of the board's due diligence process and
- 11 reviewing both the industry and 38 Studios
- specifically, I don't recall in any of those
- 13 presentations any huge negative coming back.
- 14 Risks, yes, that you've articulated, and I've said
- 15 before, but there were many, many other factors
- 16 mitigating those risks, recognizing that they were
- 17 producing a game, well along on the first one, had
- 18 started and spent money on the second one. So it
- 19 wasn't like we were starting the second one from
- 20 scratch, either. And that, you know, all the
- 21 things that we thought, that this could be a
- 22 cluster of really highly educated, highly paid,
- 23 you know, people in our state, and be an excellent
- **24** economic development, you know, strategy.
- MR. WISTOW: Can I ask you, if you

- 1 MR. WISTOW: We've agreed on July 15.
- 2 You can accept that.
- 3 Q. We've agreed. Now, Exhibit 353 is an e-mail from
- 4 Rosemary Booth Gallogly to your chief of staff,
- 5 Andrew Hodgkin and Jamia McDonald, with a carbon
- 6 copy to Chris DiFilippo who is one of your admin.
- 7 assistants. And who is Donna D'Aquila, another
- 8 admin. assistant?
- 9 A. Yeah. I think she might have been
- 10 administrative assistant for Andy.
- 11 Q. Can you just read aloud what Ms. Gallogly's e-mail
- **12** says?
- 13 A. It says, "If this could go to the" -- I think
- **14** it's "go."
- 15 MR. WISTOW: Or get.
- 16 A. "Get."
- MR. WISTOW: Or go, one or the other.
- **18** A. "Go to the governor before the EDC meeting,
- **19** that would be great."
- 20 Q. And I think you've testified earlier that you --
- 21 this memorandum was provided to you?
- 22 A. I don't know if it was -- I don't know if it
- was provided to me before the meeting. I can't
- 24 recall that, Tom. I remember seeing the memo, but
- s whether it was provided before the meeting,

- 1 because this was the -- she wrote it on the 14th.
- 2 The meeting is the next day. So I just don't
- 3 recall that.
- 4 Q. Do you recall having a conversation with Ms.
- 5 Gallogly in which she suggested that she would
- 6 like you to bring her memorandum to the board's
- 7 attention?
- 8 A. No.
- 9 Q. She's testified that in fact it was her
- 10 expectation and she desired that you would
- 11 actually have brought this to the board?
- 12 A. She never said that to me, to my
- 13 recollection.
- 14 Q. Now let's go through this memorandum, it's
- 15 addressed --
- **16** A. Could I just add to that? Let me reiterate.
- 17 I have great respect and admiration for Rosemary
- 18 Gallogly, I've said that many times. But Rosemary
- 19 Gallogly has no direct responsibility for or no
- 20 direct involvement with EDC. She has no role
- 21 there. She's not -- and so you know, I asked her
- 22 for an opinion as just, you know, a third party,
- 23 someone who is pretty knowledgeable. But she did
- 24 not have the benefit of any of the presentations,
- 25 any of the information that went to the full

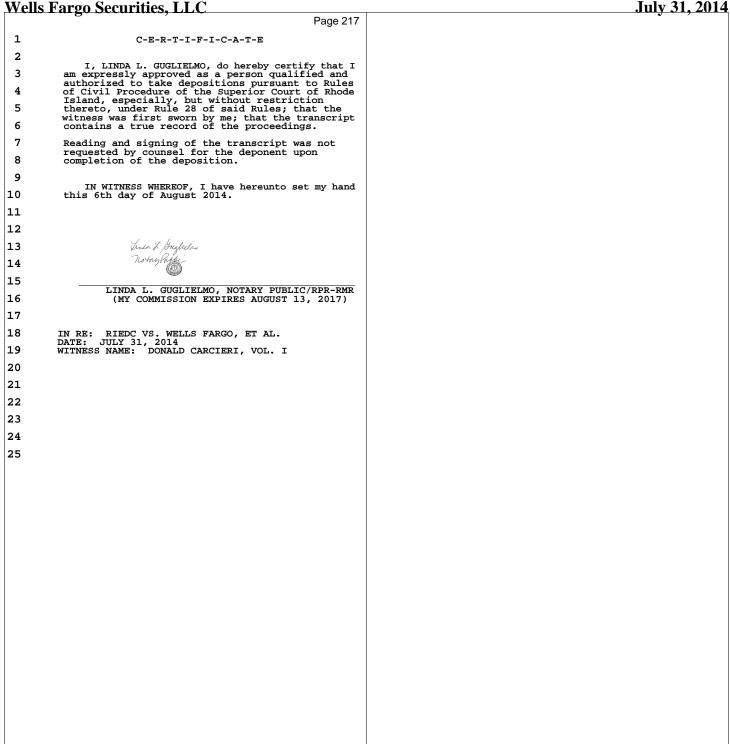

- 1 you?
- 2 A. Did I not make myself clear? I'm not saying
- 3 she did not have reports. What I'm saying is,
- 4 first of all, I recall a difference between, you
- 5 know, the report that was submitted here and
- 6 the --
- **7** Q. And the Strategy Analytics?
- 8 (PARTIES SPEAKING AT THE SAME TIME)
- $\textbf{9} \ \ A. \ \ \text{-- and the dec., you know, that was presented}$
- 10 to the board. (inaudible). I'd like to come back
- 11 to that, that's my recollection that they were
- 12 generally at the end of the -- at the end of the
- 13 whole summary, favorable. What I'm saying is
- 14 Rosemary, you know, did not have the benefit of a
- 15 lot of discussion and input and questions people
- asked with answers, okay. She's got paper, but
- 17 that's different than sitting through the whole
- **18** due diligence.
- 19 Q. But you told me not too long ago you do not have
- 20 any specific memory of any board members
- 21 questioning Strategy Analytics at that meeting?
- MR. LEDSHAM: Objection.
- 23 A. I said I don't -- I don't remember what the
- 24 conversations were. I'm sure there were
- 25 questions, but I don't remember them.

Page 210

- 1 board. Because many of the questions she raised,
- 2 you know, were in fact discussed by the board.
- 3 Q. Let's go back to Exhibit D-6. This is an e-mail
- 4 from Mr. Saul to Ms. Gallogly dated July 12, 2010
- 5 and it contains a great deal of information, does
- 6 it not?
- 7 A. But, Tom --
- 8 O. Yes or no?
- 9 MR. WISTOW: He's entitled to answer
- 10 the question.
- 11 A. Can I answer the question? What I'm trying
- **12** to say --
- MR. HOLT: Answer my question.
- 14 A. -- it's different, okay, to get a pile like
- this than it is to sit in on the presentations
- being made by the professionals and the advisors
- and so forth and listen to the discussion, listen
- 18 to all the mitigating factors, listen to the
- 19 estimates of the risk and so forth. She didn't
- 20 have the benefit of that. Many of the questions
- 21 she raised were discussed. That's all I'm saying.
- 22 Q. Well, she had, according to this July 12, 2010
- e-mail, she was provided on July 12, 2010 with a
- 24 copy of Strategy Analytics' final report, so she
- 25 would have had that before writing that memo to

- 1 Q. Well, we've agreed that Ms. Gallogly was negative
- 2 on proceeding with the 38 Studios loan, was she
- 3 not?
- 4 A. Well, she had a bunch of concerns that she
- 5 itemized here in the memo, and some of them had to
- 6 do with policy. Do we want to take as big a chunk
- 7 of this and devote it to one transaction? There
- 8 were a range of issues that she raised. Some of
- 9 them, for example, the issue of appropriation for
- 10 moral obligation bond and what that meant and how
- 11 that would be treated and how this bond might be
- 12 treated. So there's a lot of different issues she
- raised that did not necessarily go to thesubstance of whether this deal should go forward
- 15 or not. And she may have concluded, by the way,
- 16 that she wouldn't do it. I respect that. Karl
- $\begin{tabular}{ll} \begin{tabular}{ll} \beg$
- 18 But you know, 12 other people that sat through all
- 19 these presentations and all this analysis, you
- 20 know, concluded that it was a risk worth taking.
- 21 Q. Well, can we agree that as among all of the board
- members and as between those board members andRosemary Gallogly, she would have clearly had much
- 24 more experience and expertise related to
- 25 financing --
